GOVERNOR DOUG DUCEY
January 12, 2015

Speaker Gowan, President Biggs, House Leaders Montenegro and Meyer, Senate Leaders Yarbrough and Hobbs, Chief Justice Bales, Members of the Judiciary and Legislature, fellow Arizonans – thank you all very much, and good afternoon.

It's been quite a day in this capitol, and the highlight was your swearing in. Elective office is an honor that rarely comes easy, and I congratulate and welcome each one of you.

Whether we've served before or we are new to the place, all of us have arrived here to find serious challenges waiting on us. The test is whether we answer them in a serious way, without trying to buy time, or to sidestep obvious problems that need to be dealt with right away. Putting off problems is certainly not what I had in mind in seeking this office. And I know that each of you would say the same about the positions of trust that you hold by right.

These next few weeks, we could all use the fresh outlook of newcomers, not trapped in the old ways of thinking about state spending, taxes, public education and the role of government in general. In government, just as in business, settled assumptions are not always correct assumptions. Conventional wisdom is not always wisdom. And the political parties do not have to be hostile parties, set against one another in every case.

This, at least, will be the spirit of my administration, as I work with you in every way I know how. Naturally, I hope it will be returned in kind. I think we'll all find that the best achievements are shared achievements. A week into this job, I won't press the case that the state of the state is any better than it was last Monday. But I can tell you this for sure: If you and I can see our way clear to those kinds of shared achievements, the people of Arizona will do the rest, and the state of our state will be confident, strong and rising.

But we can't do it without fiscal responsibility. In real life, when families or businesses take stock of how they're doing, the answer has a lot to do with the state of their finances. Well, it works the same in government. And turning to our state's checkbook, we start with the number one billion. In dollars, that would be the difference between spending and revenue if we were to do nothing about it these next two years.

Now maybe I'm of the old school of economics, but this strikes me as a problem. And I am just not persuaded by appeals to raise taxes so that we can spend more. I look at it this way: If the problem is spending more than we have, the solution cannot be even more spending. Instead of demanding more revenue from the people, I suggest we demand more fiscal responsibility from our government.

So, with all the care and debate the people expect of us, and with as little delay or complaint as possible, let's put this budget in balance – and let's keep it there.

This Friday, just in time for some weekend reading, I will deliver my budget, on flash drives to every member of this Legislature. It's my best effort to deal with a tough situation. Just as I promised in last year's election, my team and I gave a thorough look to current state expenditures. In reviewing some items, we asked questions that hadn't been asked in a while – questions like, "Why does the state of Arizona need an office and a paid lobbyist in Washington, D.C.?" The short answer is, we don't. So that office and all its expenses will soon be gone, and there will be at least one less lobbyist in Washington.

But we didn't stop there. To balance the books, we're going to institute a state government hiring freeze – with protections for vital areas, like public safety and child safety. However, when it comes to bureaucracy, we're cutting back. The government can't take on any new expenses when we can't afford the ones we already have.

Our budget does what budgets are supposed to do. It prioritizes vital commitments that Arizonans value the most – public safety, justice, classrooms, and aid to the needy and vulnerable. My budget doesn't just give the appearance of spending discipline. It offers the reality of spending discipline – with decisions that are timely, real and permanent.

And to that end, I propose this: Our state needs an unbiased inspector general mandated to find more areas of savings – and where corruption exists, shine a light on it. This public advocate would be equipped with a badge and subpoena power to go in, ask the tough questions and be a watchdog for the taxpayers. I want to work with you – the Legislature – to make this happen.

With a tight budget we've all heard the calls these past few weeks to just go ahead and raise taxes, now that we're all safely in office. In this case, as the argument goes, it would be relatively easy because all we'd have to do is cancel all or some of the tax reforms that are currently taking effect. They were passed in a previous Legislature, after all, and circumstances have changed, so let's just renege on our commitment.

Any way you look at it, cancelling Arizona's tax reforms is the wrong way to go. They were designed to put more life in our economy and that need is stronger than ever. Business people – the ones we count on to create jobs – have been making plans around them, plans to build, expand and make new hires. If we change our plans, they'll change theirs. It's a high price to pay for going back on your word and that is why I say: Not on our watch.

Another essential of good government are tax rates that are predictable and reasonable. Yet every year, Arizona taxpayers are faced with the threat of a tax increase because we don't tie our income tax to inflation. The result is an automatic tax increase. Let's end this by permanently indexing our income tax to inflation. This is an issue of fairness and we owe better to all Arizonans – so let's get it done this session.

In all that we do this year at this capitol, let's think big. And let's remember this: The business at hand is not to expand Arizona's government – it is to expand Arizona's economy.

By some measures, our economy has been growing, but not nearly at levels we know we can reach. And it's not just overall performance, either – we want the kind of growth and opportunity that reaches everyone.

Last week, I signed an order placing a moratorium on new regulations in the executive branch. It was a good beginning, but only a beginning.

There is also the matter of many state regulations already in place, often for reasons that nobody even remembers. Our small businesses have to deal with all these little rules all the time, just because they're on the books and nobody's bothered to change them.

I'm instructing the directors of every agency to conduct a top-to-bottom review of regulations, and then to send me a list of all the ones we can do without. It's likely to be a long list. Wherever we find any regulation that is outdated, irrational, unfair, or destructive to free and honest enterprise in Arizona – that regulation will be gone.

While they're at it, agency directors will also be reducing timeframes for permits and licenses. Our government needs to operate at the speed of business. And we have a Regulatory Review Council that's stacked with lobbyists? Who's advocating for the small business person, the startup, the entrepreneur who can't afford an attorney to navigate the endless maze of bureaucracy? I ask that you pass a bill requiring a small business owner on that Council and I'll sign it.

You'll have my full attention when you send me any bill that has the purpose of advancing free enterprise and spreading opportunity. When that's the aim, there is always more to do. I am frankly not impressed at all when I read that Arizona is still the tenth, or the fifteenth, or whatever, best place in America for finding work or doing business. In the competition among states our goal is not to be lost in the pack, somewhere between California and Texas. Our goal in Arizona is to be the best place in America to work and do business.

That same thinking should apply to education. In Arizona public schools, we can do better.

A snapshot of Arizona public education came in a survey a few years ago. It measured some basic knowledge among students, on matters where knowledge should be assumed. It was an elementary civics test, along the lines of the test required of every new citizen. And when 96 percent of our kids could not pass, you know something is missing.

Justice Sandra Day O'Connor has called this the "quiet crisis in education." President Reagan told us, "If we forget what we did, we won't know who we are." And John Adams had it right too, remarking that every child in this country should be "instructed in the principles of freedom."

To appreciate all this wisdom, however, it helps to know who Justice O'Connor, President Reagan and John Adams are. But for too many of our kids, those names sadly don't ring a bell.

This is an issue that can and should unite us. These are our children, and not long from now, it will be for them to vote on who sits in your chairs and who stands at this podium. How can we expect them to protect the principles on which this country was founded, if we are not preparing them for that task right now?

It's time to make this right and there's a bipartisan bill – the American Civics Bill. Send it to my desk, and I'll sign it immediately.

It's also time to take charge of our public schools and take responsibility for their results.

For too long, the federal government has forced a one-size-fits-all model on our education system. Politicians and bureaucrats on the other side of the country, with no understanding of our state or the needs of our teachers and students, have sought to impose their standards and their will on our youth.

In Arizona, educational excellence is a priority. For the next four years, I intend to lead under a "Classrooms First Initiative." Our goal is simple: To improve outcomes in the classroom for all our children. That's why I propose to spend not less in the classroom than last year, but more.

