STATE OF THE STATE
FIFTY-FIRST LEGISLATURE
SECOND REGULAR SESSION
GOVERNOR JANICE K. BREWER
Monday, January 13, 2014

Speaker Tobin, President Biggs, Honorable Senators and Representatives of the Arizona Legislature, Chief Justice Berch and Justices of the Supreme Court, constitutional officers, tribal leaders, honored guests, and my fellow Arizonans:

It's my pleasure to welcome back Representative Doris Goodale – you've gone through a long struggle, and we're all gratified to see you here, ready to help us build a better Arizona.

And while I am pleased by Doris' recovery, I was terribly saddened to lose Ben Miranda.

Catherine, the state of Arizona extends our deepest sympathies for your loss, and the loss of a great public servant, your husband and my friend, Ben.

His voice will be missed but let us pray that his spirit of public service lives on in all of us.

When I stood here for the first time as Governor, we faced the daunting task of navigating the state I love out of the bleakest recession in our history ... and back onto the path of prosperity and opportunity.

I recognized that overcoming this challenge would be difficult and painful. It would require honest leadership and tough decision-making.

And then, of course, there are challenges we can never predict ... challenges that test our resolve.

This past year, Arizona experienced one of the worst tragedies in our history as we lost 19 heroic firefighters at Yarnell Hill.

That June day will forever be etched into our hearts ... the brave 19 and their families forever in our prayers.

Please stand and join me in a moment of silence to honor these fallen firefighters.

Thank you.

Today, I am proud of the progress we've made in the past 5 years to bring about the Arizona Comeback.

We steered Arizona out of a debilitating recession and implemented historic reforms and long-term structural improvements that secure Arizona's prosperity for generations to come.

JOURNAL OF THE SENATE
Monday, January 13, 2014

It's been a challenge – one I could not have fully managed without constant support and guidance from my family.

I am so very grateful to them, for always being there for me.

Thanks to my husband, John, and my son, Michael – who once again join me in this chamber.

I also appreciate the support from the people of Arizona, lawmakers, the business community, and countless others. Together, we have worked hard to guide Arizona out of the historic recession we inherited.

As my hero, Ronald Reagan, said during his 1967 inaugural as Governor of California – and I quote:

“We will put our fiscal house in order. And as we do, we will build those things we need to make our state a better place in which to live ... and we will enjoy them more, knowing we can afford them ... and they are paid for.”

I am proud to report to you today that Arizona's fiscal house is in order and, together, let's keep it that way.

We've come a long way in a short time:

- In 2009, Arizona's budget was irresponsibly drained. After years of unsustainable spending, we had the worst budget deficit of any state.
- Today, we've reined in government spending by consolidating, eliminating and transforming our operations.
- In 2009, Arizona had a three billion dollar deficit.
- Today, Arizona boasts a healthy state surplus and a replenished Rainy Day Fund.
- Most impressively, we ended this past fiscal year with nearly 900 million dollars in the bank.
- There is no doubt: Arizona is **BACK ON TRACK!**
- We also remember that our state was swept up in some of the worst unemployment in our history, and Arizona businesses and families struggled to stay afloat.
- Today, we've turned things around. With help from the Arizona Commerce Authority and our historic tax reforms, our employers have created nearly 175,000 new jobs with an impressive 4.3 billion dollars in new capital investment.
- In 2009, Arizona was ranked among the worst states in antiquated, business-stifling tax policies.
- Today, we're among the best for attracting and helping our businesses grow and thrive.
 - o We LOWERED business property and equipment taxes.
 - o LOWERED corporate income taxes ...
 - o And LOWERED capital gains taxes ...

We even simplified sales taxes from a confusing, multi-city, multi-layered process to a single collection and audit.

Don't let anyone fool you. The tax and regulatory environment in our state matters. Businesses across the nation and the world are watching.

Our message to job creators has been heard: Arizona is open for business!

We now have more jobs, more businesses and more opportunities for growth and prosperity.

And I'm in good company believing that.

Arizona is ranked in the Top 10 by CEOs nationwide – and Forbes Magazine recognized us as the number one state for expected job growth.

It's no surprise we have attracted and expanded major companies like Apple, GM, Intel, State Farm and many, many more.

And I'm confident more are on the way.

Our focus on job creation continues to pay off. That's because we've listened to what businesses need ... and what attracts more of them to Arizona.

We addressed the issues around uncompensated care and the hidden health care tax by again listening to the business community and honoring the will of the people.

When the federal government shut down, we worked hard to re-open the Grand Canyon during a crucial time for our tourism industry. In doing so, we recovered more than one million dollars in revenue per day, benefiting our communities, businesses and the economy.

We stood united in saying to Washington: Do your job! Keep the Grand Canyon open ... Government should never close that which God has created.

Arizona's ability to deal with our own issues stands in sharp contrast to the federal government's inability to deal with their core responsibilities – like securing the border, fixing immigration and righting our national fiscal ship.

On behalf of the people of Arizona, I say to the President and Congress: Quit fighting ... and get to work for the American people.

Unfortunately, we can't fix Washington from here.

But we can, and will continue, to show the nation how it's done.

Our hard work makes it all the more rewarding to stand here today and confidently proclaim that the spirit of Arizona is strong ... and so is the state of our state.

While some pundits and naysayers may try to brush aside such groundbreaking changes, we continue to lead with practical and principled initiatives that drive Arizona forward.

We must keep Arizona competitive – in our tax structure, our education systems, and our limited government – all of which are essential to a thriving economy.

Certainly, improving Arizona's business climate has been a hallmark of these past five years.

And, as thrilled as I am with everything we've accomplished on behalf of Arizona businesses, I'm equally proud of the work we've done on behalf of Arizona families.

From school choice policies that give parents the power to decide their children's education ...

To life-affirming legislation protecting the unborn ...

Together, we have pursued and protected the values most important to Arizona's families – and Arizona's future.

The historic initiatives we have enacted these past few years have been transformational.

We are NOT done – and we will remain unrelenting.

JOURNAL OF THE SENATE
Monday, January 13, 2014

Let's continue to face our challenges head-on. Now is not the time to rest on our accomplishments.

Our immediate challenge is to transform our child protection system to ensure the safety and well-being of Arizona's abused and neglected children.

I know this: All of us care ... and Arizona MUST do better.

We created the Office of Child Welfare Investigations as an instrumental first step.

Thanks to OCWI, we discovered the horrifying truth that some at CPS failed to investigate, or even respond to, thousands of reports of child abuse.

This is unconscionable!

I created the independent CARE Team – to oversee the investigation of these cases and to identify areas of concern within CPS.

I also ordered the Department of Public Safety to conduct an administrative review to determine why these cases were not investigated.

I want to report that the CARE Team is making tremendous strides. To date, nearly all of the cases have been assigned and more than 3,000 children have been seen by CPS staff or local law enforcement.

I also want to express my appreciation to Charles Flanagan, the entire CARE Team, and the CPS staff working with them, for their dedicated efforts getting eyes on these children.

But our job is far from over.

It is evident that our child welfare system is broken – impeded by years of structural and operational failures.

It breaks my heart and makes me angry!

Enough with uninvestigated reports of abuse and neglect!

Enough with the lack of transparency!

And ENOUGH with the EXCUSES!

This morning, I signed an Executive Order that abolishes CPS as we know it and establishes a new Division of Child Safety and Family Services – with its own Cabinet-level Director who reports to me.

And I've asked Charles Flanagan to serve as the director.

However, we need to go even further.

The time has come to statutorily establish a separate agency that focuses exclusively on the safety and well-being of children, and helping families in distress without jeopardizing child safety.

I call on the Legislature to work with me to codify a new permanent agency.

Child safety must be the priority and become embedded in the fabric of this new agency.

It is our legal and moral duty.

Another challenge that has confronted us for far too long – and has been a cornerstone of my career – is behavioral health.

For more than three decades, Arizona has been forced to live under court direction because we failed our Seriously Mentally ill population.

As governor, I insisted that we properly fund and fundamentally reform behavioral health into a holistic, community-based system.

I'm pleased that over the past two years, with good faith negotiations in the Arnold v. Sarn litigation, this goal was accomplished.

This win-win solution allows the seriously mentally ill to participate in society in a more meaningful way, and to receive the services and care they require and deserve.

We also introduced metrics to evaluate the system and hold it accountable.

As a result of these historic reforms, I was proud to announce last week an agreement - subject to final court approval - that will end the Arnold v. Sarn litigation, while reaffirming Arizona's commitment to a community-based behavioral health care system.

Now, let me be clear:

While this watershed agreement ends more than 30 years of litigation, it is structured so that if a future Governor or Legislature fails to live up to its terms, plaintiffs will be able to reopen the case.

This should NEVER happen. Arizona's system is working - and is now a national model.

This agreement is the result of the hard work and dedication of many devoted people.

Let me recognize one instrumental leader who showed unmatched passion and commitment to improving the lives of people with mental illness.

Charles Arnold, the original lead plaintiff in the lawsuit that bears his name, is with us today.

Charles, would you please stand so we can thank you for your perseverance on behalf of those who often cannot speak for themselves?

We also are working to create a model for states dealing with another difficult challenge:

Human trafficking traumatizes 27 million victims worldwide and targets women and children, turning many into sex slaves.

It may shock you to know that it happens right here in Arizona.

Let me tell you a story about one inspiring woman who triumphed over this modern-day slavery:

At age 16, Savannah Sanders was forced into the commercial sex industry and battled childhood rape, homelessness and drug addiction.

Thankfully, she is a survivor and a hopeful example - a loving wife and a proud mother pursuing her master's in social work at ASU.

She advocates for victims, traveling the country to promote awareness and prevention - and provide comfort and healing for fellow survivors.

Savannah shows us that there is hope, that we can stop this abuse, and that we are stronger than this evil.

This amazing woman is with us today. I'm proud of you, Savannah. Please stand and accept our gratitude for your inspirational human spirit.

Last year, I established a Human Trafficking Task Force to address this problem. Co-chaired by Cindy McCain and Gil Orrantia, the task force recommended ways to better protect victims, to increase penalties for perpetrators and to end these horrible crimes.

JOURNAL OF THE SENATE
Monday, January 13, 2014

Today, I ask you to strengthen Arizona law to give prosecutors and law enforcement more tools to combat this evil and better protect victims.

We also will launch an awareness campaign so Arizonans will know what to look for and how to report it – and victims will know how to seek help.

Further, I will create a Human Trafficking Council to coordinate efforts statewide to address this crime.

To all the victims of human trafficking out there: We have not forgotten you ... don't give up ... help is on the way.

To the criminal traffickers, I say: Your days are numbered!

I firmly believe in this great state of Arizona, in our ability to address our challenges and to be successful in pursuing tomorrow's potential.

What we are doing today will set the tone for Arizona's economy and job creation for years. Our future quality of life depends on today's decisions.

This year I am calling on the Legislature to approve a package to further boost Arizona's business competitiveness, particularly in technology and manufacturing sectors, which bring high-paying jobs.

Arizona, for example, is one of the few states that impose a sales tax on manufacturers for the power used to create their products.

That puts our current manufacturers – and ones we hope to recruit – at a disadvantage.

I'm asking you to send me legislation to eliminate this tax and increase Arizona's competitive edge!

We recognize that manufacturing is more than just an industry – it is a mighty engine of healthy job creation.

Arizona can be even more competitive. Let me give you an example.

Recently, I toured the Celgene plant in West Phoenix, which makes a drug that treats several forms of cancer.

This breakthrough life-saving drug is produced only in Arizona – and it was developed in Arizona thanks to a partnership with TGen, Scottsdale Healthcare and others.

It is this type of innovative, research-driven and idea-to-market manufacturing system that ultimately produces good jobs and a healthy economy.

To that end, it is imperative to have a stable, dedicated funding source for TGen to continue its valuable role as a catalyst in developing Arizona's bio-science industry.

Let's help Arizona develop more pipelines of innovation – connecting quality research, a stellar workforce, and competitive manufacturing from beginning to end.

For Arizona to remain competitive on all fronts, we also cannot ignore transportation, water and other infrastructure demands. These are all paramount to creating jobs, attracting capital investment and ensuring a sustainable future.

Together, we must be honest and have an open dialog about workable solutions to address these critical needs.

Of course, none of our progress toward economic prosperity will ultimately work if we do not improve our K-12 schools.

By 2018, three out of five jobs in Arizona will require post-secondary training.

Our students must be better prepared for the challenging and competitive world they will soon enter.

That means we stop funding the status quo... and instead reward innovation and measured outcomes ... and fund the results we want.

I am asking legislators to approve an ambitious and historic education proposal, which I call Student Success Funding.

Under this plan, we will reward improved student performance and we will incentivize and replicate success.

Also, reforms are needed in higher education. For example, Arizona families working hard to save enough for their kids to seek a university degree are flat-out tired of unpredictable tuition hikes.

Arizona students and families need stability and affordability in their college education.

To ensure that these twin goals are met, I am asking our Arizona Board of Regents to develop a plan and adopt a policy that guarantees stable in-state tuition levels for the four years it should take a student to graduate.

Together, we should be able to make this happen.

Students expect it. And Arizona's tax-paying parents deserve it!

Few things have a greater positive economic impact in Arizona communities than our military bases. Together they contribute more than nine billion to our economy annually – while safe-guarding our great country.

We are more prepared to help the military accomplish its diverse missions than nearly any other state. I remain committed to protecting and enhancing Arizona's military bases.

That is why I will direct the Military Affairs Commission to develop a strategic plan for sustaining their missions.

We must be ready to protect Arizona military installations if the federal government moves to close or realign more bases.

This year, I am calling on the Legislature to renew support for the Military Installation Fund.

That money will be used specifically to mitigate property encroachment and preserve military land use projects – without throwing that financial burden on private property owners.

Protecting our military is good for Arizona – and good for America.

I've been returning to the Capitol now for more than 30 years, uniting with my fellow public servants in pursuit of a shared mission: to stand up for the people we are entrusted to serve ... to keep our honor clean ... and to leave this place better – and freer – than we found it.

For little more than a century, representatives of the people have come to this Capitol, to lift it toward its prosperous destiny; to bring great fruit from this beautiful desert land; to hold our citizens safe from harm, and to provide children the knowledge, industry and character that will make and keep them free.

Great men and great women have walked these chambers, and graced these grounds with their honorable public service.

We should aspire here to rank among the best of those. For this state was built by others before us, and eventually will be left to others who will follow.