Right now we spend far too much on administrative costs – on overhead – and that's got to change. So this morning, I signed an executive order assembling a team of education and finance professionals charged with scrubbing every dollar in every formula in statute in order to identify ways to get maximum dollars into the classroom, where it can do the most good for our children.

We know where education happens, between a teacher and a student. In my administration, we will honor teachers and the good work they do.

Many teachers will agree with me on this, the quality of a child's education should not be determined by what neighborhood their parents can afford to live in.

JOURNAL OF THE SENATE
Monday, January 12, 2015

Our state has some great public schools, among the best in America, but unfortunately because of yesterday's policies, many families are shut out. They sit and wait, as their sons and daughters get another year older and their dreams of providing them with the best public education possible slip farther and farther away.

This has gone on too long; I will not accept this inequality.

How many Arizona children should have equal access to our best public schools? My answer is – all of them.

Here's what makes the situation even more troubling: Right now, there are nearly 400,000 empty seats in our public school system. In fact, some public schools are completely vacant. These are educational assets, funded by the taxpayer, meant to benefit our children, and they are going to waste. It's time to put these assets back to work.

So here's the plan: Let's make open enrollment and parental choice a reality and not just a talking point. Let's open the doors and make those empty seats available to our best public schools.

By creating what I call the "Arizona Public School Achievement District," we can give our state's best public schools – quality schools that are at capacity or have waiting lists – new and innovative options.

These public schools would have the ability to apply for use of the empty schools and empty classrooms, so we can put those kids where they belong – in the public school of their parent's choice.

We also need to make capital available to our public schools that are ready to expand.

My budget will reserve resources that our best public schools can borrow against to bring down their debt service costs. And half the projects funded will be in low income communities. Every dollar not spent on debt service can go to more classrooms, more teachers, more students getting the education they deserve, regardless of where they live.

For consistently underperforming schools, it's time for a change in management. First rate public school superintendents, principals, teachers and operators make the difference. They are the ones who give our kids a shot at a real education. So when local control intended to benefit children, turns into organized chaos to protect bureaucrats, expect a united Legislature and chief executive to make a change.

Looming over all our discussions about education is a court order demanding payment of money we don't have.

Here's the short of it, elected leaders acted in good faith during the Great Recession to keep statutory commitments to education, while also keeping this state afloat. And now the courts have given us a choice – between a fiscal crisis or a constitutional crisis.

So I say, to you – the Legislature: Settle this lawsuit.

To the education community: Be reasonable – and put this behind us.

It's time to stop paying lawyers and start paying teachers.

And Attorney General Brnovich: Dust off your dictionary and help us out here. The words of the statute are clear. "And" means "and;" "Or" means "or."

Of course, improving the lives of Arizona children can't and won't end when they leave the classroom. Too many of our kids find themselves in difficult family situations because their dads aren't being dads.

So guys, I've got a message for all of you out there: Wherever the authorities know of a deadbeat dad in Arizona – find him and hold him to his responsibilities with the full force of law. If you are old enough to father a child in Arizona, you're old enough to assume financial responsibility for that child.

For single moms being stiffed by deadbeat dads, you need to know: “We’re on your side and help is on the way.”

With all our renewed focus on opportunity in Arizona, it’s worth remembering that the best of these can be opportunities to serve.

In November, I launched an effort during the holiday season called “Serving Arizona” to highlight volunteer and charitable efforts throughout our state. Visit these food banks and shelters and you’ll see first-hand those who are struggling the most in our communities. You’ll also see the best of our state – people taking a little bit of time out of their busy days to help those most in need. Maybe it’s serving lunches. Maybe it’s packing food baskets. Maybe it’s reading to a child. Whatever it is, these selfless Arizonans are an example for those of us elected to represent them.

Christmas season has come and gone, but Serving Arizona has not. Giving more to charities close to our heart is always a good thing, but there is nothing like giving your time, and I hope with this effort to encourage that spirit.

Our state isn’t without its challenges, but we have the leadership to reach our full potential. And I’m not just talking about here in this capitol. I’m talking about the leadership of all Arizonans. The mom who’s doing everything she can to make sure her children have opportunities she didn’t. The entrepreneur who is risking everything she’s got to chase her dreams and the teacher who will stay late tonight to help tutor one of his students. It’s about all of us. All Arizonans have a stake in making this state the best place in America.

In less than a month, our state will host the Super Bowl for its third time. As a sports fan, I’m pretty excited. I know you are too. It’s a prime opportunity to showcase Arizona to the rest of the country. It’s a chance for everyone in the world to know what we know – that Arizona is the place to be.

Members of the Legislature, I’m grateful for this chance we have to do good for our state. This is why the people sent us here. So let politics stand down for a while. Let future elections wait their turn. Let’s give our best for Arizona. It’s time to get to work.

Thank you and God Bless.

MESSAGES FROM THE HOUSE

(January 14, 2015)

House unanimously adopted House Concurrent Resolution 2011

INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2011

House Concurrent Resolution 2011 was introduced and read in full by Senator Begay as follows:

A Concurrent Resolution on the death of former Representative Dr. Lloyd L. House.

Former Representative Dr. Lloyd L. House passed away on January 2, 2015 at the age of eighty-three.

Born in Winslow, Arizona on October 24, 1931, Dr. House graduated from college in 1958 with a degree in education. In 1971, he returned to school and earned a master's degree and a doctorate in philosophy in Higher Education and Business Administration. He studied to be a college president and worked as Dean of Instruction for Navajo Community College (Diné College), the subject of his dissertation.

Dr. House was the first Native American to run for and be elected to the Arizona State Legislature. He won his election in 1966, and for two years he ably served his constituents as a Representative advocating on behalf of the Navajo Nation and all American Indians. During his short but distinguished service in the Legislature, he earned the respect and admiration of his peers on both sides of the political aisle.

Dedicated to his country, Dr. House served in the United States Marine Corps from 1950 to 1954 during the Korean conflict. While serving in the Marines, he won the title of Welter Weight All Service Boxing Champion. He also served in the United States Air Force Reserves. After retiring from military service, he was named National Deputy Chief of Staff of the Veterans of Foreign Wars on October 18, 1962 and was a commander for many years in Window Rock, Arizona.

Dr. House was a Code Talker, and he tirelessly advocated for his fellow Navajo Code Talkers throughout his lifetime. He was instrumental in having the Navajo Code Talkers honored at the Fourth Marine Division Association's annual convention in Chicago in 1969 and in designing and creating a medal to commemorate their service to the United States in 1983.

JOURNAL OF THE SENATE
Wednesday, January 14, 2015

Dr. House served as a field representative for the Social Security Administration's district office in Prescott. In this capacity, he served the American Indian people in ninety-two different chapter houses throughout the Navajo and Hopi reservations by helping individuals in these regions apply for social security cards and benefits. Many of those whom he assisted were widows whose husbands passed away during their service in the military. Dr. House also wrote and illustrated a Social Security Administration pamphlet for Navajos with pertinent information concerning social security and its benefits entitled "Hosteen Nez Gets a Social Security Card," which was the first federal publication to be translated into an American Indian language.

Despite the demands of his work, Dr. House gave selflessly of his time, energy and abilities to various civic and professional organizations. He served as a consulting reference on Native American tribes, customs and cultures for the Smithsonian Institution, he was a lifetime member of both the National Congress of American Indians and the Veterans of Foreign Wars, he was a member of the American Indian Educational Association and he was named Chairman of the Navajo Service Chapter of the American Red Cross in 1967. Dr. House was also listed as an authority on Native American Tribes, Customs & Cultures by the Thomas Jefferson Forum, named Who's Who in American Politics, recognized for his outstanding service during Operation Navajo in 1967, named in Community Leaders and Noteworthy Americans, Indians of Today and the Encyclopedia of American Indians, and made an honorary member of the Alabama State Militia by Alabama Governor Brewer in 1970.

In all of Dr. Lloyd L. House's endeavors, he distinguished himself as a tireless, hardworking and conscientious public servant. His record of unwavering service to our nation, state and community is an example for all to follow.

Dedicated to his family, Dr. House is survived by his wife of 62 years, Victoria M. House of Surprise, Arizona, three daughters Josephine Obermayr of Santa Rosa, California, Electa Goldtooth of Winslow, Arizona and Margaret Lynch of Window Rock, Arizona, son Lloyd L. House, II of Orange, California, five grandchildren and seven great grandchildren.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature sincerely regret the passing of the first Native American legislator in the State of Arizona, Dr. Lloyd L. House, and extend their deepest sympathies to his family and friends.

Senator Begay moved that House Concurrent Resolution 2011 be unanimously adopted and that the Senate stand in a moment of silence in memory of Lloyd L. House. The motion carried.

House Concurrent Resolution 2011 was signed in open session and returned to the House.

PERSONAL PRIVILEGE

Senator Lesko read information on the *Roe v. Wade* Anniversary as follows:

Members, in 2011, the State House and Senate passed Concurrent Resolution 2034 to recognize the life-saving work of Pregnancy Resource Centers throughout the state that are helping women find alternatives to abortion, and the support needed to choose life.

On this solemn anniversary of the Supreme Court's *Roe v. Wade* decision, I want to read a passage from that resolution to show my gratitude to the often-thankless work these organizations do.

"Whereas, the life-affirming impact of pregnancy care centers on the women, men, children and communities they serve is considerable and growing; and

Whereas, pregnancy care centers serve women in Arizona and across the United States with integrity and compassion; and

Whereas, pregnancy care centers encourage women to make positive life choices by equipping them with complete and accurate information regarding their pregnancy options and the development of their preborn children; and

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the members of the Legislature strongly support pregnancy care centers in their unique, positive contributions to the individual lives of women, men and babies, both born and unborn.
2. That the Members of the Legislature commend the compassionate work of thousands of volunteers and paid staff at pregnancy care centers in Arizona and across the United States.
3. That the Members of the Legislature disapprove of the actions of any national, state or local group attempting to prevent pregnancy care centers from effectively serving women and men facing unplanned pregnancies."

Thank you members, and all of the pregnancy care centers throughout the state.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1006

Senate Concurrent Resolution 1006 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution commending Cochise College on its fiftieth anniversary.

Whereas, it is with great honor that the State of Arizona celebrates Cochise College's fiftieth anniversary; and

Whereas, Cochise College was established in 1961 by a vote of Cochise County citizens and opened its doors to students on September 21, 1964 as one of the first community colleges in Arizona; and

Whereas, with the opening of Cochise College, higher education became accessible and brought new hope and opportunity to the people of Cochise County during a time of profound social change; and

Whereas, over the course of half a century, Cochise College has served as a resource for local employers and a catalyst for economic mobility by awarding thousands of degrees and certificates to students in Cochise County and beyond and by helping individuals improve their skills or prepare for advanced degrees; and

Whereas, the level of education of Cochise County citizens is reflected in its quality of life; and

Whereas, through the unwavering commitment of its governing board, administration, faculty and staff, Cochise College has maintained the student-centered focus so often identified by alumni as the quality that most memorably defined their community college experience; and

Whereas, with campuses in Douglas and Sierra Vista, a virtual campus, and centers in Benson, Willcox, Nogales and Fort Huachuca, Cochise College is committed to making education accessible to citizens throughout Southern Arizona; and

Whereas, Cochise College provides high-quality associate-level education, professional development and workforce training to about 14,000 students each year; and

Whereas, in 2014, Cochise College celebrated five decades of providing accessible educational opportunities that are responsive to a diverse population and that lead to constructive citizenship, meaningful careers and lifelong learning.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature commend Cochise College for remaining both a top local employer and a center of knowledge and ideas where student success and completion are top priorities and proudly join in celebrating its fiftieth anniversary.

 UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1007

Senate Concurrent Resolution 1007 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution proclaiming September 2015 as General Aviation Appreciation Month in Arizona.

Whereas, general aviation airports play a vital role in Arizona's economy, serving as key economic assets and important links within the national air transportation system; and

Whereas, Arizona has a significant interest in the continued vitality and health of general aviation, aviation organizations and airport operators; and

Whereas, Arizona is home to 83 airports, which serve 17,986 licensed pilots in the state and about 6,561 general aviation aircraft; and

Whereas, Arizona ranks fifth in the United States in active aircraft and twelfth in the number of aircraft per capita according to Federal Aviation Administration data; and

Whereas, Arizona's general aviation airports contribute nearly \$609 million in economic impact and create 6,900 jobs; and

Whereas, many communities in Arizona depend on general aviation airports for the continued flow of commerce, tourists and visitors to the state; and

Whereas, general aviation contributes significantly to Arizona's economy and is a key link for Arizona to the global marketplace, facilitating local, national and international commerce as well as supporting the state's tourism industry.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature acknowledge the vital role aviation plays in this state and proclaim the month of September 2015 as General Aviation Appreciation Month in Arizona.

Senator Griffin moved that Senator Concurrent Resolution 1007 be unanimously adopted. The motion carried.

UNANIMOUS ADOPTION OF SENATE RESOLUTION 1003

Senate Resolution 1003 was introduced and read in full by Senator Hobbs as follows:

A Resolution proclaiming the week of February 22, 2015 as National Eating Disorders Awareness Week in Arizona.

Whereas, 30 million Americans will suffer from anorexia, bulimia or binge eating disorder at some time during their lives; and

Whereas, anorexia, bulimia and compulsive overeating are problems that are misunderstood, stigmatized, underfunded and undertreated; and

Whereas, anorexia is linked to an eighteen-fold increase in the risk of death, with up to 20% of sufferers dying of malnutrition and suicide; and

Whereas, anorexia is the psychiatric disorder with the highest mortality rate; and

Whereas, eating disorders are associated with substantial psychological problems, including depression, substance abuse and suicide, and can lead to major medical complications, including cardiac arrhythmia, cognitive impairment, certain cancers, osteoporosis, infertility, kidney failure and death; and

Whereas, eating disorders cut across race, color, gender and socioeconomic categories; and

Whereas, eating disorders are becoming more prevalent among youth, with children as young as seven years of age suffering from these disorders; and

Whereas, genetic, social and familial factors and media pressures are all known to be related to eating disorders; and

Whereas, many insurance companies disallow or limit reimbursements for eating disorders, forcing doctors to discharge patients suffering from these disorders too early and placing patients in life-threatening situations; and

Whereas, eating disorders are treatable when diagnosed and treated early and sufficiently; and

Whereas, eating disorders should be taken as seriously as the obesity epidemic and treated as the public health crisis that they have become. It is vital that treatment be provided for those suffering from eating disorders and that steps be taken to educate the public regarding all forms of eating disorders, including binge eating and extreme dieting.

Therefore

Be it resolved by the Senate of the State of Arizona:

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1019

Senate Concurrent Resolution 1019 was introduced and read in full by Senator Griffin as follows:

A Concurrent Resolution Commending the nation of Israel for its cordial and mutually beneficial relationship with the United States and with the State of Arizona.