It is ours to love only for a time. May we love it wisely, and lead it well.

JOURNAL OF THE SENATE
Monday, January 13, 2014

Ten years from now – whether I run again or not – I will be working in my garden, and will look back with pride.

And if I can borrow a sentiment from Ronald Reagan, I will be uplifted knowing we weren't just marking time. We made a difference. We made this great state stronger; we made it freer; and we left her in good hands.

May God bless us in that work, and may God forever bless and protect the great State of Arizona and the United States of America.

Thank you.

MESSAGES FROM THE HOUSE

(January 13, 2014)

House unanimously adopted House Concurrent Resolution 2002

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2002

House Concurrent Resolution 2002 was introduced and read in full by Senator Tovar as follows:

Former Representative Benjamin (Ben) R. Miranda passed away on November 15, 2013 at the age of sixty-four.

Born in Texas into a large migrant farm family, Ben Miranda spent his formative years traveling across the country, harvesting crops, attending single-room schools and living in camps with up to five thousand immigrant farm workers. By the time Ben Miranda turned ten years of age, he had attended more than fifteen different elementary schools.

Eventually, Ben Miranda's family decided to settle in Arizona, first in Gila Bend and then in Phoenix, where they humbly lived in the Marcos de Niza Housing Project. After graduating from Phoenix Union High School, Ben Miranda admirably served in the Vietnam War. His heroism in battle prompted the late Senator Barry Goldwater to award him with a Bronze Star, one of the country's top military decorations for bravery, heroism and meritorious service. Having long dreamed of one day obtaining a college education, Ben Miranda decided to use his GI Bill to pay for his studies at Phoenix College and Arizona State University. After receiving his bachelor's degree, he went on to earn a juris doctorate from the Sandra Day O'Connor College of Law at Arizona State University.

Ben Miranda quickly proved to be a talented and trusted personal injury attorney, making it his goal to ensure that his clients were treated with the utmost dignity and respect. Throughout the course of his career he had many high profile clients, including activist Cesar Chavez and Ernesto Miranda from the landmark case *Miranda v. Arizona*, 384 U.S. 436 (1966).

With his election to the Arizona House of Representatives in 2002, Ben Miranda embarked on a remarkable record of public service and he ably served his constituents in this capacity until 2010, at which time his wife, Catherine, was elected to the same seat. Ben entered office at the same time as his brother, Richard, and together they were the first brothers to serve as state-level office holders. Altogether, the Mirandas have served a total of twenty-five years in the Legislature. During his tenure as a legislator, Ben was selected to be the chairman of the Arizona Latino Caucus several times. In 2007, the National Hispanic Caucus of State Legislators presented Ben Miranda with the John S. Martinez Leadership award, an honor given annually to a Hispanic legislator who exhibits outstanding achievements, passion and dedication in his or her political career.

Despite the demands of his political and professional endeavors, Ben Miranda gave freely of his time, energy and expertise to numerous civic and community organizations. He served on the governing boards of the Maricopa County Community College District, the Roosevelt Elementary School District and the Phoenix Union High School District. He also served on the boards of the Arizona Trial Lawyers Association, the American Red Cross and Valle de Sol. Dedicated to helping immigrant workers and low-income individuals get fair and equal treatment under the law, Ben Miranda served as a United Farm Workers Attorney, hosted a weekly television program on legal issues and donated many hours of free legal advice to the community. He established Proyecto Manzana, an organization with the mission of promoting citizenship for its participants, advocating for human and legal rights and encouraging participation in education and civil matters. Dedicated to improving education, he donated more than a million dollars to schools, community organizations and charities. Additionally, both he and his wife, Representative Catherine Miranda, cofounded and developed the Manzana Foundation, an organization that assists students in preparing for college. In 1994, his legacy of public service was recognized when he received the City of Phoenix's first annual Dr. Martin Luther King, Jr. "Living the Dream" award.

In all of Ben Miranda's endeavors, he distinguished himself as a loyal, astute and conscientious public servant. He was dedicated to the highest ideals of American jurisprudence, and his integrity and fairness earned him the respect and admiration of all who knew him. His record of humble service to his nation, state and community is an example for all to follow.

Dedicated to his family, Ben Miranda is survived by his wife, Representative Catherine Miranda, his two daughters and his five grandchildren.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature sincerely regret the passing of former Representative Ben Miranda and extend their deepest sympathies to his family and friends.

Senator Tovar moved that House Concurrent Resolution 2002 be unanimously adopted and that the Senate stand in a moment of silence in memory of Ben Miranda. The motion carried.

House Concurrent Resolution 2002 was signed in open session and returned to the House.

MESSAGES FROM THE HOUSE

(January 21, 2014)

House unanimously adopted House Concurrent Resolution 2006

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2006

House Concurrent Resolution 2006 was introduced and read in full by Senator Begay as follows:

A Concurrent Resolution acknowledging the leadership of the Hopi tribe and the United States Public Health Service in initiating the smoke-free movement in hospitals and workplaces.

Whereas, in October 1983, Dr. Leland L. Fairbanks of the United States Public Health Service (USPHS), with the help of Rice Leach of the Phoenix Indian Medical Center and Charles Q. North of Keams Canyon, Arizona, encouraged the Hopi Tribal Council and the Hospital Board Executive Committee of the Hopi Tribe's Keams Canyon Indian Health Service (IHS) Hospital to ban smoking at the Keams Canyon IHS Hospital, making it the first health institution in the country to enact this ban. The strong support of the Hopi and Navajo nurses who worked at the Keams Canyon IHS Hospital was instrumental in implementing this change; and

Whereas, Dr. Leland L. Fairbanks' effort to rid IHS of smoking motivated Don J. Davis, Director, IHS Portland Area Office, to convert every IHS facility in Washington, Oregon and Idaho into being smoke-free. To accomplish this goal, Don J. Davis solicited the support of the Portland Area tribes, who believed that smoking should take place only during sacred ceremonial activities. As a result of their efforts, Portland became the first totally smoke-free IHS area; and

Whereas, Surgeon General C. Everett Koop appointed Dr. Leland L. Fairbanks to his National Advisory Committee on Smoking and Health with the special assignment of transforming IHS, USPHS and Health and Human Services (HHS) into smoke-free agencies. By May 1987, all three agencies had banned smoking in their facilities. HHS Secretary Otis Bowen signed the final order that affected approximately 120,000 employees who worked in 13,000 buildings across all fifty states; and

Whereas, at the urging of Surgeon General C. Everett Koop and other health care leaders, the Joint Commission on Accreditation of Healthcare Organizations made smoke-free status a nationwide requirement for accreditation, prompting most American hospitals and clinics to ban smoking in their facilities; and

Whereas, an entire generation of nurses, hospital staff and patients has now been free of secondhand smoke in hospitals. Additionally, the smoke-free movement has spread to other public spaces such as bars, restaurants and workplaces; and

Whereas, the Hopi people's implementation of the smoking ban in the Keams Canyon IHS Hospital in 1983 was the impetus for this smoke-free movement.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature acknowledge the leadership of the Hopi Tribe and the United States Public Health Service in initiating the smoke-free movement in hospitals and workplaces.

Senator Begay moved that House Concurrent Resolution 2006 be unanimously adopted. The motion carried.

House Concurrent Resolution 2006 was signed in open session and returned to the House.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1008

Senate Resolution 1008 was introduced and read in full by Senator McComish as follows:

A Resolution supporting the strategic partnership between the United States and the Republic of Azerbaijan and the reinvigoration of United States efforts aimed at a swift and just political settlement of the Armenia-Azerbaijan Nagorno-Karabakh conflict.

Whereas, the Republic of Azerbaijan is a strategic partner of the United States of America in the strategically important South Caucasus region bordering Iran, the Russian Federation and Central Asia; and

Whereas, the United States of America and the Republic of Azerbaijan established diplomatic relations on February 28, 1992; and

Whereas, through the efforts of their Consulate General, the Republic of Azerbaijan attaches great importance to expanding its multifaceted relationships with Arizona in such fields as trade, investments, culture and education; and

Whereas, the United States and Arizona support independence, sovereignty and territorial integrity of the Republic of Azerbaijan; and

Whereas, over the past twenty years, the United States of America and the Republic of Azerbaijan expanded their partnership and developed multifaceted cooperation on issues ranging from energy security, to the fight against international terrorism, to efforts against drug and human trafficking, to nonproliferation of weapons of mass destruction; and

Whereas, the United States Secretary of State stated on June 3, 2013 that "Azerbaijan has been an important partner in Afghanistan, in ISAF, and equally important with respect to the northern distribution route but also the southern gas line and other issues that are of great importance to us"; and

Whereas, over the past decades, the Republic of Azerbaijan has succeeded in rebuilding its economy, tripling its gross domestic product (GDP) and becoming a rapidly developing member of the global economy. Accounting for 80% of the GDP of the South Caucasus region, the Republic of Azerbaijan is the United States' biggest trade partner in the South Caucasus; and

Whereas, the Republic of Azerbaijan initiated a number of strategically important trans-regional energy and transportation projects like the Baku-Tbilisi-Ceyhan oil pipeline, the Baku-Tbilisi-Erzurum gas pipeline and the Baku-Tbilisi-Kars railway, which contribute to the prosperity of both the Republic of Azerbaijan and some of our regional allies, including Turkey and Georgia; and

Whereas, despite the positive developments the Republic of Azerbaijan has been experiencing, persistent protracted conflicts in the South Caucasus, including the Armenia-Azerbaijan Nagorno-Karabakh conflict, continue to threaten regional peace and stability and impede further development of regional cooperation for the benefit of all three countries of the South Caucasus; and

Whereas, on November 2, 2008, the Republic of Azerbaijan, the Republic of Armenia and the Russian Federation adopted a joint declaration in which they stated that the political settlement of the conflict, on the basis of international law, will create favorable conditions for economic development and comprehensive cooperation in the region; and

Whereas, the United States of America, France and the Russian Federation are co-chairs of the Organization for Security and Cooperation in Europe (OSCE) Minsk Group, tasked to facilitate negotiations between the Republic of Armenia and the Republic of Azerbaijan toward a political settlement of the conflict based on the principles and norms of international law and the decisions and documents adopted by the Organization for Security and Cooperation and the applicable United Nations Security Council resolutions; and

Whereas, the international community, including the OSCE Minsk Group co-chair countries, stated on a number of occasions that they support the territorial integrity of the Republic of Azerbaijan and do not recognize Nagorno-Karabakh as an independent entity; and

Whereas, the United Nations Security Council, in its resolutions 822, 853, 874 and 884, and the international community, including NATO, the United Nations, the Organization of Islamic Cooperation and the Non-Aligned Movement, reaffirmed support for the sovereignty and territorial integrity of the Republic of Azerbaijan; and

Whereas, the resolution of the Armenia-Azerbaijan conflict will bring relief to the hundreds of thousands of Azerbaijani refugees who have been displaced because of this conflict.

Therefore

Be it resolved by the Senate of the State of Arizona:

1. That the Members of the Senate support the strategic partnership between the United States and the Republic of Azerbaijan.
2. That the Members of the Senate support the reinvigoration of United States efforts aimed at a swift and just political settlement of the Armenia-Azerbaijan Nagorno-Karabakh conflict.

Senator McComish moved that Senate Resolution 1008 be unanimously adopted. The motion carried.

Senate Resolution 1008 was signed in open session and transmitted to the Secretary of State.

PERSONAL PRIVILEGE

Senator Tovar read a Senate Recognition as follows:

Manuel "Lito" Peña, Jr.

On October 12, 2013, the community of Tolleson and the state as a whole lost a courageous and inspiring man. Manuel "Lito" Peña, Jr. was an icon. He was a champion for human rights, a community leader, and a state legislator who served with distinction for nearly 30 years. His story and accomplishments will be remembered by Arizonans for generations to come.

Lito was born on a cattle ranch in Cashion and attended school in Tolleson. He was drafted into the Army in 1945 and served as a heavy weapons specialist in Korea. After he was honorably discharged, Lito returned to Tolleson where he worked as a butcher in his father's market and then as an insurance broker.

From the day he opened his insurance business, Lito never turned away anyone who needed help. Many of his clients were farmworkers and laborers, and they would pay him using sacks of beans or fruit. It is through these interactions with the community that Lito developed a passion for politics.

In 1946, Lito organized the first voter registration drive in Tolleson. He brought people from the fields and farms in pickup trucks to help get them registered. In a town that never had more than 150 people registered to vote, Lito and his colleagues registered 750 people.

In the 1950s, Lito fought to end segregation in Tolleson following his experience attending a so-called "Mexican school." He became vice president of a group named the Comité Movimiento Unido Mexicano Contra la Discriminación, which sued the Tolleson Elementary School District and won. A federal judge ordered that the schools be open to students of all races.

Beginning in 1967, Lito served three terms in the Arizona House followed by 12 terms in the Senate representing South Phoenix. He championed working families and labor, the disabled and the homeless. Lito also fought to eliminate the sales tax on food, as he did not believe that working families and the poor should have to pay tax for a necessity of life.

Lito's advocacy for the farmworkers and underprivileged in Arizona made him a friend and confidant of Cesar Chavez. Lito also was a longtime supporter of a Martin Luther King Holiday in Arizona and a mentor to young Latino lawmakers. He was known to read every bill and his opinions on legislation were valued by members on both sides of the political aisle.

Despite Lito's many achievements, his children said they were most impressed by how much Lito loved their mother. Lito was married to his wife, Aurora Peña, for 67 years. Aurora passed away in March of last year. Lito is survived by three brothers, four daughters, three sons, 26 grandchildren, 34 great-grandchildren and five great-great-grandchildren.

In 2003, the Cartwright Elementary School District named a school in West Phoenix after Lito. He leaves a legacy of service, honor and integrity, and today we honor him as well.

THEREFORE, BE IT RESOLVED by the Senate of the State of Arizona that the Members sincerely regret the passing of Manuel "Lito" Peña, extend their deepest condolences to his family, and recognize and celebrate his many extraordinary contributions to the State of Arizona.

Dated this 5th day of February, 2014,

ANDY BIGGS
President of the Senate

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2028

House Concurrent Resolution 2028 was introduced and read in full by Senator Ward as follows:

A Concurrent Resolution proclaiming February 7, 2014 as National Wear Red Day in Arizona.