Whereas, Israel has been granted her land under and through the oldest recorded deed, as recorded in the Old Testament, scripture that is held sacred and revered by Jews and Christians alike, the acts and words of God; and

Whereas, the claim and presence of the Jewish people in Israel has remained constant throughout the past 4,000 years of history; and

Whereas, the legal basis for the establishment of the modern State of Israel was a binding act of international law established in the San Remo Resolution, which was unanimously adopted by the League of Nations in 1922 and subsequently affirmed by both houses of the United States Congress; and

Whereas, this resolution affirmed the establishment of a national home for the Jewish people in the historical region of the Land of Israel, including the areas of Judea, Samaria and Jerusalem; and

Whereas, Article 80 of the United Nations Charter recognized the continued validity of the rights granted to states or peoples that already existed under international instruments, and, therefore, the 1922 League of Nations resolution remains valid and the 650,000 Jews currently residing in the areas of Judea, Samaria and eastern Jerusalem reside there legitimately; and

Whereas, Israel declared its independence and self-governance on May 14, 1948, with the goal of reestablishing its God-given and legally recognized land as a homeland for the Jewish people; and

Whereas, the United States, as the first country to recognize Israel as an independent nation and as Israel's principal ally, has enjoyed a close and mutually beneficial relationship with Israel and her people; and

Whereas, Israel is the greatest friend and ally of the United States in the Middle East, and the values of our two nations are so intertwined that it is impossible to separate one from the other; and

Whereas, there are those in the Middle East who have continually sought to destroy Israel from the time of its inception as a state, and those same enemies of Israel also hate and seek to destroy the United States; and

Whereas, the State of Arizona and Israel have enjoyed cordial and mutually beneficial relations since 1948, a friendship that continues to strengthen with each passing year; and

Whereas, Israeli Prime Minister Benjamin Netanyahu spoke before a joint session of Congress on March 3, 2015 and urged the United States to stand with Israel to "stop Iran's march of conquest, subjugation and terror" and warned the United States that an emerging nuclear agreement with Iran "paves Iran's path to the bomb."

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

1. That the Members of the Legislature commend Israel for its cordial and mutually beneficial relationship with the United States and with the State of Arizona and support Israel as a Jewish state in its legal, historical, moral and God-given right of self-governance and self-defense on the entirety of its own lands, recognizing that Israel is not an occupier of the lands of others and that peace can be afforded in the region only through a whole and united Israel.
2. That the Secretary of State transmit copies of this Resolution to the President of the United States, each member of Congress from the State of Arizona and the Governor of the State of Arizona.

Senator Griffin moved that Senate Concurrent Resolution 1019 be unanimously adopted. The motion carried.

Senate Concurrent Resolution 1019 was signed in open session and transmitted to the House.

MESSAGES FROM THE HOUSE

(March 18, 2015)

House unanimously adopted House Concurrent Resolution 2039

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2039

House Concurrent Resolution 2039 was introduced and read in full by Senator Dalessandro as follows:

A Concurrent Resolution on the death of Colonel Bill Badger.

Colonel Bill Badger passed away on March 11, 2015 at the age of seventy-eight.

Originally from South Dakota, Colonel Badger joined the National Guard as a high school junior and went on to enjoy a long, distinguished career as a United States Army and Guard aviator for thirty-seven years. A true patriot who served his country with honor and dignity, he served as Chief of the National Guard Bureau's Aviation Division at the Pentagon. Among his many professional accomplishments, he established the only two United States-based attack helicopter training sites: the Eastern Army Aviation Training Site in Pennsylvania and the Western Army Aviation Training Site in Marana, Arizona. Colonel Badger and his wife, Sallie, moved to Arizona in 1985 when Colonel Badger established the Marana site.

On the morning of January 8, 2011, Colonel Badger attended a Congress on your Corner event at a shopping center north of Tucson to meet then-Congresswoman Gabrielle Giffords. That fateful morning a gunman opened fire on the innocent attendees, brutally murdering six and seriously wounding thirteen, including Colonel Badger and Congresswoman Giffords. As the gunman was reloading his weapon, Colonel Badger, who was injured and bleeding from the head, ran toward the gunman and put him into a chokehold until the authorities arrived, thus stopping the deadly rampage. But for the valiant actions of Colonel Badger, the toll of those killed and wounded would have been much higher. "I don't consider myself a hero," he would later say, "I did what anybody would do." Colonel Badger was a beloved friend to the January 8, 2011 survivors. After this devastating event, this humble hero focused his efforts on keeping guns out of the hands of people like the January 8, 2011 gunman so as to prevent future similar tragedies. Colonel Badger and his wife embarked on a three-year journey across the country to promote his mission.

Colonel Badger was a hero to many long before he became one in the eyes of our nation on January 8, 2011. He was a caring and devoted husband to his wife, Sallie, a nurturing and loving father to his son, Christian, the beloved Scoutmaster of Troop 007, a guide and counselor to numerous young people, many of whom attribute their current success to Colonel Badger's mentoring, and a friend to countless others, including the members of the Southern Arizona Jaguar Car Club, which he served as President for a time.

On March 11, 2015, the citizens of Arizona lost a friend who placed the safety and well-being of others above his own and who truly represented the best traits of humanity, heroism and sacrifice and the spirit of service to others. The citizens of Arizona owe Colonel Badger an extraordinary debt of gratitude for his tremendous service to our country and state.

Dedicated to his family, Colonel Badger will be greatly missed by his beloved wife, Sallie Badger, and his son, Christian Badger.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature express sincere regret at the passing of Colonel Bill Badger and extend their deepest sympathies to his family and many friends.

Senator Dalessandro moved that House Concurrent Resolution 2039 be unanimously adopted and that the Senate stand in a moment of silence in memory of Colonel Bill Badger. The motion carried.

House Concurrent Resolution 2039 was signed in open session and returned to the House.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1001

Senate Resolution 1001 was introduced and read in full by Senator Kavanagh as follows:

A Resolution proclaiming May 2015 as Brain Tumor Awareness Month in the State of Arizona.

Whereas, each year, more than 100,000 Americans will be diagnosed with a primary or metastatic brain tumor; and

Whereas, brain tumors are the second leading cause of cancer death for children under age 19 and the third leading cause of cancer death for young adults ages 20 to 39; and

Whereas, the number of cases continues to increase, especially among the elderly, and the reasons remain unknown to medical researchers, scientists and physicians; and

Whereas, according to medical statistics, there are more than 100 different types of brain tumors; and

Whereas, because brain tumors are located at the control center for thought, emotion and movement, treatments are complicated and the effects of tumors on patients can be devastating; and

Whereas, enhancing the quality of life of people with brain tumors requires access to quality specialty care and readily available follow-up care and rehabilitative services; and

Whereas, improving the outlook for adults and children with brain tumors requires research into the causes of and better treatments for brain tumors; and

Whereas, symptoms of brain tumors may include headaches, nausea and vomiting, difficulty with memory, loss of movement, coordination or sensation, and visual disturbance; and

Whereas, children may experience morning nausea and vomiting, growth and development irregularities and the apparent onset of emotional problems; and

Whereas, currently, brain tumors are treated by surgery, radiation and chemotherapy, used separately or together; and

Whereas, only 37% of males and 52% of females survive five years following the diagnosis of primary benign or malignant brain tumors; and

Whereas, although as many as 60% of children with brain tumors will survive, they are often left with long-term side effects.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate proclaim May 2015 as Brain Tumor Awareness Month in the State of Arizona.