Whereas, heart disease is the number one killer of women, yet it is often preventable; and

Whereas, cardiovascular diseases cause the death of one in three women each year, killing approximately one woman every minute; and

Whereas, an estimated 43 million women in the United States are affected by cardiovascular diseases; and

Whereas, heart disease kills more women than all forms of cancer combined, but it is often undiagnosed; and

Whereas, 90% of women have one or more risk factors for developing heart disease, yet only one in five American women believe that heart disease is her greatest health threat; and

Whereas, only 24% of participants in all heart-related studies are women; and

Whereas, since 1984, more women than men have died each year from heart disease, and the survival rate gap between men and women continues to widen; and

Whereas, women are less likely to call 911 for themselves when experiencing symptoms of a heart attack than they are if someone else were having symptoms of a heart attack; and

JOURNAL OF THE SENATE
Thursday, February 6, 2014

Whereas, the American Heart Association Go Red For Women movement has been impacting the health of women for ten years. The lives of more than 627,000 women have been saved, and 330 fewer women are dying every day; and

Whereas, thousands of lives can be saved each year by increasing awareness about heart disease and empowering women to reduce their risk for cardiovascular disease; and

Whereas, in celebration of the tenth anniversary of National Wear Red Day, Go Red For Women encourages all women across America to Go Red on February 7, 2014 by wearing red and to do the following:

1. Get their numbers by asking their doctors to check their blood pressure and cholesterol.
2. Own their lifestyle by stopping smoking, losing weight, exercising and eating healthy.
3. Realize their risk by recognizing that heart disease is the cause of one in three female deaths each year.
4. Educate their families by making healthy food choices for themselves and their families and teaching their children the importance of staying active.
5. Do not be silent but rather tell every woman they know that heart disease is their number one killer.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the Members of the Legislature proclaim February 7, 2014 as National Wear Red Day in Arizona in recognition of the importance of the ongoing fight against heart disease and stroke.
2. That the Members of the Legislature encourage citizens to show their support for women and the fight against heart disease by wearing the color red in honor of National Wear Red Day in Arizona.

Senator Ward moved that House Concurrent Resolution 2028 be unanimously adopted. The motion carried.

House Concurrent Resolution 2028 was signed in open session and returned to the House.

Boy Scout of America's birthday

Celebrating the incorporation of the Boy Scouts of America on February 8, 1910

In 1909, Chicago publisher William D. Boyce lost his way in a dense London fog. A boy came to his aid and, after guiding the man, refused a tip, explaining that as a Scout he would not take a tip for doing a Good Turn. This gesture by an unknown Scout inspired a meeting with Robert Baden-Powell, the British founder of the Boy Scouts. As a result, William Boyce incorporated the Boy Scouts of America on February 8, 1910.

MESSAGES FROM THE HOUSE

(February 12, 2014)
House unanimously adopted House Concurrent Resolution 2038.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2038

House Concurrent Resolution 2038 was introduced and read in full by Senator Begay as follows:

A Concurrent Resolution on the death of the Honorable Arthur J. Hubbard, Sr.

Former Senator Arthur J. Hubbard, Sr. passed away on February 7, 2014 at the age of 102.

Mr. Hubbard was born on January 23, 1912 in Topawa, Arizona into a large Native American family. He was a member of the Diné and Tohono O'odham Nation. Raised with traditional Navajo values but also with a strong belief in the Christian faith, he was taught that each individual has a responsibility to "give back" by serving his or her community.

Dedicated to his country, Mr. Hubbard ably served in the United States Marines during World War II. After the Japanese deciphered the military code that was developed by the United States for transmitting messages, the government called on Mr. Hubbard and other members of the Navajo Nation to serve as Marine Corps Radio Operators. The Navajo Marine Corps Radio Operators, who later became known as the Navajo Code Talkers, developed a code using their language to communicate military messages in the Pacific. As a trainer, it was Mr. Hubbard's job to teach this famed Navajo code to Marine candidates. Mr. Hubbard and his fellow Navajo Code Talkers were so successful that military commanders credited the Code Talkers' code with saving the lives of countless American soldiers and the successful engagements of the American forces in the battles of Guadalcanal, Tarawa, Saipan, Iwo Jima and Okinawa.

After the war, Governor Jack Williams appointed Mr. Hubbard to serve as Director of the Indian Development District of Arizona. In 1972, Mr. Hubbard made history when he became the first Native American to be elected to the Arizona Senate. He ably served in this capacity for 12 years, during which time he worked to improve the welfare, education and health of the Arizona Native American Tribes. A tireless advocate for the rights of the Native American people, Mr. Hubbard helped bridge the divide between Native American and non-Native American communities.

Despite the demands of his political and professional endeavors, Mr. Hubbard gave freely of his time, energy and expertise to numerous community organizations and worthy causes. He served on the Annie D. Wauneka Nursing Home's Board of Directors and as a task force member of the San Xavier Community Allottee Association. Passionate about education, he played an instrumental role in establishing Diné College.

JOURNAL OF THE SENATE
Wednesday, February 12, 2014

Despite his many accomplishments, Mr. Hubbard never sought public admiration for his successes. Always displaying a quiet and dignified demeanor, his humble spirit earned him the respect of all whom he encountered.

Mr. Hubbard will be greatly missed by his family, friends and the people of the Navajo Nation.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature sincerely regret the passing of Arthur J. Hubbard, Sr. and extend their deepest sympathies to his family, friends and the people of the Navajo Nation.

Senator Begay moved that House Concurrent Resolution 2038 be unanimously adopted and that the Senate stand in a moment of silence in memory of Arthur Hubbard, Sr. The motion carried.

House Concurrent Resolution 2038 was signed in open session and returned to the House.

ADJOURNMENT

Upon motion of Senator McComish and agreed to, the Senate adjourned at 1:54 p.m. until Thursday, February 13, 2014 at 1:30 p.m.

Legislature of the State of Arizona

JOINT RECOGNITION

Whereas, throughout history, mining products have shaped the course of civilization with the earliest known copper smelting furnace created in 6000 B.C.; and

Whereas, the mining industry has significantly contributed to the high standard of living in the United States as mining materials are used to create everything from sophisticated infrastructure to common household goods; and

Whereas, the average American uses more than 47,000 pounds of mined materials each year; and

Whereas, the nation's mining industry has a \$492 billion annual impact on the economy of the United States and provides jobs for nearly 3,000,000 Americans; and

Whereas, Arizona has long been home to a number of minerals and metals, including copper, molybdenum and gold, that have helped provide an economic platform for Arizona's growth; and

Whereas, in 2011 alone, Arizona's copper industry had a \$4.6 billion impact on Arizona's economy and generated 49,800 jobs for Arizonans; and

Whereas, in 2011, Arizona produced 68% of the copper in the United States; and

Whereas, there are approximately 350 mines, quarries and aggregate plants in Arizona, the majority of which are aggregate plants that process rock into smaller pieces so that it can be used for concrete.

Therefore be it proclaimed by the Legislature of the State of Arizona: That the Members of the Legislature recognize February 14, 2014 as Arizona Mining Appreciation and Aggregates and Industrial Minerals Awareness Day and recognize the important contributions of the mining industry to Arizona's economy and standard of living.

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE RESOLUTION 1001

Senate Resolution 1001 was introduced and read in full by Senator Griffin as follows:

A Resolution on the death of Valerie Scanlan.

Valerie Scanlan passed away on September 13, 2013.

Born in Pittsburgh, Pennsylvania on October 31, 1952, Valerie Scanlan moved to California after she graduated from high school. Two years later, she met her future husband, Denny Scanlan, and thus began a forty-two-year friendship and love affair that continued for the rest of her life. Always a team, always laughing, always together in business, in Rotary, in life, they traveled the world building relationships and befriending all whom they met. The two of them decided to make Arizona their permanent home.

Committed to making the world a better place, Valerie and her husband began their lifelong Rotary service in 1989. Despite her many personal and professional obligations, Valerie gave selflessly of her time, energy and abilities to benefit Rotary. While earning her bachelor's degree in 1992, in addition to operating their security business, she served as President of the Rio Rico Rotary Club. Making a difference became her mantra. In 2001-2002, Valerie served as District Governor for Southern Arizona (District 5500) and on behalf of the district received the Global Quest Award for Membership Development in Barcelona, Spain. The district placed second that year for contributions to the Rotary Foundation, exceeding the \$200,000 goal for the first time in district history.

With her kind heart, warm personality and dynamic mind, Valerie was a key spokesperson for and representative of the Rotary Foundation. Past District Governor Valerie was selected to represent the President of Rotary International on many occasions, at district conferences around the country and at international conventions around the world. From New Orleans to Nashville, Birmingham to Bangkok, the world was her stage. Everyone she ever met was greeted with a warm smile and a firm handshake, and she would remember that person's name from then on. Valerie motivated new club presidents and instilled the spirit of service in new and veteran Rotarians.

Dedicated to her family, Valerie will be deeply missed by her husband of thirty-nine years, Denny Scanlan, brothers, Bruce Stupy (and his wife, Joanne) and Michael Stupy (and his wife, Karen), sisters, Virginia (Ginny) Cooper and Dorothy (Dodie) Brady (and her husband, Mike) and stepmother, Wanita Stupy. Also, Valerie leaves behind three stepchildren, Michael Kevin Scanlan (and his wife, Grace), Brian Patrick Scanlan (and his wife, Mindy) and Erin Kelly Barela (and her husband, Greg), fifteen grandchildren and eight great-grandchildren, all of whom she loved and enjoyed to the fullest.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate express regret at the passing of Valerie Scanlan and extend their deepest sympathies to her husband, family members and many friends.

Senator Griffin moved that Senate Resolution 1001 be unanimously adopted and that the Senate stand in a moment of silence in memory of Valerie Scanlan. The motion carried.

Senate Resolution 1001 was signed in open session and transmitted to the Secretary of State.

COMMUNICATIONS FROM THE GOVERNOR

President Biggs announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

The Governor vetoed Senate Bill 1062 with the following message:

February 26, 2014

The Honorable Andy Biggs
President of the Senate
Arizona State Senate
1700 West Washington
Phoenix, Arizona 85007

Re: Senate Bill 1062 (exercise of religion; state action)

Dear President Biggs:

The free exercise of religion is a founding principle of the United States of America. It is a key ideal that distinguishes our country as a land of liberty. This concept is so vital to freedom that Arizona's founders expressed the following in the preamble to the Arizona Constitution: "We the people of the State of Arizona, grateful to Almighty God for our liberties, do ordain this Constitution."

Senate Bill 1062 would statutorily extend to all businesses the right to assert a free exercise of religion defense in a judicial proceeding. The bill also would allow the assertion of the defense regardless of whether the government is a party to the proceeding.

The concerns raised by the proponents of this bill are not unfounded. As a result of actions taken by the Obama Administration, as well as some federal and out-of-state courts, I am increasingly concerned about government's encroachment upon our religious freedoms.

As Governor, I have worked to ensure that the State of Arizona maintain religious freedoms when there is a specific and present concern that exists in our state. I have signed into law numerous pieces of legislation designed to protect the religious freedoms of individuals and businesses, including legislation that protects the rights of religious affiliated businesses to choose not to provide contraceptive coverage or abortion-inducing drugs in their insurance plans. I have safeguarded against the use of zoning that might otherwise infringe on religious liberties and protected licensed professionals from having their licenses threatened because of the exercise of their religious beliefs. I also have made certain that insurers on the federal insurance exchange in our state could not require plans that include coverage for elective abortions.

Senate Bill 1062, however, does not seek to address a specific and present concern related to Arizona businesses. The out-of-state examples cited by proponents of the bill, while concerning, are issues not currently existing in Arizona. Furthermore, the bill is broadly worded and could result in unintended and negative consequences. The legislation seeks to protect businesses, yet the business community overwhelmingly opposes the proposed law. Moreover, some legislators that voted for the bill have reconsidered their votes and now do not want this legislation to become law.

These concerns are among the primary reasons I have vetoed Senate Bill 1062.

As we approach the month of March, I urge the Legislature to focus on the priorities I presented in my State of the State address. It is essential that we come together for a principled, fiscally prudent budget to continue Arizona's economic recovery and foster Arizona's business friendly environment. It also is imperative that we remain steadfast in our shared pursuit to effectively reform Arizona's child safety agency, including its culture and mission.

Sincerely,

/s/ Janice K. Brewer
Governor

On February 27, 2014, the Governor signed and transmitted to the Secretary of State House Bill 2196.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1023

Senate Concurrent Resolution 1023 was introduced and read in full by Senator Driggs as follows:

A Concurrent Resolution recognizing Phoenix Rotary 100 on its centennial and proclaiming March 1, 2014 as Arizona Rotary Day.

Whereas, Rotary International was founded in 1905 by Paul P. Harris when he formed the Rotary Club of Chicago; and

Whereas, Rotary International defines Rotary as "an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world"; and

Whereas, Rotary's commitment to "service above self" and the Rotary Four-Way Test have become models for community service and personal ethics worldwide; and

Whereas, Rotary International now has over 34,000 clubs with over 1.2 million members in 219 countries; and

Whereas, in January of 1914, a group of 30 Arizona businesspeople gathered in Phoenix and agreed to fund Arizona's first Rotary Club, each contributing \$10 to provide the initial funding; and

Whereas, before becoming chartered, this group of Arizona Rotary organizers had to overcome the reservations of the members of both the newly formed Phoenix Chamber of Commerce, who were concerned that the Rotary group would compete with their group for members, and Rotary's national organization, who were concerned that Phoenix did not have enough residents for a Rotary club; and

Whereas, on March 1, 1914, Arizona's first Rotary club was officially established; and

Whereas, this Rotary club was the 100th Rotary club formed and was named Phoenix Rotary 100; and

Whereas, many of Arizona's most prominent citizens have been members of Phoenix Rotary 100, including governors, mayors, members of Congress and community leaders; and

JOURNAL OF THE SENATE
Thursday, February 27, 2014

Whereas, Phoenix Rotary 100 has contributed millions of dollars and thousands of volunteer hours to local charities in its first 100 years. Among many other projects, the Phoenix Rotary 100 has packed 1 million meals for Feed My Starving Children, built the Field of Dreams recreational complex at Murphy School District, constructed a burn unit in a Mexican hospital, painted hundreds of rooms at the Phoenix UMOM homeless shelter, provided refurbished personal computers to local schools, adopted the families of the 158th Infantry Regiment of the National Guard, funded clean water wells in Kenya and supported numerous other worthy organizations, including Mission of Mercy, the Grand Canyon Boy Scout Council and the Salvation Army; and

Whereas, the Phoenix Rotary 100 was instrumental in restoring guns from the USS Arizona and the USS Missouri and having them installed as a permanent memorial at Wesley Bolin Park on the Arizona Capitol grounds; and

Whereas, March 1, 2014 marks Phoenix Rotary 100's centennial.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of Legislature recognize Phoenix Rotary 100 on its centennial and proclaim March 1, 2014 as Arizona Rotary Day.