Senator Kavanagh moved that Senate Resolution 1001 be unanimously adopted. The motion carried and Senate Resolution 1001 was signed in open session and transmitted to the Secretary of State.

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1010

Senate Concurrent Resolution 1010 was introduced and read in full by Senator Allen as follows:

A Concurrent Resolution on the death of the Honorable Chester J. Crandell.

Senator Chester J. Crandell passed away on August 4, 2014 at the age of sixty-eight.

Chester Crandell was born to Harold Jay and Charlotte Ann Crandell in Holbrook, Arizona on June 19, 1946. Raised in Heber, Arizona, he was a fifth-generation native of rural Arizona.

A man of deep faith, Chester Crandell was a lifelong member of The Church of Jesus Christ of Latter-day Saints and served in North Carolina as a missionary for the church in the Central Atlantic States Mission from 1965 to 1967. During his time in North Carolina, he met the love of his life, Alice Day Harrison, and they were married in the Mesa Arizona Temple when he returned to Arizona following his mission. Throughout his life, he served in various church callings and always did so with a willing spirit.

Passionate about education, Chester Crandell earned both a bachelor's degree in agricultural education from the University of Arizona and a master's degree in educational leadership from Northern Arizona University. He served as an educator for thirty years. For many of these years, he worked as a high school instructor and volunteered as a coach for numerous school sports programs and for the Future Farmers of America. He spent the last ten years of his educational career serving as the Superintendent of the Northern Arizona Vocational Institute of Technology.

Following a long line of successful Arizona cattle ranchers, Chester Crandell was known by many to be a true "gentleman cowboy." Ranching was a large and treasured part of his life. He was a longtime member of the Arizona Cattle Growers Association and was well respected within the ranching community.

From 2011 to 2012, Chester Crandell served in the Arizona House of Representatives. In 2012, he was elected to the Arizona Senate where he served as the Chairman of the Public Safety Committee and the Vice Chairman of the Education Committee. He also served on the Appropriations Committee, the Government and Environment Committee and the Natural Resources and Rural Affairs Committee. During his legislative career, Senator Crandell earned the respect and admiration of his peers on both sides of the political aisle. He was known among his colleagues as a man of integrity and honor who was passionate about serving the people of Arizona.

Dedicated to his family, Chester Crandell will be deeply missed by his beloved wife of forty-seven years, Alice, his nine children and their spouses, his many grandchildren, his parents and his four siblings and their spouses. He was preceded in death by his brother, Bobby Crandell, in 2004 and his brother-in-law, Roger Cochran, in 2001. Senator Chester Crandell was a patriot, a rancher, a trusted friend, a devoted family man and a respected legislator.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature sincerely regret the passing of Senator Chester J. Crandell and extend their deepest sympathies to his family and friends.

Senator Allen moved that Senate Concurrent Resolution 1010 be unanimously adopted and that the Senate stand in a moment of silence in memory of Senator Chester Crandell. The motion carried.

Senate Concurrent Resolution 1010 was signed in open session and transmitted to the House.

RE: Senate Bill 1145 (restoration to competency; state costs)

Dear President Biggs:

This afternoon I vetoed Senate Bill 1145. While I understand the sponsor's concern about the strain the cost of one individual's treatment at the Arizona State Hospital was placing on a small county's budget, the issue was already being addressed by the Arizona Department of Health Services. On the same day that this bill was passed, the court ordered the individual transferred to a different unit within the State Hospital. In doing so, it ended the financial liability on Santa Cruz County as well as negated the need for this legislation.

Sincerely,

/s/Douglas A. Ducey

RE: Senate Bill 1445 (public records; peace officer's name)

Dear President Biggs:

Just weeks ago, Arizonans saw the courage of our police officers and first responders on full display, as men and women who wear the badge rushed into harm's way to stop a mass shooting in Mesa and hunt down the perpetrator. If not for their valor, this incident would have likely been even more horrific for our state and for the Mesa community. We continue to pray for the victims and pay gratitude to the officers who selflessly did their job to protect others and save lives.

It's easy to forget that these heroes do this every day, all across our state and nation. We take it for granted, but the families and loved ones of police officers don't have that luxury. They know that these brave men and women walk into dangerous and unpredictable circumstances all the time. As the son of a cop, I know this first-hand. Watching my dad put on the badge and serve, I learned to respect law enforcement and understand the trust society places in those who protect us. I'm committed to respecting them and honoring their work in my administration.

Arizona has lost 246 officers in the line of duty over the years, a testament to the dangers of the job that officers knowingly and heroically accept. But sadly, there is sometimes a troubling tone in the treatment towards our police officers. Too often of late, there is a rush to judgement when a police officer is left with no choice in the protection of innocent civilians. In an era of social media and 24-hour news commentary, these officers and their families have been subjected to public scorn, harassment and vicious attacks.

That's not the treatment upstanding officers deserve. Our officers are on the front lines – the first to show up on the scene of a crime. They should be respected; not ridiculed. They and their families protected; not put at risk.

Therefore, I am more than sympathetic to the aim of Senate Bill 1445, and I respect the supporters of this legislation for seeking to address these issues. I know that the goal of this legislation is to protect officers and their families, and it's a goal I share.

In determining how to act on this bill my number one consideration was this:
What will best protect our officers and their families?

I've heard from many voices on this bill – from all sides – and have weighed all the arguments carefully and with great consideration. Unfortunately, I don't believe this bill in its current form best achieves the objectives we share, and I worry it could result in unforeseen problems. Among the arguments most impactful to me in this decision were concerns raised by the chiefs of police. Under current law and in practice, chiefs have the authority to make decisions in the best interests of their officers and departments. Their concern, and mine, is that setting an arbitrary 60-day benchmark for release of names would limit their ability to best manage these often tenuous situations and result in unintended consequences.

As the chiefs have demonstrated, Arizona's Public Records Act already gives police departments the authority to withhold the names of police officers who are involved in shootings – longer than 60 days, if necessary. Under the Act, a department may withhold the name where confidentiality, privacy, or the best interests of the State outweigh the public's right to know the name. The law also permits the department to consider whether releasing a name "might lead to substantial and irreparable private or public harm." *Carlson v. Pima County*, 141 Ariz. 487, 491 (1984).

JOURNAL OF THE SENATE
Tuesday, March 31, 2015

There are many examples of our police departments exercising this authority in a manner that protects the officer's identity while ultimately providing disclosure after the situation has cooled. Recently, the City of Phoenix Police Department waited for seven days after a shooting before releasing the officer's name.

There are other considerations for not limiting the authority of police chiefs to make these decisions. With the proliferation of social media, rumors regularly run wild and unfiltered. An officer's name could very easily come to light. The wrong officer's name could circulate. Speculation replaces fact. It's very easy to see news outlets running with information that is unconfirmed or erroneous, and under this proposed law, police chiefs' hands would be tied and they would have no way to respond or set the record straight. The result could be the exact opposite of what this bill aims to do, escalating – rather than deescalating – the situation and potentially putting completely innocent officers' reputations and safety on the line.

For all these reasons, it makes sense to allow departments to make informed decisions based on the facts at hand. I believe that is the best way to protect our officers.

Additionally, some provisions of Senate Bill 1445 contain ambiguities that seem to stretch outside the scope of protecting officers and their families from unjustified retaliation by creating new and expansive exceptions to the Public Records Act. Subsection (B) would require a police officer's name to be redacted on all disciplinary records. Although ambiguous, subsection (B) could be applied to any police officer's disciplinary record, regardless of whether that officer was involved in a death. In addition, subsection (B) has no time limitation and it will likely impose practical challenges when a department attempts to redact names and other identifying information.