Senator Driggs moved that Senate Concurrent Resolution 1023 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1023 was signed in open session and transmitted to the House.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1010

Senate Resolution 1010 was introduced and read in full by Senator Hobbs as follows:

A Resolution proclaiming the week of February 23, 2014 as National Eating Disorders Awareness Week.

Whereas, 30 million Americans will suffer from anorexia, bulimia or binge eating disorder at some time during their lives; and

Whereas, anorexia, bulimia and compulsive overeating are problems that are misunderstood, stigmatized, underfunded and undertreated; and

Whereas, anorexia is linked to an eighteen-fold increase in the risk of death, with up to 20% of sufferers dying of malnutrition and suicide; and

Whereas, anorexia is the psychiatric disorder with the highest mortality rate; and

Whereas, eating disorders are associated with substantial psychological problems, including depression, substance abuse and suicide, and can lead to major medical complications, including cardiac arrhythmia, cognitive impairment, certain cancers, osteoporosis, infertility, kidney failure and death; and

Whereas, eating disorders cut across race, color, gender and socioeconomic categories; and

Whereas, eating disorders are becoming more prevalent among youth, with children as young as seven years of age suffering from these disorders; and

Whereas, genetic, social and familial factors and media pressures are all known to be related to eating disorders; and

Whereas, many insurance companies disallow or limit reimbursements for eating disorders, forcing doctors to discharge patients suffering from these disorders too early and placing patients in life-threatening situations; and

Whereas, eating disorders are treatable when diagnosed and treated early and sufficiently; and

Whereas, eating disorders should be taken as seriously as the obesity epidemic and treated as the public health crisis that they have become. It is vital that treatment be provided for those suffering from eating disorders and that steps be taken to educate the public regarding all forms of eating disorders, including binge eating and extreme dieting.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate proclaim the week of February 23, 2014 as National Eating Disorders Awareness Week.

Senator Hobbs moved that Senate Resolution 1010 be unanimously adopted. The motion carried.

Senate Resolution 1010 was signed in open session and transmitted to the Secretary of State.

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE RESOLUTION 1004

Senate Resolution 1004 was introduced and read in full by Senator Griffin as follows:

A Resolution on the death of Cecil H. Miller, Jr.

Dedicated Arizona agricultural activist Cecil H. Miller, Jr. passed away on October 2, 2013 at the age of eighty-five.

Cecil H. Miller, Jr. was born on November 6, 1927 at St. Joseph's Hospital in Phoenix, Arizona. He attended Franklin Elementary School, Kenilworth Elementary School, North Phoenix High School and Texas A&M University before earning a bachelor's degree in animal husbandry from the University of Arizona in 1949. A skilled farmer and astute businessman, Cecil farmed and ran a feedlot in Tolleson, operated large cattle ranches in Cottonwood and Flagstaff and developed a diversified farming operation in the San Joaquin Valley of California.

In 1950, Cecil built a home in Tolleson, where he became actively involved in the community. He was elected president of the Tolleson Community Farm Bureau, a role that would serve as an impetus to his lifelong commitment to the American Farm Bureau Federation. Throughout his years with the Farm Bureau, he held numerous offices. Most notably, Cecil served as president of the Arizona Farm Bureau and as vice-president of the American Farm Bureau Federation. Among his many accomplishments, Cecil led a coalition to craft Arizona's Agricultural Labor Relations Act and participated in trade missions to Israel, Switzerland, Russia, Japan, Denmark and France.

Cecil was admired and respected by many, and various public officials valued his advice and expertise. He was a member of Governor Jack Williams' Land Use Study Commission and he served as one of Governor Bruce Babbitt's representatives on the Groundwater Study Commission and the Rangeland Advisory Committee. Governor Fife Symington named Cecil to the State Compensation Insurance Fund Board of Directors, where he helped design a successful group dividend program that saved Farm Bureau employers over twenty million dollars in the cost of workers' compensation insurance.

Determined to make a difference, Cecil was a leader and participant in many different groups, associations and organizations that strive to bring about positive change, including the Arizona Historical Society, the Mountain States Legal Foundation, the Theodore Roosevelt Council of the Boy Scouts and the Salt River Project. He also devoted a great deal of time to effect the delivery of water from the Colorado River into Central Arizona, and he tirelessly worked to improve trade and commerce with Mexico.

JOURNAL OF THE SENATE
Tuesday, March 25, 2014

Despite the demands of his professional and charitable obligations, Cecil enjoyed a rich and vibrant personal life. Nothing brought him more joy than spending time with his loved ones. He is survived by his four children, Deborah, Cecily, Ellen and Matthew, thirteen grandchildren and two great-grandchildren. He was predeceased by his beloved wife, Alzora, and one grandson. He will be greatly missed by his family, his friends and the people of the State of Arizona.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate express regret at the passing of Cecil H. Miller, Jr. and extend their deepest sympathies to his surviving family members and friends.

Senator Griffin moved that Senate Resolution 1004 be unanimously adopted and that the Senate stand in a moment of silence in memory of Cecil Miller. The motion carried.

Senate Resolution 1004 was signed in open session and transmitted to the Secretary of State.

House Bill 2462 was further referred to the Committee on Appropriations.

INTRODUCTION AND FIRST READING OF BILLS
 UNANIMOUS ADOPTION OF SENATE RESOLUTION 1009

Senate Resolution 1009 was introduced and read in full by Senator Griffin as follows:

A Resolution On the death of John Decker.

Clifton, Arizona Mayor John Decker passed away on November 27, 2013.

John Decker was born on January 30, 1945. A man of many talents and interests, he spent the majority of his professional years in the construction industry. Among his many accomplishments, he rehabilitated buildings in the Chase Creek Historic District and was recognized in Arizona Highways Magazine for his exemplary work. He was known as "Mr. Historic District."

Tuesday, April 1, 2014

John Decker distinguished himself as an outstanding public servant throughout his lifetime. Dedicated to his country, he admirably served in combat as a member of the United States Navy during the Vietnam War. He was a patriot and proud of being a Vietnam veteran. He loved his country.

Even before becoming mayor, John Decker gave selflessly of his time and energy to the people of Clifton. He was an active participant in the community, serving on the Clifton Town Council for many years. During his tenure as mayor, John Decker worked tirelessly to make Clifton a better place for future generations.

John was a good listener and had a good sense of humor. He was supportive of the local police department and town employees. He cared about people and his community, and he took great pride in one of Clifton's biggest annual events, the Festival of Lights.

Dedicated to his family, John Decker will be deeply missed by the love of his life, Marie, his son, Mark, his daughter, Mindi, and her husband, Dale, his stepdaughters, Donna and Karen, and Karen's husband, Justin, his stepsons, Shawn and Shane, his numerous grandchildren and great-grandchildren, his brothers, Jim, Bill and Skip, and his sisters-in-law, Trudy and Naomi. John was a husband, father, brother, grandfather, mayor, biker, builder and friend.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate express regret at the passing of John Decker and extend their deepest sympathies to his wife, family members and many friends and the people of Clifton.

Senator Griffin moved that Senate Resolution 1009 be unanimously adopted and that the Senate stand in a moment of silence in memory of John Decker. The motion carried.

Whereas, U.S. trade in services with Taiwan totaled \$17 billion in 2011, with the U.S. registering a \$4 billion surplus in services exports to Taiwan; and

Whereas, the U.S. has already concluded, or is seeking to negotiate, bilateral investment agreements (BIAs) with 9 of its top 10 trading partners, with Taiwan as the sole exception; and

Whereas, opening negotiations for a United States-Taiwan BIA will provide stronger bilateral investment ties, which will be mutually beneficial for both countries and help to attract Taiwanese investment in Arizona; and

Whereas, Governor Janice Brewer led a trade delegation to Taiwan in November 2013, which included visits to world-leading technology companies such as the Foxconn Technology Group, Taiwan Semiconductor Company and Aerospace Industrial Development Corporation, with the goal of strengthening investment ties with Arizona; and

Whereas, the Arizona Commerce Authority signed a memorandum of understanding with the Taiwan External Trade Development Council to express their willingness to bolster bilateral trade and investment between Arizona and Taiwan; and

Whereas, a BIA or Free Trade Agreement (FTA) between Taiwan and the U.S. will significantly strengthen bilateral economic relations between the two nations; and

Whereas, Taiwan's participation in the Trans-Pacific Partnership (TPP), a multilateral free trade agreement among Asian-Pacific nations including the U.S., would encourage Taiwanese firms to explore U.S. investment opportunities, especially in Arizona, leading to job creation for American workers, as well as greater market access into Taiwan and mainland China for American producers and exporters; and

Whereas, there are more than 60,000 Taiwanese Americans living in Arizona who contribute to the cultural and economic diversity of the state; and

Whereas, Arizona maintains a strong cultural and economic relationship with Taiwan since establishing sister-state relations 33 years ago and is proud to join more than 28 other states in passing resolutions supporting a United States-Taiwan BIA or FTA, Taiwan's participation in the TPP and Taiwan's participation in international organizations such as the International Civil Aviation Organization and the World Health Organization.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature support the negotiation of a United States-Taiwan BIA or FTA, Taiwan's participation in the TPP and Taiwan's participation in international organizations.
2. That the Secretary of State transmit a copy of this Resolution to the President of the United States, Members of Congress from the State of Arizona and the U.S. Trade Representative.

Senator Driggs moved that Senate Concurrent Resolution 1024 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1024 was signed in open session and transmitted to the House.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1002

Senate Resolution 1002 was introduced and read in full by Senator Griffin as follows:

A Resolution on the death of John Alan Greene.

Arizona Department of Revenue director and distinguished Arizona statesman John Alan Greene passed away on October 2, 2013 at the age of sixty-five.

John Greene spent his formative years in New York, earning a law degree from St. John's University and a master's degree from New York University before beginning his successful legal career. He quickly proved to be a talented corporate attorney, serving as in-house counsel to Manhattan Life Insurance Company, New York Life and Greyhound Leasing, and as chief counsel for Greyhound Dial Corporation.

With his election to the Arizona Senate in 1990, John Greene embarked on a remarkable record of public service. He ably served his constituents in this capacity from 1991 to 1996, including service as Senate president for two terms. During his tenure as a legislator, John Greene pushed for tort reform and worked on tax policy, criminal justice issues and victims' rights legislation. In 1997, Governor Fife Symington tapped him to serve as director of the Arizona Department of Insurance. Before Governor Jan Brewer named him as director of the Arizona Department of Revenue in 2011, John Greene also served as chairman of the State Board of Equalization and chief deputy treasurer for Maricopa County.

Despite the demands of his career, John Greene gave selflessly of his time and energy to various worthwhile endeavors. He had a compassionate spirit, an altruistic character and a contagious sense of humor. The Arizona State Bar Association presented him with the highest award for pro bono work for his efforts on behalf of the Phoenix Indian Center.

Dedicated to his family, John Greene is survived by his wife, Janice, and his two sons, Richard and Christopher. He will be deeply missed by his family, his many friends and the people of the State of Arizona.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate express regret at the passing of John Greene and extend their deepest sympathies to his family members and friends.

Senator Griffin moved that Senate Resolution 1002 be unanimously adopted and that the Senate stand in a moment of silence in memory of John Greene.

The motion carried and Senate Resolution 1002 was signed in open session and transmitted to the Secretary of State.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1012

Senate Resolution 1012 was introduced and read in full by Senator Begay as follows:

A Resolution on the death of Lorena Morgan Williams.

Lorena Morgan Williams passed away on January 18, 2014 in Fort Defiance, Arizona at the age of one hundred four.

Lorena Williams was born on January 11, 1910 in Balak'ai, Arizona. She was the matriarch of her family. She valued k'e (family) and all aspects of the Navajo/Diné culture and spirituality. She was resilient, as illustrated by the manner in which she endured the many hardships that she experienced over her 104 years of life. At a young age, Lorena Williams was forcefully removed from her home and family and sent to a boarding school. The experience was challenging, but she made the best of the situation and strived to acquire as much knowledge as possible in this foreign setting. As an adult, Lorena Williams positively reframed her experiences by incorporating and bridging aspects of the Western and Native cultures that she appreciated into her life. For example, she took up sewing, stressed the significance of structure, cooked Sunday meals and instilled the values of k'e in her loved ones by emphasizing the importance of family time.

Lorena Williams and her husband, the late Paul Williams Sr., are remembered for their role in *Williams v. Lee*, 358 U.S. 217 (1959), one of the "most important cases in the modern-era of [f]ederal Indian Law." Mr. and Mrs. Paul Williams Sr. were the petitioners in this 1959 case against a non-Indian trader. The non-Indian trader initially brought this case against the Williams family to collect goods sold for credit. Both the trial court and the Supreme Court of Arizona ruled in the non-Indian trader's favor. According to *The Independent*, the Williams family "persisted through numerous appeals in the state and federal court systems in their effort to affirm the right of Navajo self-government and to reaffirm Navajo Nation sovereignty as recognized in the Navajo Treaty of 1868." Ultimately, the Supreme Court of the United States held that the exercise of state jurisdiction in a case involving a transaction on a reservation between a non-Indian and an Indian would undermine tribal sovereignty and infringe on tribal rights.

Williams v. Lee signified the "legal resurgence of Native America in [f]ederal Indian Law and in particular, the renaissance of the Indian sovereignty doctrine, inherent tribal sovereignty." Bethany Berger, a professor at the University of Connecticut School of Law, noted that *Williams v. Lee* "created a bridge between century-old affirmations of the immunity of Indian territories from state jurisdiction and the tribal self-determination policy of the twentieth century." Additionally, Berger stated that both the case "and the policy developments that surrounded it emerged from consensus about the need for Indian equality and equal opportunity in the twentieth century, but Indian and non-Indian debate whether equality meant full assimilation and termination of the special legal status of tribes or continued respect for the ability of Indian peoples to govern themselves."

According to T. Peterson, one of Lorena Williams' grandchildren, "she was influential in shaping the era of modern federal Indian law[.] [She was involved in] *Williams v. Lee* only 11 years after full citizenship rights were granted to Indians in Arizona, despite the 14th amendment and 1924 Indian Citizenship Act. She [was] a boarding school survivor and one of the best collaborators and negotiators I [knew]."

In 2013, the Arizona State Senate honored Lorena Williams and Paul Williams Sr. with Senate Resolution 1003, which was proposed by former Senator Jack Jackson Jr. According to *The Independent*, the resolution recognized the couple for their "dedication and efforts to protect and exercise their freedom to govern themselves."

Lorena Williams is survived by two of her sons, Paul Williams Jr. and Victor Williams, and five of her daughters, Verde Lee, Dorothy Lee, Verna Peterson, Adeline Tsosie and Leona Strayhorn. She was preceded in death by her late husband Paul Williams Sr., four of her children, Wilmer Williams, Herbert Williams, Alvin Williams and Ruth Kelwood, and three of her grandchildren, Rolanda Kelwood, Adrian Williams and Rayland Kelwood. At the time of her death, she had 50 grandchildren, 90 great-grandchildren and 24 great-great-grandchildren.

Her children, grandchildren, great-grandchildren and great-great-grandchildren recall how she valued her fruit trees, gardens, animals and beadwork and the sacredness of all things being interconnected. She was strong, yet she was also compassionate and empathic. She used her own life experiences as a way to establish a solid foundation for her family, which was built on the principles of spirituality, culture and education.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate express regret at the passing of Lorena Morgan Williams and extend their deepest sympathies to her family members and friends.

The motion carried. Senate Resolution 1012 was signed in open session and transmitted to the Secretary of State.

CONFERENCE COMMITTEE REPORTS

President Biggs announced that a group motion would be made for the adoption of conference committee reports unless a Senator requested a report to be considered separately.

Senator McComish moved on behalf of the Chairmen that the Senate adopt the following conference committee reports:

Senators Biggs and Shooter, Senate conferees, and Representatives Tobin and Kavanagh, House conferees, submitted the following conference report on House Bill 2703:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senator Cajero Bedford, Senate conferee and Representative Meyer, House conferee submitted the following Minority Report:

The FY'15 budget does little to move Arizona forward or to address urgent priorities that were severely underfunded during the economic downturn. As our economy improves, we should be looking forward and addressing these critical needs:

- Full funding for Child Protective Services and Office of Child Welfare Investigations staff is needed immediately. There is no justifiable reason to wait until the Legislature convenes a special session (to address the formation of the new Department of Child Safety and Family Services) to fund these staffing positions. The Governor's Office provided sound recommendations for staffing and funding levels which are disregarded in this budget. Staffing shortages have, in part, contributed to a legacy of tragic mismanagement of our child welfare program and have put the safety of Arizona's children in jeopardy for far too long. The failure to provide full funding for child welfare staffing needs in this budget is harmful.
- Additional resources are needed to provide more low-income working families with a child care subsidy. Access to safe child care is essential for parents to work and be productive members of society. Without access to affordable child care, parents too often face the situation of putting children in risky care settings, either with older siblings or adults who may not guarantee the safety of the child. Prevention services such as the child care subsidy help reduce the neglect that can result from poverty in the home as well as unsafe child care environments. The child care subsidy is a critical way to support families that are at risk of having a child removed from the home. Unfortunately, there is no additional funding for this important prevention program in the budget.
- A significant down payment must be made on the restoration of the over \$3 billion in cuts to our K-12 education system made since 2008. We must make the needed investments today to ensure that our kids can compete for the jobs of tomorrow, and that includes funding reforms that increase accountability. In Arizona, per pupil funding remains at or near the bottom in nationwide comparisons. We must give our teachers the support and professional development they need to properly implement the new statewide academic standards that will help our students succeed and drive our economy forward. This budget continues to deny that funding, requiring local school boards to make do with the status quo as we demand they meet higher expectations. The result of this lack of funding prioritization is impacting the instruction our students need and deserve. No substantial new funding beyond the baseline amount funded in the previous year's budget is provided to traditional public schools in this budget. This amounts to essentially a cut in funding as schools are continually being asked to do more with the same funding levels.

- To allow the higher education system to continue and grow its critical role in our state's economic recovery, resources are required. We must give our universities the opportunity to expand critical research infrastructure that will attract world class researchers and innovators and further enhance our state's economic competitiveness. Appropriate funding levels for the universities helps keep tuition rates from increasing further, permitting more access to higher education opportunities for our students. The funding provided to the universities in this budget is inadequate to meet this need.

Unfortunately, this budget neglects to adequately fund Arizona's priorities. We have other choices. We must invest in our children to move Arizona forward.

For the above stated reasons, we respectfully submit this Minority Report.

Senators Biggs and Shooter, Senate conferees, and Representatives Tobin and Kavanagh, House conferees, submitted the following conference report on House Bill 2705:

That the House accept the Senate amendments with exceptions and the bill be further amended.

Senators Biggs and Shooter, Senate conferees, and Representatives Tobin and Kavanagh, House conferees, submitted the following conference report on House Bill 2708:

Senators Biggs and Shooter, Senate conferees, and Representatives Tobin and Kavanagh, House conferees, submitted the following conference report on House Bill 2711:

That the House accept the Senate amendments with exceptions and the bill be further amended.

The motion carried and the Secretary recorded the action and notified the House.

MESSAGES FROM THE HOUSE

(April 10, 2014)

House unanimously adopted House Concurrent Resolution 2040

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2040

House Concurrent Resolution 2040 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution on the death of Joseph James Lane III.

Former Speaker of the Arizona House of Representatives Joseph James Lane III passed away on March 6, 2014 at the age of seventy-eight.

Born on September 16, 1935 in Roswell, New Mexico, Joe was raised on the Lane family ranches in Arizona and New Mexico. In 1957, Joe graduated from the University of Arizona with a bachelor's degree in agriculture. After his graduation, he ably served his country in the United States Army as a First Lieutenant in the Armor Division in Killeen, Texas.

A self-proclaimed cattleman, Joe owned ranches in New Mexico, Arizona and Colorado. He spent the majority of his ranching career on the O Bar O Ranch, located in Bonita, Arizona. In 1983, he sold this ranch so that he could devote his full attention to government service in Arizona.

Joe embarked on his political career in 1978 when he won a seat in the Arizona Legislature. He served in this capacity until 1988, serving as Speaker of the House of Representatives in the 38th Legislature (1987-1988). He subsequently worked as an aide to Governors Fife Symington and Jane Hull. Additionally, Joe served as Director of the Arizona Department of Agriculture until his retirement.

Despite the demands of his work, Joe gave selflessly of his time, energy and abilities to various civic and charitable organizations. Among his many professional affiliations, Joe served as President of the Arizona Cattlegrowers Association, Chairman of the Arizona State Transportation Board and Chairman of the Arizona Chapter of the American Heart Association. In 1997, he received the University of Arizona College of Agriculture Lifetime Achievement Award, and in 2007, he was named Cattleman of the Year by the Arizona Cattlegrowers Association.

Dedicated to his family, Joe is survived by his brother and sister-in-law, Charles B. "Doc" and Patti, son and daughter-in-law, Walter and Karen, daughters, Denise and Nora, son-in-law, Phil, ten grandchildren, Dylan, Emma, Andrew, Neil, Adam, Beth, Erin, Alex, Josh and Christian, and four great-grandchildren, Emma, Kavin, Cameron and Kalie. He is also survived by his former wives, Mari and Susan.

A humble man who cared deeply about his community, state and country, Joe will be missed greatly by the many people whose lives he touched.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature sincerely regret the passing of former Speaker of the Arizona House of Representatives Joseph James Lane III and extend their deepest sympathies to his family and friends.

On April 11, 2014, the Governor signed and transmitted to the Secretary of State Senate Bills 1413, 1484, 1487, House Bills 2377, 2705, 2706, 2707, 2708, 2709 and 2711.

The Governor signed, line-item vetoed and transmitted to the Secretary of State Senate Bill 1488 and House Bill 2703 with the following messages:

April 11, 2014

The Honorable Andy Biggs
President of the Senate
Arizona Senate
1700 West Washington
Phoenix, Arizona 85007

Re: Senate Bill 1488 (K-12 education; budget reconciliation; 2014-2015)

Dear President Biggs,

Today I signed Senate Bill 1488, the K-12 Budget Reconciliation Bill for 2014-2015, while also exercising my line-item veto authority with respect to a specific appropriation.

I have line-item vetoed the following item of appropriation for the reasons outlined below:

ADE - Transfers – Accountability and Achievement Testing Program

Arizona's families and teachers deserve a state assessment that accurately measures critical thinking and problem solving abilities rather than rote memorization. The budget adds funding for Arizona's state assessment program and it would be inconsistent to redirect those same funds out of the program for an unrelated purpose.

Section 20 B., page 51, lines 19-23

I know we are all committed to preserving Arizona's economic drivers, especially education. I look forward to our continued collaboration toward this shared goal.

Sincerely,

/s/Janice K. Brewer
Governor

April 11, 2014

The Honorable Andy Tobin
Speaker of the House
Arizona House of Representatives
1700 West Washington
Phoenix, Arizona 85007

Re: House Bill 2703 (2014-2015; general appropriations)

Dear Speaker Tobin,

Today I signed House Bill 2703, the General Appropriations Act for 2014-2015, while also exercising my line-item veto authority with respect to several specific appropriations.

Overall, the budget is principled and fiscally prudent and will continue to advance Arizona's economic recovery and further foster Arizona's business friendly environment. The budget also is a significant step in the right direction for the children in our state. It funds important policy initiatives that will put more students on the path to educational success and protects Arizona's most vulnerable children.

More on child safety, however, remains to be done. On January 13, 2014, I signed an Executive Order that established a cabinet-level child safety and family services division and called for a permanent, separate agency – autonomous from the Department of Economic Security. Accordingly, I directed my staff to work with stakeholders and the Legislature in the development of legislation to do just that. That group has been working diligently for the past several months and their work continues. I look forward to partnering with the Legislature to enact that significant and historic reform in the near future.

The success of the new agency will not only require a strong administrative and operational structure, but also sufficient resources. It is imperative that we appropriate wisely and marshal available funds to accomplish this mission. I remain committed to ensuring this happens.

Specifically, I have line-item vetoed the following items of appropriation for the reasons outlined below:

A. Attorney General – Department of Law – Northern Arizona Law Enforcement

There is no specific detail provided in this bill that explains the intent of this line item or direction on how the appropriation shall be utilized.

Section 11, page 8, line 25

B. ADE – Alternative Teacher Development

There are various alternative teacher development programs currently existing in Arizona. Consequently, this appropriation would be better directed towards funding child safety reforms and programs that will protect Arizona's most vulnerable children.

Section 27, page 23, lines 32-42

C. ADE – JTED Soft Capital and Equipment

This bill appropriates \$1,000,000 from the state general fund exacerbating disparities between urban and rural JTEDs.

Section 27, Page 24, lines 20-25

D. LAN – Northern Arizona Landing Strip

It is unclear what state purpose is advanced by this appropriation. Additionally, small landing strips create liability exposure and expenses for the state, and this appropriation is likely insufficient to cover those ongoing expenses.

Section 53, page 38, line 16

E. Other – Ombudsman

This bill appropriates \$828,500 from the state general fund to the Ombudsman-citizens aide office, which is an increase of \$200,000 from last fiscal year. While the additional \$200,000 increase for FY 2015 is intended to fund caseload growth as a result of the new child safety and family services agency, it is premature to appropriate additional resources when the case load impact has not yet been determined and overall resources for the new agency are still being analyzed.

I have tasked the child safety work group to design a new agency that emphasizes transparency and accountability. In the upcoming special session on child safety, we can revisit the scope of funding for the Ombudsman-citizens aide office.

Section 54, page 39, line 7

F. ADOA – Small Scale Computing Study

ADOA-ASET has already been directed and is engaging state agencies to collect a detailed inventory of hardware and software assets. The effort to track remaining or outlying systems that have not already been identified would be very time consuming and resource intensive, with little additional information likely to be produced beyond what has already been obtained.

Section 119, page 63, lines 3-14

G. ADOA – TPT Electricity Exemption County Backfill

The bill appropriates \$1,300,000 from the state general fund to the counties to “backfill revenue loss” resulting from the enactment of Senate Bill 1413 – a bill that improves Arizona’s economic competitiveness statewide. The financial benefit of this unnecessary appropriation would be minimal as the likely distribution of funds represents a small fraction of a percent of each affected county budget. More importantly, this appropriation would have set a policy precedent that would undermine future efforts to improve the competitiveness of Arizona’s tax code.

Section 122, pages 63, lines 34-44

I know we are all committed to preserving Arizona’s economic recovery, as well as our shared pursuit to effectively reform Arizona’s child safety agency, including its culture and mission. I look forward to our continued collaboration toward these shared goals.

Sincerely,

/s/Janice K. Brewer
Governor

House unanimously adopted House Joint Resolution 2002

INTRODUCTION AND FIRST READING OF BILLS
 UNANIMOUS ADOPTION OF HOUSE JOINT RESOLUTION 2002

House Joint Resolution 2002 was introduced and read in full by Senator Farley as follows:

A Joint Resolution supporting the January 8 Memorial Foundation's efforts to create a Memorial in honor of those lost or injured during the tragedy of January 8, 2011 at a "Congress on Your Corner" event in Tucson.

Whereas, the tragedy of January 8, 2011 at a "Congress on Your Corner" event in Tucson resulted in the deaths of six individuals and injuries to thirteen others; and

Whereas, our democratic right to participate in our own governance and our ability to have our elected representatives be accessible to us and willing to listen to our concerns cannot be taken from us by violence or intimidation; and

Whereas, the bedrock principles of the freedom of speech and the right to assemble peaceably deserve to be recognized with a suitable memorial; and

Whereas, this notion led concerned community members to create the January 8 Memorial Foundation; and

Whereas, the January 8 Memorial Foundation seeks to commemorate those killed and wounded and to honor the spirit of Tucsonans who embraced unity, humanity and hope, even in the face of the collective suffering and heartbreak; and

Whereas, the people of Arizona are all connected through compassion, strength, kindness and goodwill despite our differences and recognize the shared humanity that came forth on January 8, 2011 and in the weeks and months that followed.