Again, the treatment and safety of our officers and their families is on the top of my mind. My office is more than willing to discuss ways that we can address this moving forward. I look forward to working together and to finding ways to protect our heroes who wear the badge.

Sincerely,

/s/Douglas A. Ducey

RE: House Bill 2150 (livestock or poultry cruelty; exception; violation; 5 classification; definition)

Dear Speaker Gowan:

Today I issued my first veto – House Bill 2150.

I know we all agree that animal cruelty is inexcusable, unacceptable and absolutely will not be tolerated in the state of Arizona. No animal should be the victim of abuse. Moreover, perpetrators must be held to account and properly penalized to the fullest extent of the law.

While the sponsors and supporters of this bill are well-intentioned, when changing state laws relating to the safety and well-being of animals, we must ensure that all animals are protected, and mindful that increasing protections for one class of animals does not inadvertently undercut protections for another.

I am open to working with the sponsors on this issue moving forward, while ensuring the protection of animals in our state.

RE: House Bill 2410 (municipalities; traffic citation quota; prohibition)

Dear Speaker Gowan:

While quotas for traffic complaints don't currently appear to be happening in Arizona law enforcement entities, none of us want to see such policies implemented. Therefore, I understand the intent of House Bill 2410.

However, in its current form, I worry that police chiefs and local entities will be prevented from objectively gauging performance in their departments – a concern for officers themselves, the public and overall public safety.

Therefore, I am vetoing this legislation at this time but am open to working to find ways to ensure quotas don't become a practice in Arizona.

Sincerely,

/s/Douglas A. Ducey

INTRODUCTION AND FIRST READING OF BILLS
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1020

Senate Concurrent Resolution 1020 was introduced and read in full by Senator Yarbrough as follows:

A Concurrent Resolution on the death of Mayor John Douglas Driggs.

Former Phoenix Mayor John Douglas Driggs passed away on December 11, 2014 at the age of eighty-seven. An *Arizona Republic* editorial that was released on that date pronounced him "the absolutely essential mayor."

A native of Arizona, Mayor Driggs was born in Douglas on June 16, 1927 and moved to Phoenix at the age of six months. Active in the Boy Scouts during his youth, Mayor Driggs was an Eagle Scout. Later, as an adult he was awarded the Silver Beaver award from the Boy Scouts of America. Following his graduation from North Phoenix High School in 1945, he ably served our country in the United States Navy during World War II. Mayor Driggs then served a mission for the LDS church in the New England States Mission. After earning his B.A. and M.B.A. from Stanford University, he returned to Phoenix and worked as an executive at Western Savings and Loan for thirty-five years, where he retired as Chairman of the Board in 1989. Mayor Driggs also served as a founding member of the Board of Directors for America West Airlines. During his successful business career, Mayor Driggs lived by his conviction that "a basic obligation of any business is to be a good citizen."

Mayor Driggs distinguished himself as an outstanding public servant throughout his lifetime. He served two terms as Mayor of Phoenix from 1970 to 1974, in which capacity he demonstrated an enduring commitment to preserving the city's rich history. Among his many noble accomplishments as mayor, he helped establish the Phoenix Mountain Preserve and the Echo Canyon Trail, as well as expand the city's park system and revitalize Papago Park.

During his tenure as mayor of Phoenix, Mayor Driggs held several high profile national positions in the United States Conference of Mayors and the National League of Cities. The outstanding leadership he exhibited in these positions earned him appointments by President Richard Nixon to the Advisory Commission on Intergovernmental Relations and the President's Council on Intergovernmental Personnel Policy.

In 1974, Mayor Driggs facilitated the City of Phoenix's purchase of the Rosson House, which had been targeted to be razed. In 1975, after leaving office, Mayor Driggs was asked to chair the Rosson House's restoration committee, which was funded solely through community support. The Rosson House restoration was a crucial catalyst in the current revitalization of downtown Phoenix.

Despite the demands of his political and business endeavors, Mayor Driggs gave generously of his time, energy and abilities to numerous worthwhile civic organizations. In 1979, he became the founding chairman of America's Second Harvest, a national food bank network that has grown to become our nation's third largest charitable organization and is now known as Feeding

America. Under his leadership, the national food industry donated 280 million pounds of food products. In 1983, Mayor Driggs was appointed by President Ronald Reagan as a member of the President's Task Force on Food Assistance to examine the extent of America's hunger problem, to determine its causes and to recommend specific solutions. As a result of those efforts, Mayor Driggs organized an outreach effort in 1986 for the food stamp program that garnered a prestigious Effie Award as the year's outstanding public service announcement. He also raised the funding and organized the construction effort for six houses for Habitat for Humanity.

Over the last fifteen years, Mayor Driggs served as chairman of the Tovrea Castle restoration project and as the founder, chairman and chief visionary behind the Arizona Second Century Initiative. Mayor Driggs devoted considerable time, energy and skill to the effort to increase synergy in the Governmental Mall, with a special emphasis on restoring the territorial Arizona Capitol to a working historical edifice.

An avid and accomplished skier, Mayor Driggs would often counsel his five sons while skiing in inclement weather that one must learn to ski "in varying conditions." That counsel became a metaphor for how he lived his entire life. Indefatigable in spirit, visionary in thinking and, most importantly, gracious to all he encountered, Mayor Driggs persevered even when one of his business, government or charitable projects experienced seemingly insurmountable obstacles. That perseverance was the genesis for a lasting legacy of accomplishments realized in a lifetime of varying conditions.

Dedicated to his family, Mayor Driggs will be greatly missed by his wife, Gail, five sons, Douglas, Andrew, Thomas, Adam and Peter, nineteen grandchildren and seven great-grandchildren.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Senate express regret at the passing of Mayor John Douglas Driggs and extend their deepest sympathies to his family and many friends.

Senator Yarbrough moved that Senate Concurrent Resolution 1020 be unanimously adopted and that the Senate stand in a moment of silence in memory of Mayor John Driggs. The motion carried.

No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. "An action in the discharge of his official duties" means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

RULE 31
Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening authorized executive sessions.

April 1, 2015

The Honorable Andy Biggs
President of the Senate
1700 W. Washington
Phoenix, AZ 85007

RE: Senate Bill 1171 (campaign reports; late filings; notice)
Dear President Biggs:

This afternoon, I vetoed Senate Bill 1171. While I understand the sponsor's desire to provide greater information to those receiving a notice of failure to file a campaign finance report in a timely manner, I believe that the Secretary of State can address this issue administratively, rendering this bill unnecessary.

Sincerely,

/s/Douglas A. Ducey
Governor
State of Arizona

MESSAGES FROM THE HOUSE

President Biggs announced that without objection, Messages from the House as listed on the calendar would not be read. The messages would be entered in the Journal.

(April 2, 2015)

House adopted the Conference Committee Report on Senate Bill 1201

House adopted the Conference Committee Report and passed on Final Reading
House Bills 2383 (56-2-2); 2496 (48-10-2)

CONFERENCE COMMITTEE REPORTS

Senator Yarbrough moved on behalf of the Chairman that the Senate adopt the following conference committee reports:

Senators Burges, Griffin and McGuire, Senate conferees, and Representatives Mitchell and Petersen, House conferees, submitted the following conference report on Senate Bill 1201:

That the bill be accepted as originally passed by the Senate and be further amended.