Therefore

Be it resolved by the Legislature of the State of Arizona:

1. That the Members of the Legislature and the Governor of the State of Arizona reaffirm the bedrock principles of American democracy and representative government, which are memorialized in the First Amendment of the Constitution and which Representative Gabrielle Giffords herself alluded to in the Hall of the House of Representatives on January 6, 2011, when she read about "the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."
2. That the Members of the Legislature and the Governor of the State of Arizona stand firm in their belief in a democracy in which all can participate and in which Americans are not silenced by intimidation or threats of violence.
3. That the Members of the Legislature and the Governor of the State of Arizona support the January 8 Memorial Foundation's efforts to create a space in El Presido Park and a portion of the ground floor of the Historic Pima County Courthouse for a memorial that will serve as a place for shared memories, honor those lost or injured and keep alive the spirit that drew the community together after the tragedy of January 8, 2011 with compassion, strength and kindness, and encourage the citizens of Arizona to work with the January 8 Memorial Foundation to realize this very worthy goal.

April 17, 2014

The Honorable Andy Tobin
Speaker of the House
Arizona House of Representatives
1700 West Washington
Phoenix, Arizona 85007

Re: House Bill 2024 (aggressive solicitation; offense)

Dear Speaker Tobin,

Today, I vetoed House Bill 2024. The bill would have established the offense of aggressive solicitation and specified a violation as a class 1 misdemeanor. It is unclear what statewide concern this legislation intends to address. Accordingly, political subdivisions are in a better position to address this issue as it applies to their local community.

These concerns are among the primary reasons I have vetoed House Bill 2024.

Sincerely,

/s/Janice K. Brewer
Governor

The Governor vetoed House Bill 2541 with the following message:

April 17, 2014

The Honorable Andy Tobin
Speaker of the House
Arizona House of Representatives
1700 West Washington
Phoenix, Arizona 85007

Re: House Bill 2541 (federal land; emergency access)

Dear Speaker Tobin,

JOURNAL OF THE SENATE
Monday, April 21, 2014

Today, I vetoed House Bill 2541. This bill purportedly would have granted state or local jurisdictions access to federal lands to respond to a declared emergency and to use equipment necessary to remedy the emergency.

There are constitutional issues with the state “granting” access to federal land. A memorandum of understanding with federal land managers would be a better approach for state and local jurisdictions to gain the needed access to federal lands in an emergency.

These concerns are among the primary reasons I have vetoed House Bill 2541.

Sincerely,

/s/Janice K. Brewer
Governor

The Governor vetoed House Bill 2611 with the following message:

April 17, 2014

The Honorable Andy Tobin
Speaker of the House
Arizona House of Representatives
1700 West Washington
Phoenix, Arizona 85007

Re: House Bill 2611 (rescue operation personnel; limited liability)

Dear Speaker Tobin,

Today, I vetoed House Bill 2611. The bill would have exempted a member of an organized search and rescue team involved in a search and rescue operation from civil liability unless the person was grossly negligent. The bill is overly broad and does not define an organized search and rescue team. Although I appreciate the intent of this bill, the broad language in the bill presents unintended consequences that cannot be overlooked.

These concerns are among the primary reasons I have vetoed House Bill 2611.

Sincerely,

/s/Janice K. Brewer
Governor

*Senator David Bradley offered the following explanation of his vote on House Bill 2565 having requested his remarks of less than 200 words be inserted in the Journal:

I respectfully oppose HB 2565. I appreciate the spirit of the legislation and what I understand is the sponsor's intent. However, I do not believe the language of the bill deals with the issue he is attempting to get at.

A constituent prompted this bill. She unfortunately lost a family member who committed suicide using information from the internet. I agree with seeking ways to prevent such tragedy, but the bill does not seem to address that.

My main concern with the bill is a person in the last stages of life who receives medicine to ameliorate pain. The medication is to address the pain, but could also cause a patient to expire more quickly.

Under the bill and current law, the provider could be charged for that. I understand that it is not the intent. I also know of assurances from prosecutors in Maricopa and Pima County that such charges would not occur. We have to hope moving forward.

In committee, I stated that these concerns would need to be addressed on the floor. I do not believe they were. Accordingly, I vote no.

Re: Senate Bill 1211 (Mexican wolf; taking; reporting)

Dear President Biggs,

Today, I vetoed Senate Bill 1211. This bill was designed to deal with the reintroduction of the Mexican wolf in Arizona. The reintroduction is being implemented under the construct of the Endangered Species Act (ESA). It is well known that I am strong supporter of states' rights; however, I believe Senate Bill 1211 is unnecessary and conflicts with federal law.

The bill would have directed the Arizona Department of Agriculture to engage in an issue that is being properly managed by the Arizona Game and Fish Department (AZGFD). The legislation also attempted to manage the Mexican wolf like other "protected" predators such as mountain lions and bears. A state simply does not have the power to allow a take on federal lands. Lastly, the bill requires the AZGFD to request information from the U.S. Fish and Wildlife Service, something the department can already do.

These concerns are among the primary reasons I have vetoed Senate Bill 1211.

Sincerely,

/s/Janice K. Brewer

Re: House Bill 2281 (leased religious property; class nine)

Dear Speaker Tobin,

Today, I vetoed House Bill 2281, which would have provided a 95% reduction in the assessed valuation of "property, buildings and fixtures that are leased to a nonprofit religious assembly or institution and that are primarily used for religious worship." While I appreciate the desire to equalize the tax treatment between religious groups that lease property and those that own property, I have several concerns.

First, since lease rates are based on market dynamics, there is no guarantee that property owners will pass this benefit on to their tenants, despite a provision in the bill that attempts to accomplish this. Second, we know from experience the administrative challenges assessors deal with to accurately classify residential rental properties. Similarly, this legislation would have significantly compounded these challenges by requiring the tracking of commercial property usage, as well as leasing categories for the anticipated religious purposes. Third, unlike the information available on the known quantity of charter schools, there is insufficient data to determine the size of the tax shift to homeowners and businesses that would have occurred as a result of this legislation.

JOURNAL OF THE SENATE
Wednesday, April 23, 2014

Our property tax classification system is one of the most complicated in the nation and continues to be one of Arizona's thorniest tax policy problems. Our nine classes of property create, by design, huge disparities and shifts in property tax burdens. Granting piecemeal relief exacerbates inequities and results in additional constituencies seeking similar treatment.

Arizona should instead engage in a rational process to determine a fair and equitable way to minimize the adverse impacts of our classification system.

These concerns are among the primary reasons I vetoed House Bill 2281.

Sincerely,

/s/Janice K. Brewer

Re: House Bill 2339 (firearms; permit holders; public places)

Dear Speaker Tobin,

Today, I vetoed House Bill 2339, which would have required public entities to provide security personnel and screening devices at each entrance into public buildings in order to limit or prohibit weapons. As you know, I vetoed similar measures in 2011 and in 2012 and the majority of my concerns were not addressed in House Bill 2339.

I am a strong proponent of the Second Amendment, and I have signed into law numerous pieces of legislation to advance and protect gun rights. However, I cannot support this measure in its proposed form.

I also am concerned about the fiscal impact of this legislation. This bill would establish an unfunded mandate on our state and local governments. It is an unnecessary diversion of limited resources.

These concerns are among the primary reasons I have vetoed House Bill 2339.

Sincerely,

Re: House Bill 2367 (AHCCCS; annual waiver submittals)

Dear Speaker Tobin,

Today, I vetoed House Bill 2367. This bill would have required AHCCCS to submit an annual waiver request to the federal government to implement a lifetime enrollment limit after five years, work requirements on specific AHCCCS enrollees, and imposes co-pay requirements on certain emergency room visits and related transportation.

As Governor, I have fought to obtain efficiencies and additional flexibility in the administration of our AHCCCS program. I am a firm believer in the importance of personal responsibility, particularly as it relates to health care. Under my leadership, we were successful in obtaining new flexibility in the provision of medical services, modernizing the AHCCCS reimbursement methodology, maximizing enrollee cost sharing, and strengthening AHCCCS program integrity. I have a record of promoting innovation in the provision of state services, including Medicaid coverage. The waiver mandated in House Bill 2367, however, would have had a negative impact on the citizens of our state and our health care delivery system.

In addition to honoring the will of the voters as expressed under Proposition 204, one of the main reasons I advanced my Medicaid Restoration Plan was to address rising uncompensated care costs. The childless adult enrollment freeze resulted in more than 150,000 childless adults losing access to healthcare coverage. As we learned during the debate over Medicaid Restoration, their medical needs did not disappear – more than 18,000 of these individuals had cancer and more than 65,000 had suffered an injury or trauma. These individuals still required care, hospitals were still required to provide care, and Arizona families and businesses were paying for it. An AHCCCS analysis showed hospital uncompensated care increased 45 percent during the first year of the freeze. The impact on Arizona families, employers and all who access health care in our state was significant.

While I share your concerns about long-term reliance on government assistance, this waiver would have brought our healthcare sector to a breaking point. Estimates show the five year lifetime enrollment limit could have meant disenrolling up to 212,664 adults, or almost half of the AHCCCS adult membership. An additional 253,571 children would lose coverage as soon as they reached their 18th birthday, as the bill makes no exception for enrollment during childhood when determining the five year limit. Although the bill includes some exceptions to the limit, it is not possible to determine precisely how many individuals fall into those exceptions. Regardless, it is clear hundreds of thousands of Arizonans would have been affected.

It is important to remember that individuals under 100 percent of the Federal Poverty Level are ineligible for tax credits on the Federal Marketplace. So, this bill effectively eliminates the ability of almost half a million Arizona citizens to obtain health care coverage. From a human perspective, the impact of so many people losing their health care right after restoring coverage for childless adults this year is troublesome, particularly because as we all know, their medical needs will still exist. From an economic perspective, we know from experience this would result in a tremendously high level of uncompensated care and destabilize Arizona's healthcare industry.

I have long said that exporting the AHCCCS model to other states and continuing our innovation and leadership on Medicaid quality and efficiency are critical to ensuring the program's long-term sustainability. To that end, I have instructed the Director of AHCCCS to continue to work toward Medicaid reform at a national level.

These concerns are the primary reasons that I have vetoed House Bill 2367.

Sincerely,

/s/Janice K. Brewer

Re: House Bill 2517 (firearms; state preemption; penalties)

Dear Speaker Tobin,

Today, I vetoed House Bill 2517, which would have required a court to declare invalid any act or ordinance that violates state laws concerning the regulation of firearms. It also would subject an elected or other government official to personal liability while in the performance of their official duties.

JOURNAL OF THE SENATE
Wednesday, April 23, 2014

A person or an organization, who perceives that an ordinance is illegal, already may seek remedies through the legal system. The bill also broadly mandates that a court make findings and take prescribed action without regard to consideration of facts. Furthermore, I am troubled by the vague and punitive provision that a person in violation of the statute is "subject to termination from employment."

These concerns are among the primary reasons I have vetoed House Bill 2517.

Sincerely,

/s/Janice K. Brewer

Re: Senate Bill 1048 (tax credits; STOs; preapproval; entities)

Dear President Biggs,

Today, I vetoed Senate Bill 1048, which would have allowed owners of an "S" corporation to claim an individual income tax credit for a corporate contribution to a school tuition organization (STO). While the spirit of this legislation is consistent with my record as a strong and long-time advocate for both private and public school choice, I have several concerns.

First, the aggregate cap on the credit continues to grow by 20 percent per year. When this tax credit was enacted in 2006, the cap was \$10 million. As a result of the automatic inflator, the cap is currently \$36 million and will exceed \$100 million in FY 2020. The cap will continue to increase each year in perpetuity. Such rapid growth in the capacity of a tax credit should occur after careful consideration by the Legislature and in relation to other tax and expenditure decisions, not by formula. Second, the bill would have allowed an owner of an "S" corporation to circumvent the caps that exist for individual contributions to STOs. Third, I am concerned that this legislation would be unnecessarily burdensome for the Department of Revenue to administer.

During my time as Governor, Arizona has made great progress in both expanding school choice and improving its tax system. I am concerned that the continued use of tax credits to achieve other policy objectives will undermine future efforts to enact broad based tax reforms.

These concerns are among the primary reasons I vetoed Senate Bill 1048.

Sincerely,

/s/Janice K. Brewer
Governor

Re: Senate Bill 1201 (autocycles; class M license; exemption)

Dear President Biggs,

Today, I vetoed Senate Bill 1201. I do not oppose adding autocycles and motorized quadricycles to the definition section of the transportation statutes. However, the bill also allows motorized quadricycles to be licensed as limousines, which allows passengers to consume alcohol in these vehicles. This visible consumption of alcohol on public streets in these open air vehicles is inconsistent with our open container and public consumption laws. Furthermore, I am concerned that these vehicles could present a public safety risk and provide little protection to the passengers, particularly if these passengers are drinking alcohol. Law enforcement agencies also have expressed concerns regarding these issues.

These concerns are among the primary reasons I have vetoed Senate Bill 1201.

Sincerely,

/s/Janice K. Brewer

Re: House Bill 2338 (aggravated assault; firearm)

Dear Speaker Tobin,

Today, I vetoed House Bill 2338, which would have established a new crime of knowingly taking control or attempting to take control of a person's lawfully possessed firearm, with the intent to use that firearm to cause harm. Current law already provides appropriate penalties for the conduct described in this legislation.

These concerns are among the primary reasons I have vetoed House Bill 2338.

Re: House Bill 2459 (state agency rulemaking; restrictions)

Dear Speaker Tobin,

Today, I vetoed House Bill 2459. This legislation would have prohibited state agencies from adopting new rules that would increase regulations on the free exercise of property rights, and limit a state agency to only adopting new or amended rules that are strictly ministerial.

When I became Governor, my first official action was to institute a rulemaking moratorium that would prevent additional burdens on Arizona's job creators. Since then, my administration has diligently and consistently sought new ways to eliminate burdensome regulatory mandates and streamline existing rules which bolster Arizona's economy.

In addition to the rules moratorium, my administration has implemented historic regulatory reform measures that have streamlined the rulemaking process, increased efficiency and service quality. Through these reforms we have unchained Arizona job creators from overburdening government regulations. Thanks to these reforms, Arizona now has more jobs, more businesses and is better positioned for sustained growth and prosperity.

While I commend the sponsor for the effort to reduce regulations, I believe this legislation would have unintended consequences negatively impacting state agencies ability to implement state law.

These concerns are among the primary reasons I have vetoed House Bill 2459.

Sincerely,

/s/Janice K. Brewer

Re: House Bill 2699 (endangered species programs; reimbursement)

Dear Speaker Tobin,

Today, I vetoed House Bill 2699. This legislation was designed to reimburse individuals that sustained losses from the U.S. Fish and Wildlife Service Mexican Wolf Recovery Program (Program).

I am concerned that this legislation directs the Arizona State Land Department (Department) to negotiate and execute land use agreements with private landowners and with the federal government for the use and diminution in value of their lands under this Program. The Department has thousands of grazing lessees, many of which are impacted by the Program. This legislation did not have an appropriation and the budget had no additional monies for the Department to cover the costs of implementing this legislation. Furthermore, there is no direct benefit for the Arizona State Land Trust beneficiaries as this is a non-Trust related function and Trust resources cannot be used.

Lastly, a state cannot compel the U.S. Fish and Wildlife Service (USFWS) to compensate the state or private landowners for losses or compel the USFWS to enter into land use agreements with private land owners. The USFWS has authority under the Endangered Species Act (ESA) to develop agreements with states and private landowners under the terms of the Act. The converse, however, is not recognized wherein the USFWS has to adhere to the dictates of a state regarding the administration of the ESA.

These concerns are among the primary reasons I have vetoed House Bill 2699.

Sincerely,

/s/Janice K. Brewer
Governor

Resignation letter from Senator Linda Lopez:

December 31st, 2013

Andy Biggs, President
Arizona State Senate
1700 W Washington, Room 205
Phoenix, AZ 85007

Dear Mr. President,

This letter is to inform you of my resignation as Arizona State Senator for Legislative District 2 effective January 13, 2014. It has been an absolute honor and privilege to serve this great state and the constituents of Legislative Districts 10, 29, and 2. I've made many wonderful friends during my 13 years of service. I've learned so much from my colleagues, from legislative and agency staff, lobbyists and most importantly from the citizens who advocate so passionately for that which is important to them. It has been an exciting and, yes, sometimes frustrating 13 years. So, it is with some sadness that I say farewell to the Senate but I leave with a great sense of excitement and joy as I am doing what is near and dear to me – helping children and families.

The years I have served at the Senate have been very special. President Biggs, Andy, I have appreciated working with you during the past year. You've always been willing to listen and give thoughtful consideration to the issues I brought to you. You modeled statesmanship even under great duress. To me, one of the most important qualities of a legislator and a leader is the ability to have "grace under fire." Unfortunately, during my tenure I have witnessed a diminution of respect for the institution and for other members of the Legislature. I hope that you and others who've maintained that important respect and regard for our legislative process and for other members can influence the rest.

"Never say goodbye because goodbye means going away and going away means forgetting."

Sincerely,

/s/LINDA LOPEZ

Re: House Bill 1366 (firearm; definition)

Dear Secretary Bennett,

Today, I vetoed Senate Bill 1366, which would have changed the existing firearm definition, thereby excluding certain weapons that could cause a serious injury or a fatality. Those weapons would then be permitted into public buildings, including courts, community corrections facilities and polling places. Law enforcement officers also would be prohibited from temporarily taking such a weapon away from someone during an interaction or an interview.

Additionally, this bill removes the “readily convertible” definition of a firearm. As a result, that could permit an individual and an accomplice to carry two pieces of a weapon into a public building. Once inside, the weapon could then be easily reassembled as a firearm.

These concerns are among the primary reasons I have vetoed Senate Bill 1366.

Sincerely,

Re: House Bill 2262 (transportation network services)

Dear Secretary Bennett,

Today, I vetoed House Bill 2262. The bill would have permitted transportation network companies (TNC) to operate in Arizona without the fundamental safeguards necessary to protect passengers, TNC drivers and the public.

Consumer safety must not be sacrificed for the sake of innovation. Under this legislation, TNCs are not required to have their drivers undergo pre-employment and random drug testing. Arizona employers have effectively used employee drug testing as a way to ensure a drug free workplace. This is a vital tool to ensure that passengers and other drivers on the road are protected from drivers operating under the influence. My Administration made it clear to all stakeholders that drug testing was an essential provision to be included in this legislation.

House Bill 2262 also created gaps in insurance coverage that resulted in a financial risk to the TNC's drivers, passengers and other motorists. The TNC drivers are using their personal vehicle for a commercial activity. Personal auto insurance policies typically exclude coverage when the vehicle is used for a commercial activity. The legislation does not require a TNC to provide commercial coverage for damage to the driver's car, coverage for injuries suffered by the driver or property damage as a result of an accident. This insurance gap leaves the TNC driver exposed to severe financial risk. In the larger context, this uncovered exposure likely would have led to significant increases in insurance rates for all Arizona consumers and unnecessary litigation.

Financial institutions that make car loans require that the borrower maintain comprehensive coverage on the vehicle at all times. These loans are secured by the car and the insurance gaps created by House Bill 2262 may cause the financial institutions to either force commercial coverage onto the borrower or immediately call the loan. Further, this legislation would have made Arizona the only state to allow commercial activity involving motor vehicles to be uninsured, and in the end, the cost of auto loans likely would have increased for all Arizonans.

Arizona welcomes the TNC industry and offers these companies a business friendly regulatory environment. This legislation, however, places Arizona citizens at risk of deficient insurance coverage, higher insurance premiums, and higher auto loan costs. It also would subject consumers to drivers who would not have been tested for drugs, unlike what is required for school bus, light rail, taxi and other public transportation drivers.

These concerns are among the primary reasons that I have vetoed House Bill 2262.

Sincerely,

/s/Janice K. Brewer

Re: House Bill 2385 (cost accounting study committee)

Dear Secretary Bennett,

Today, I vetoed House Bill 2385, which would have created a state agency cost accounting study committee. The Legislature already has the authority to create a study committee. Accordingly, this legislation is not necessary.

While I appreciate the desire to increase the efficiency of state government operations, these concerns are among the primary reasons I vetoed House Bill 2385.

Re: House Bill 2313 (capital sentencing; aggravators; serious offenses)

Dear Secretary Bennett,

Today, I vetoed House Bill 2313, which would have established in Arizona's death penalty statute an additional aggravating circumstance and expanded the list of serious offenses in determining whether to impose a sentence of death. The aggravating circumstance language is overly broad and vague. Additionally, the expansion of serious offenses contemplated in the bill does not appear necessary in light of the existing list of offenses.

The proposed additional language in the legislation broadens the scope of those eligible for the death penalty to the point where the constitutionality of Arizona's death penalty statute likely would be challenged and potentially declared to be unconstitutional. Arizona's death penalty statute has withstood constitutional challenges in both state and federal courts because it sufficiently narrows the class of individuals eligible for the death penalty.

These concerns are among the primary reasons I have vetoed House Bill 2313.

Re: House Bill 2316 (schools; local control; student privacy)

Dear Secretary Bennett,

Today, I vetoed House Bill 2316, which would have limited the authority of Arizona to set academic standards and placed important aspects of the state's education system at risk.

The language in the bill is redundant and unnecessary. Arizona's College and Career Ready Standards were not developed or mandated by the federal government. The State Board of Education, Arizona's constitutional entity charged with adopting state standards, is already required to use an open and transparent process. The Arizona Department of Education (ADE) does not mandate curricula or instructional approaches unless specifically required by law. Accordingly, it is unnecessary to pass a law that requires government agencies to follow the law.

The bill also prohibits ADE from requiring school districts and charter schools to use specific instructional approaches. Therefore, it could have likely preempted ADE from stipulating that schools teach early reading with a phonics-based emphasis, and from enforcing the requirements of the Structured English Immersion Program.

These concerns are among the primary reasons I vetoed House Bill 2316.

Sincerely,

/s/Janice K. Brewer

Re: Senate Bill 1386 (supplemental appropriation; external CPS review)

Dear Secretary Bennett,

Today, I vetoed Senate Bill 1386, which would have appropriated \$250,000 to the Arizona Department of Administration to contract with a consultant to analyze Arizona's current child safety system. While I appreciate the premise of Senate Bill 1386, the substance of the bill should be a part of the broader child safety reform discussions and considered in the upcoming special session.

Over the past five months I have intentionally engaged external experts in the reform of our child safety system. Specifically, I established an independent child welfare examination team (CARE Team) to intervene in the investigation of previously "not investigated" cases – and to examine the prior child protective services system to identify areas of concern, including consideration of personnel, operations, processes, and policies. The CARE Team completed that review and submitted comprehensive recommendations in January that are currently being implemented.

I also tasked the Arizona Department of Public Safety (DPS) with conducting an administrative review of the process that led to the over 6,500 cases that were not investigated. DPS recently completed its work and the report has further informed administrative action and reforms. Additionally, in January, I signed an Executive Order that created a cabinet-level child safety and family services division. I also called for the establishment of a stand-alone child safety and family services agency.

It is well known that my administration has been working with members of the Legislature and stakeholders to develop legislation to create the new agency. Part of that work has been interweaving accountability and transparency mechanisms into the design of a new agency, including an annual performance review by an external entity and the creation of an inspections bureau. The inspections bureau will ensure that department policies and procedures are followed by all staff in accordance with federal and state law and will provide ongoing monitoring and evaluation of the agency's programs and services in an effort to continuously improve the practices of the department.

Division of Child Safety and Family Services Director Charles Flanagan has been diligent in seeking input from community groups, stakeholders, families affected by the child welfare system, and local, state, and national subject-matter experts in the development of a new child safety and family services agency. As a result of that engagement, Director Flanagan has already begun instituting new reforms that reflect stakeholder feedback, best practices, and innovation.

Given the reality of limited resources and staff capacity, it is important to consider all the child welfare reforms comprehensively. These concerns are among the primary reasons I vetoed Senate Bill 1386.

Re: Senate Bill 1483 (county supervisors; population threshold; membership)

Dear Secretary Bennett,

Today, I vetoed Senate Bill 1483. This legislation would have modified the population threshold requirement for counties to change the number of members on the board of supervisors. Earlier today, I signed House Bill 2420, which contains identical provisions found in Senate Bill 1483, and also requires a cost estimate of each additional member to be added to the board of supervisors to be included in the election publicity pamphlet. Accordingly, signing Senate Bill 1483 would be redundant and unnecessary.

These concerns are among the primary reasons that I have vetoed Senate Bill 1483.

Re: House Bill 2564 (peace officer standards; training board)

Dear Secretary Bennett,

Today, I vetoed House Bill 2564, which would have established new thresholds for cities' population used to appoint chiefs of police to the Arizona Peace Officer Standards and Training Board. The bill creates an unexplained gap in population thresholds in differentiating the categories of large cities and small cities. It also specified that the population thresholds be determined exclusively by the 2010 decennial census.

As a strong supporter of our law enforcement community, we need to ensure that all cities in Arizona are eligible to have representation on the Board.

These concerns are among the primary reasons I have vetoed House Bill 2564.

Re: House Bill 2664 (income tax revisions)

Dear Secretary Bennett,

Today, I vetoed House Bill 2664, which would have permanently increased the maximum individual and corporate income tax deduction for the purchase of qualifying machinery and equipment from \$25,000 to \$500,000.

I have several concerns with this proposal. First, this legislation would have isolated one provision of the Internal Revenue Code (IRC) and enacted it permanently into Arizona law. This is inconsistent with the state's longstanding policy to consider each year whether to conform to the IRC in the context of other tax policy and budget considerations. Second, enacting this change would cost the state \$25 million in fiscal year 2015. It is imperative that we marshal available resources to create and appropriately fund a new child safety agency. Accordingly, the money would be better utilized to fund critical child safety functions, services and reforms.

These concerns are among the primary reasons I vetoed House Bill 2664.

Re: Senate Bill 1282 (racing omnibus)

Dear Secretary Bennett,

Today, I signed Senate Bill 1282, while also exercising my line-item veto authority with respect to a specific appropriation. This legislation will, among other things, create an alternate form of pari-mutuel wagering for horse and dog racing known as advanced deposit wagering.

Pari-mutuel wagering has been permitted in Arizona since early statehood. The bill is explicitly clear that Arizona is authorizing advanced deposit wagering and expressly prescribes that the wager must be placed over the telephone. Senate Bill 1282 does not authorize and cannot be construed as authorizing internet gaming. In fact, Section 10 of the bill specifically addresses the intent of this legislation that internet gaming is not authorized. The Department of Gaming, as well as my staff, have met and discussed this legislation with various tribal groups and associations and there is an unequivocal consensus that this bill does not impact nor cause any issue relating to the Arizona Tribal-State Gaming Compact. It is the well-established position of the State that internet gaming is not authorized in Arizona and, if pursued, the State will steadfastly and aggressively litigate any attempt to commence internet gaming in Arizona.

Specifically, I have line-item vetoed the following appropriation which would have appropriated \$1.2 million to the Arizona Breeders' Award Fund and the County Fair Racing Fund during a time when we are instead marshaling resources to fund child safety reform.

A. Arizona Breeders' Award Fund and County Fair Racing Fund

Re: House Bill 2327 (motor vehicle; definition; exclusion; insurance)

Dear Secretary Bennett,

Today, I vetoed House Bill 2327. This bill would allow insurance companies to cancel or non-renew an auto insurance policy if the vehicle is principally garaged outside of Arizona. Many Arizona residents such as students and winter visitors split their time between Arizona and other states. The legislation, as drafted, does not define "principally garaged outside Arizona." As a result, the bill enables an insurance company to determine if a vehicle is principally garaged outside of Arizona. Furthermore, the legislation may have the unintended consequence of removing important consumer protections, such as receiving proper notice of the cancellation and the right to protest a cancellation, from customers.

These concerns are among the primary reasons I vetoed House Bill 2327.

Sincerely,

/s/Janice K. Brewer

SENATE RULES

RULE 1
Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at Arms.

B. There shall be such other employees as may be authorized by the Senate. The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

RULE 2
The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the "Ayes" and then for the "Noes." If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President shall vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve during the President's absence, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time in the absence of the President and President Pro Tempore. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

RULE 3 The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

RULE 4 Sergeant at Arms

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

B. The Sergeant at Arms shall enforce the rules relating to the privileges of the floor and gallery, and perform such other duties as may be required of the Sergeant at Arms by the Senate or by the President.