Representative Friese, House conferee, submitted the following Minority Report:

I oppose the conference committee amendment to SB1201, Arizona historical society; board; membership. The bill would require the governor to appoint the Arizona Historical Society's (AHS) Board of Directors and makes specific membership requirements from counties based on population. I supported SB1201 with Representative Brophy McGee's floor amendment, which allowed current Board members to serve until the expiration of their term in office. The amendment instructed half of the board to consist of Governor appointed members and half to be composed of members elected by AHS. Additionally, the amendment required 6 members to represent counties with populations less than 900,000. While the conference committee amendment allows current AHS board members to serve the remainder of their term, it does not address a number of AHS' standing concerns.

The conference committee amendment reverts AHS to an all Governor appointed board, disregarding input from the Society. While AHS is not opposed to having a partially governor appointed board, they are interested in maintaining some degree of a member elected board. Members of AHS join voluntarily and dedicate their time and efforts to the preservation and access of Arizona's history. Having a member elected board, safeguards AHS's goals and furthers the purpose of the Society.

JOURNAL OF THE SENATE
Thursday, April 2, 2015

Furthermore, the conference committee amendment requires membership from every county which could prove problematic and burdensome to members from rural counties. Members are responsible for all travel and lodging costs to attend the bimonthly meetings, for which they are not reimbursed. Currently the board has representation from various counties throughout the state, however struggles in recruiting members from rural counties due to the financial toll attending meeting incurs. Setting specific membership requirements for rural counties opens the door for vacant seats on the board. AHS believes removing membership requirements for smaller, rural counties comes at a benefit to members that may be otherwise forced to absorb travelling costs to attend meetings.

Finally the conference committee amendment was not agreed upon or discussed with AHS. For this and the aforementioned reasons, I oppose the conference committee amendment.

The motion carried and the Secretary notified the House.

Resignation letter from Senator Kelli Ward:

The Honorable Michelle Reagan
Arizona Secretary of State
Executive Tower, Seventh Floor
1700 West Washington Street
Phoenix, Arizona 85007

Dear President Biggs and Secretary Reagan -

I am writing to inform you that I will be stepping down from my position as the Arizona State Senator for Legislative District 5 effective December 15, 2015.

The Mohave County Republican Party has been notified and plans to hold a special meeting 12/19/15 for the sole purpose of selecting three candidates to send to the Mohave County Board of Supervisors. A call letter for the meeting has been sent out as required by statute. It is my desire, and the desire of all involved, to assure that a new senator has been appointed prior to the start of the next legislative session. We are doing our best to assure that Legislative District 5 does not go without Senate representation for longer than absolutely necessary.

I am convinced that I need to devote 100% of my energy to running for the United States Senate. I have appreciated the support, mentorship, and friendship of all of those with whom I've served.

Sincerely,

/s/Senator Kelli Ward, DO, MPH

The following communications were received from the Governor after the adjournment sine die:

The Governor approved:

March 27, 2015

The Honorable Michele Reagan
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Dear Secretary Reagan:

I signed S.B. 1289.

As we improve the A-F accountability system, I urge the State Board of Education to set the bar high. Our “A” schools should be an accurate representation of Arizona’s best public schools. The accountability measures in the letter grades should provide parents with a better picture of the quality of the school. The Arizona Board of Education should look to best practices in other states, like Florida, Massachusetts and Indiana, and replicate what works in these states here in Arizona. The State Board of Education, along with the Department of Education, should use the transition period wisely for public engagement and stakeholder input. During this transition, parents must continue to have access to school performance indicators as they make important decisions about their children’s education. Once complete, the A-F system should be simple for parents to understand and have clear expectations of quality for schools to follow.

As the State Board of Education considers the future of the A-F accountability system, I call upon the State Board of Education to report to me and the Legislature on the feasibility of including a menu of local and/or statewide assessments in the improved accountability system. Local control, and the flexibility to use the curriculum and assessment tools that works best in each individual school and classroom, furthers accountability and gives freedom to the teacher to teach and the student to learn.

Sincerely,
/s/Douglas A. Ducey
Governor
State of Arizona
March 30, 2015

The Honorable Michele Reagan
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Dear Secretary Reagan:

Today I signed H.B. 2530. While I am supportive of the underlying policy of the bill – that every child and their parent should have immediate and unhindered access to their educational records – this bill has some ambiguities that I believe should be addressed by the Arizona Department of Education as they implement this bill. For example, the bill is silent on how and to whom the alleged violation would be reported, who would investigate the allegation and which entity would make a final ruling and whether either party could appeal a decision. I would encourage all parties involved in this legislation to work with the Department to clarify these implementation issues.

Sincerely,
/s/Douglas A. Ducey
Governor
State of Arizona

RE: Senate Bill 1200 (mining and mineral museum; transfer)

Dear President Biggs:

Today, I vetoed Senate Bill 1200. Although I commend the work of the bill's sponsor, we must evaluate the use of state buildings holistically, rather than individually. At this point, there is not a plan or organizational structure in place to ensure the successful transition of the mining and mineral museum. While I appreciate the desire to preserve and celebrate the unique characteristics of Arizona's past, it would be premature to sign this legislation at this time.

Sincerely,

RE: Senate Bill 1450 (banks; insuring organization)

Dear President Biggs:

This afternoon, I vetoed Senate Bill 1450. While I understand the sponsor's intent of the bill, I am concerned that the language in its current form is not consistent with existing federal law.

Dear President Biggs:

Today, I vetoed Senate Bill 1285. Given that the budget that was recently passed by the Legislature and signed by me repealed the Job Training Employer Tax, I do not feel that it would be appropriate to add another funding requirement to a fund whose revenue source is being repealed.

The Honorable Michele Reagan
Secretary of State
1700 W. Washington, 7th Floor
Phoenix, AZ 85007

Dear Secretary Reagan:

I signed S.B. 1459.

This bill establishes consistent and uniform policies for the standard of care for all children, including children with special needs, in our public schools. While I support this measure, I believe it would benefit by considering protections to well-intentioned individuals acting in good faith in emergency situations. I recommend that the parties involved in this legislation consider this issue in the next legislative session.

Sincerely,

/s/Douglas A. Ducey
Governor
State of Arizona

The Governor vetoed the following:

April 13, 2015

The Honorable Andy Biggs
President of the Senate
Arizona State Senate
1700 W. Washington
Phoenix, AZ 85007

RE: Senate Bill 1293 (GIITEM subaccount; predictive policing technology)

Dear President Biggs:

Today, I vetoed Senate Bill 1293. I share the Legislature's concern about border security and I am committed to working with you to look for ways to ensure that we are maximizing resources on the border, as part of a broader budget discussion. Earlier this year, I directed the Department of Public Safety to begin conversations with border county sheriffs and local law enforcement to identify their needs and determine the best way for the state to supplement those needs. I look forward to a discussion over the interim with interested parties to ensure that we are maximizing our resources for crimes relating to drug and human trafficking.

Sincerely,

/s/Douglas A. Ducey
Governor
State of Arizona

Re: House Bill 2176 (federal land relinquishment; payments)

Dear Speaker Gowan:

Today, I vetoed House Bill 2176. I share your concerns about the amount of federal lands in Arizona, which is why I was happy to sign (HB2658 - federal lands; transfer; study committee). I look forward to reviewing recommendations set forth by this planning committee prior to making decisions about how to proceed.

Sincerely,

/s/Douglas A. Ducey
Governor
State of Arizona

RE: House Bill 2296 (adoption petition; county attorney)

Dear Speaker Gowan:

Today, I vetoed House Bill 2296. While I understand the stress currently on county budgets, my concern is that this law could potentially reduce the number of adoptions. I encourage the counties to look for other cost savings and efficiencies.