RULE 5 Members

A. Every member shall be present within the Senate Chamber during its sittings, unless excused or necessarily prevented; and shall vote on each question put, unless the member has a personal financial interest in the question as set forth in Rule 30, or unless the member is excused from voting in accordance with Rule 15.

B. No Senator shall voluntarily be absent from the service of the Senate without leave of the President.

RULE 6 Questions of Privilege

Questions of privilege shall have precedence over all other questions, except motions to adjourn or recess, or the call of the Senate when no quorum is present.

RULE 7 Committees

A. Standing Committees of the Senate shall consist of the following:

1. Appropriations
2. Commerce, Energy and Military
3. Education
4. Elections
5. Finance
6. Government and Environment
7. Health and Human Services
8. Judiciary
9. Natural Resources and Rural Affairs
10. Public Safety
11. Rules
12. Transportation

B. Committees of the Senate except the Rules Committee shall have the following powers and duties:

1. The first Senator named on a committee shall be the chairman thereof; the second shall be the vice-chairman. In the absence of the chairman, the vice-chairman shall have all the powers and duties of the chairman.

2. The Ethics Committee and each standing committee shall adopt rules of procedure consistent with the rules of the Senate. Committee rules shall require that the chairman vote last on a roll call vote. Committee rules may allow the vice-chairman to vote second to last on a roll call vote.

3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. A committee chairman may add a bill, memorial or resolution to a committee agenda by distributing a revised agenda to committee members and the Secretary of the Senate by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. A petition to schedule the bill must be signed by at least two-thirds of the members of the committee.

7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a majority of committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office

of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

RULE 8 Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9
Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10
Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11
Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
Bills, Resolutions, Memorials, Engrossed
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy." Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, not less than 250 copies nor more than 3,000 copies of any bill, resolution or memorial shall be duplicated.

All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House with not less than 125 copies and the Legislative Council with 5 copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines through" If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause."

RULE 15 Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1 Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call," "roll call vote" or "recorded vote," such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefore as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

RULE 16 Order of Business

A. Unless otherwise ordered, the Senate shall convene every legislative day at 11:00 a.m., receive a prayer by the chaplain, recite the pledge of allegiance and continue in session until recess or adjournment.

B. The order of business shall be as follows:

- Roll Call
- Reading of the Journal
- Business on the President's Desk
- Petitions, Memorials, and Remonstrances
- Orders of the Day
- Introduction and First Reading of Bills
- Reference of Bills
- Second Reading of Bills
- Reports of Standing Committees
- Reports of Select Committees
- Committee of the Whole
- Report of the Committee of the Whole
- Third Reading of Bills
- Other Business of the Senate

C. The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17
Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

G. When a bill or resolution is considered in the Committee of the Whole, the only regular motions which are in order are the following:

1. To propose amendments.
2. To limit debate.
3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

RULE 18
Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 19 Journals

A. The proceedings of the Senate and of the Committee of the Whole shall be briefly and accurately stated in the Journal. Titles of all bills, resolutions and measures, and such parts as shall be affected by proposed amendments, readings, references, reports and every vote, motion and roll call, and a brief statement of the contents of each petition, memorial or paper presented to the Senate shall be entered on the Journal.

B. All confidential legislative and executive proceedings and the proceedings when sitting as a Court of Impeachment, shall be recorded in a separate book.

C. The protest or remarks of any Senator and reasons therefor shall be entered on the Journal, if presented in writing, but no protest or remarks shall exceed two hundred words in length without the consent of the Senate.

RULE 20 Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

RULE 21 Messages

A. Messages from the Governor of the State, or from the House of Representatives, may be received at any stage of proceedings, except while the Senate is dividing, or while the Journal is being read, or while the question of order or a motion to adjourn is pending.

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

RULE 22
Amendments of the House

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.
2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.
3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

RULE 23
Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.
4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

RULE 24
Parliamentary Practice and Procedure

Parliamentary practice and procedure in the Senate shall take precedence in the order listed:

1. Constitutional provisions.
2. Senate Rules.
3. Statutory rules and provisions.
4. The rules of parliamentary practice and procedure as contained in Mason's Manual of Legislative Procedure.
5. Senate customs and usages.
6. General parliamentary law.

RULE 25
Privileges of the Floor

A. Except by unanimous consent, or unless otherwise ordered by a two-thirds vote of the Senate, no person except members and officers of the Senate shall have the privileges of, or be admitted to the floor of the Senate Chamber at any time; provided, that the President may grant the privileges of the floor, subject to revocation in any instance by order of the Senate, to ex-members of the Senate, members of the House of Representatives and employees of the Senate. When the Senate is not in formal session, the President, upon application of a Senate Committee, may grant the use of the Chamber to such committee for a time certain for the purpose of holding committee hearings.

B. For the purpose of addressing the membership of the Senate while in session, the President may, upon request, approve such dignitaries as:

1. The President or past Presidents of the United States.
2. Members of the present United States Cabinet.
3. Ambassadors of or to the United States, and all present United States Senators and Congressmen.
4. The present Governor of Arizona.
5. The present Governor or Head of any other domestic or foreign state.

All other dignitaries may be introduced from the gallery or may be granted speaking time other than when the Senate is in session.

C. The main gallery shall at all times, except when the Senate is in closed executive session or the Senate or President shall order the galleries cleared, be open to the public, subject to the full observance of the rules of the Senate.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. Not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other accredited newspaper or news gathering organization.

RULE 26
Legislative Representatives

A. Any person desiring to be heard concerning legislation in behalf of any person, firm, association, organization, company or corporation shall first make application in writing to the chairman of the committee, stating the bill the person desires to present arguments upon, and whom the person represents.

B. The chairman may issue a permit which shall give such person the right to file with the committee having under consideration the bill or legislation regarding which the permit has been issued, written or printed briefs, statements or arguments. If so notified by the committee through its chairman, the person may appear before the committee in open public hearing and present arguments and testimony at the pleasure of the committee. Chairmen of committees shall, on request, give information regarding the holding of public hearings, and the time and place of the same, and committees may hold such public hearings as they desire.

RULE 27
Length of Session

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

RULE 28
Amendment of Rules; Suspension of Rules

A. The Senate Rules may be amended upon vote of the majority of the members of the Senate.

B. The Senate Rules may be suspended by a vote of a majority of the members present.

RULE 29
Code of Ethics

A. No member shall:

1. Intentionally solicit, accept or agree to accept from any source whether directly or indirectly and whether by himself or through any other person any personal financial benefit, including any gift, for himself or another upon an agreement or understanding that his vote, opinion, judgment, exercise of discretion or other action as a public official will thereby be influenced.

2. Disclose or use information designated by law as confidential in any manner prohibited by law.

3. Knowingly disclose or use, other than in the performance of his official duties, information gained as a result of his official position and which is not available to the general public, for his personal financial benefit or the financial benefit of any other person, including compensation from any employment, transaction or investment entered into that utilizes or is based upon such information.

4. Enter into any contract with a public agency for the sale of goods or services or have an interest in the profits or benefits of a contract entered into with a public agency by any other person or entity for the sale of goods or services, unless:

(a) The total gross annual income value of the contract is less than one thousand dollars, or

(b) The contract is entered into by a business of which the member, his spouse or any minor child of whom the member has custody, owns or controls, individually or combined, less than ten percent thereof, or

(c) The contract has been awarded through public and competitive bidding pursuant to law, or

(d) The subject of the contract between a member and a public agency is an appointment or employment for which an exception exists pursuant to article IV, part 2, section 4 or 5 of the Constitution of Arizona.

5. Appear for a fee on behalf of another person or entity before any public agency for the purpose of influencing such agency by use of threat to initiate or take an action in the discharge of his official duties that would be adverse to such agency.

6. Participate in any action of the Senate if the member has a substantial interest as defined in section 38-502, Arizona Revised Statutes.

B. For the purposes of this rule:

1. A member shall be deemed to “have an interest in the profits of a contract” if the contract is entered into by the member or his spouse or any minor child of whom the member has legal custody.

2. “Public agency” means all courts and any department, agency, board, commission, institution or instrumentality of this state but does not include counties, cities and towns or any other political subdivision.

3. “Business” includes any corporation, partnership, joint venture, sole proprietorship, business trust, enterprise, organization, trade, occupation or profession.

4. “Gift” includes any gratuity, special discount, favor, service, economic opportunity, loan or other benefit received without lawful consideration and not provided to members of the public at large but does not include political campaign contributions if such contributions are publicly reported as required by law.

5. “Fee” includes any compensation but does not include benefits received pursuant to law as a result of being a legislator.

RULE 30 Personal Financial Interest

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request

the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. "An action in the discharge of his official duties" means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

RULE 31 Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening authorized executive sessions.

(Senate Bill 1001 passed with the emergency.)

*Senator Ableser offered the following explanation of his vote on Senate Bill 1001 having requested his remarks of more than 200 words be inserted in the Journal:

As I contemplated and debated the merits of this policy bill I asked myself two primary questions. One does this bill protect children from the atrocities of abuse given to them by the ones they trust the most? And two does this bill address and protect families from the naiveté, ignorance, elitism, and arrogance of a young social worker who uses the power of government to strip a child unjustly away from their loving parents? I can say with unabashed confidence that there are certain measures in this bill that will protect children from abuse but not all abuse, however I can say with complete disgust that nothing in this bill protects families from a manipulative system that errs on the side of removal versus investigative facts. All that this special session is accomplishing is satiating obstinate elements of guilt amongst the executive and legislative working groups whom rushed for a compromise over sacrificing time, energy, and meddling with specks in everyone else's eyes and ignoring the enormous plank in this government's own eyes. Many will leave this special session today feeling as if something was accomplished. Many of you will forget the children who were victims of abuse from their families, as well as forgetting the children who are victims of abuse from an agency that unjustly removed them from their loving home and created a lifetime of instability and trauma. Let me be clear I believe Director Flannigan will do a standup job in his role as director. I have seen amazing case workers that perpetuate the hope for this new department. I also believe each and everyone of us truly cares about children but I want to be as equally clear in that I leave this Capitol and each day am thrust into the most agonizing life stories one could possibly imagine. I pray my colleagues that your conscience will not be clear. I pray my colleagues that your conviction will not be settled and that come January we address the underlining cause of what got this agency into such disarray in the first place. I plead with you my colleagues that in the upcoming session we will find the political capital to address the word neglect in all of its potential benefits as well as devastating ambiguities. Today I'm not presented with a choice. I know that my sentiments today will not be fully reported to encompass my angst and terror about the lack of change that this bill does. Moreover I do recognize the low hanging fruit and small and minimal positive changes that are in this bill, therefore, members, it is with much regret and it is with tremendous sadness that I vote yes on a bill and pray that all of our yeses are incomplete yeses that must be remedied come January. Thank you Mr. President.

Senate Bill 1002: An Act amending Laws 2014, chapter 4, section 1; repealing Laws 2014, chapter 18, section 26; amending Laws 2014, chapter 18, sections 118 and 140; making appropriations and budget reductions, limitations and transfers for the different departments of the state and for state institutions; providing for certain reporting requirements.

MESSAGES FROM THE HOUSE

(May 29, 2014)

House unanimously adopted House Concurrent Resolution 2001

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2001

House Concurrent Resolution 2001 was introduced and read in full by Senator McComish as follows:

A Concurrent Resolution on the death of Donald William Jansen.

Donald William Jansen passed away on March 29, 2014 at the age of sixty-five.

Don was born in Luverne, Minnesota on August 21, 1948. In 1951, his family moved to Phoenix, where he attended St. Agnes Catholic School and Brophy College Preparatory. After graduating from Arizona State University with a degree in political science, Don honorably served his country in the United States Army as a Lieutenant. Following his military service, Don was accepted into Gonzaga Law School, from which he graduated in 1975.

JOURNAL OF THE SENATE
Thursday, May 29, 2014

In 1976, Don embarked on an illustrious career with the State of Arizona that spanned almost forty years. He started his journey as an Assistant Rules Attorney for the Arizona House of Representatives, a position that he held until 1984, when he was asked to serve as Legal Counsel to the Majority Leader. He ably served in this capacity until 1986, at which time he was asked to be the Executive Director of Legislative Council. In 1993, Don accepted a position as Policy Advisor and Special Counsel to the Majority in the House. From 1997 through 2004, he served in the House in various capacities, including Counsel to the Majority, General Counsel and Counsel to the Speaker. Additionally, he served as Counsel to the House of Representatives Ethics Committee. Don attempted to retire in 2005 after thirty years of exemplary service to the State of Arizona, but was asked to resume his position as Special Counsel to the Majority, and he served in this capacity until 2008. In 2009, Don returned to the office where he started his career and served as the House Rules Attorney until earlier this year.

Don had the heart of a teacher. Each day he demonstrated his personal commitment to the Arizona Legislature and the State of Arizona by patiently sharing his considerable knowledge with members, staff and the public. He was frequently asked to address important questions of constitutional law, and he helped countless elected officials navigate some of the most difficult legal questions in state government. For nearly four decades, he performed that task with the utmost excellence and professionalism. Anyone who approached Don with a question could rely not only on his legal judgment but also on his wisdom and integrity. He understood that the men and women who went to him for guidance were in the position of making difficult decisions, and he always rose to the occasion by giving them answers that were committed to the rule of law and not swayed by the politics of the day.

Don's entire career is a testimony to his remarkable abilities. He steadfastly resisted the temptation to control policy decisions, and he respected the difference between elected policymakers and their professional staff. Over the years he amassed a wealth of experience, and he always used his matchless depth of personal knowledge for the benefit of others. Unfailingly patient in his explanations, Don was always willing to start the conversation at "square one" if necessary. As a result, generations of lawmakers and staff have been enriched in their understanding of the law, of the intricacies of state government and of the importance of each person's contribution.

Don was an expert in the field of Arizona constitutional law. In addition to his advisory role at the Legislature, he made important scholarly contributions that are tremendously valuable to the legal community and the public as a whole. Elected officials, lawyers, judges, state employees and law students will be learning from Don's work for a long time to come. His contributions to the project of governance in Arizona are deep and lasting, and they have an effect that transcends generations. He left his mark through his commitment and consistency, and his service will have an enduring impact for the good of the state he loved.

Don will be deeply missed by his loving wife, Jaqueline, his children and their spouses, Christopher and Annie, Morgan and Patty, and Madison, his grandchildren, Darrin and William, and his sister, Mary Arnold.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature express sincere regret at the passing of Donald William Jansen and extend their deepest condolences to his family members and many friends.