Sincerely,

/s/Douglas A. Ducey
Governor
State of Arizona

Re: House Bill 2318 (transfer of public lands compact)

Dear Speaker Gowan:

Today, I vetoed House Bill 2318. I share your concerns about the amount of federal lands in Arizona, which is why I was happy to sign (HB2658 - federal lands; transfer; study committee). I look forward to reviewing recommendations set forth by this planning committee prior to making decisions about how to proceed.

RE: House Bill 2327 (vehicle insurance cards; barcode)

Dear Speaker Gowan:

Today, I vetoed House Bill 2327. I understand the desire to embrace innovation and new technologies, so I am sympathetic to the goal of the sponsor. Fortunately, current law does not prohibit automobile insurance companies from voluntarily utilizing encrypted barcodes on their insurance cards. Since a statutory change is not needed, I think it is best that we let the insurance industry self-regulate and determine when and how to best introduce this feature into Arizona.

Sincerely,

/s/Douglas A. Ducey
Governor
State of Arizona

RE: House Bill 2540 (ballot measures; forms; filing officer)

Dear Speaker Gowan:

Today, I vetoed House Bill 2540. I appreciate the intent of this legislation; however, the petition process is inherently a power reserved to the voting public and therefore it is contingent upon them to ensure proper compliance with all applicable laws. Additionally, I fear that inserting state and local employees deeper into the signature gathering process exposes them to unnecessary liability. If a county or municipality decides that this is a good policy, the local governing body or their voters can adopt it as part of their local election code.

Sincerely,
/s/Douglas A. Ducey
Governor
State of Arizona

RE: House Bill 2587 (state agencies; credit cards)

Dear Speaker Gowan:

Today, I vetoed House Bill 2587. Currently my Administration is undertaking savings and efficiency efforts with our vendors. While I appreciate the Sponsor's intent to create savings for the State, this is a matter that can be handled administratively at this time.

Sincerely,
/s/Douglas A. Ducey

Re: House Bill 2178 (wine consumption)

Dear Speaker Gowan:

Today, I vetoed House Bill 2178. As with any new product, it makes sense to monitor its impact on public health and safety. At this time, there does not appear to be evidence that this bill is necessary. I have instructed the Director of the Department of Liquor Licenses and Control to review administrative rules to ensure that powdered alcohol is regulated to the same extent as other spirituous beverages.

Sincerely,

Re: House Bill 2358 (TPT; exemption; crop dusters)

Dear Speaker Gowan:

Today, I vetoed House Bill 2358. While I agree and support tax policies that treat both the charter and commercial airline industry the same, and provide tax relief for purchases of aircraft for agricultural use, I have a concern regarding the unknown financial impact of making the former policy retroactive back to 1998. I encourage the sponsor to make necessary changes that allow for the charter industry to compete and thrive in Arizona, while also mitigating any unintended financial consequences to the State. I look forward to reviewing an amended version of this bill next session.

Additionally, I am requesting that the Arizona Department of Revenue stay any future and ongoing enforcement efforts of taxation on the leasing and purchasing of aircraft by charter operators, and the purchasing of aircraft built for agricultural use.

Sincerely,

/s/Douglas A. Ducey

Re: House Bill 2592 (justice of peace; residency)

Dear speaker Gowan:

Today, I vetoed House Bill 2592. I do not believe it is appropriate to create a separate residency standard for one specific elected office.

SENATE RULES

RULE 1
Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at Arms.

B. There shall be such other employees as may be authorized by the Senate. The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

RULE 2
The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the "Ayes" and then for the "Noes." If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President shall vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve during the President's absence, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time in the absence of the President and President Pro Tempore. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

RULE 3 The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

RULE 4 Sergeant at Arms

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

B. The Sergeant at Arms shall enforce the rules relating to the privileges of the floor and gallery, and perform such other duties as may be required of the Sergeant at Arms by the Senate or by the President.

RULE 5
Members

A. Every member shall be present within the Senate Chamber during its sittings, unless excused or necessarily prevented; and shall vote on each question put, unless the member has a personal financial interest in the question as set forth in Rule 30, or unless the member is excused from voting in accordance with Rule 15.

B. No Senator shall voluntarily be absent from the service of the Senate without leave of the President.

RULE 6
Questions of Privilege

Questions of privilege shall be: First, Privilege of the Senate, which relates to the privilege and rights of the Senate collectively, its organization, safety, dignity, comfort and the integrity of its proceedings; second, Personal Privilege, which relates to the rights, reputation and conduct of the members individually in their representative capacity only; third, Personal Privilege which relates to matters personal to the members which may be received only by permission of the Senate or the Presiding Officer. 1. Appropriations
2. Commerce and Workforce Development
3. Education

11. Public Safety, Military and Technology
12. Rules
13. Rural Affairs and Environment
14. State Debt and Budget Reform
15. Transportation

B. Committees of the Senate except the Rules Committee shall have the following powers and duties:

2. The Ethics Committee and each standing committee shall adopt rules of procedure consistent with the rules of the Senate. Committee rules shall require that the chairman vote last on a roll call vote. Committee rules may allow the vice-chairman to vote second to last on a roll call vote.

3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. A committee chairman may add a bill, memorial or resolution to a committee agenda by distributing a revised agenda to committee members and the Secretary of the Senate by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. A petition to schedule the bill must be signed by at least two-thirds of the members of the committee.

7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a majority of committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer

such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

- (c) The bill offers only technical or conforming changes to the statutes.
- (d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.
- (e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

RULE 8 Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

5. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

RULE 9
Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

RULE 10
Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11
Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12

Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13

Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14
Bills, Resolutions, Memorials, Engrossed
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy." Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, not less than 250 copies nor more than 3,000 copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House with not less than 125 copies and the Legislative Council with 5 copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . through . . ." If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause."

RULE 15

Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1

Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call," "roll call vote" or "recorded vote," such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefore as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

RULE 16 Order of Business

A. Unless otherwise ordered, the Senate shall convene every legislative day at 11:00 a.m., receive a prayer by the chaplain, recite the pledge of allegiance and continue in session until recess or adjournment.

B. The order of business shall be as follows:

- Roll Call
- Reading of the Journal
- Business on the President's Desk
- Petitions, Memorials, and Remonstrances
- Orders of the Day
- Introduction and First Reading of Bills
- Reference of Bills
- Second Reading of Bills
- Reports of Standing Committees
- Reports of Select Committees
- Committee of the Whole
- Report of the Committee of the Whole
- Third Reading of Bills
- Other Business of the Senate

C. The President shall, upon each day, announce to the Senate the business in order, agreeable to the order of business contained in subsection B of this rule; and no business shall be taken up or considered until the class to which it belongs shall be declared to be in order, nor after the order to which it belongs is closed, except by order of the Senate. All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

RULE 17 Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

G. When a bill or resolution is considered in the Committee of the Whole, the only regular motions which are in order are the following:

1. To propose amendments.
2. To limit debate.
3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

RULE 18

Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 19

Journals

A. The proceedings of the Senate and of the Committee of the Whole shall be briefly and accurately stated in the Journal. Titles of all bills, resolutions and measures, and such parts as shall be affected by proposed amendments, readings, references, reports and every vote, motion and roll call, and a brief statement of the contents of each petition, memorial or paper presented to the Senate shall be entered on the Journal.

B. All confidential legislative and executive proceedings and the proceedings when sitting as a Court of Impeachment, shall be recorded in a separate book.

C. The protest or remarks of any Senator and reasons therefor shall be entered on the Journal, if presented in writing, but no protest or remarks shall exceed two hundred words in length without the consent of the Senate.

RULE 20
Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

RULE 21
Messages

A. Messages from the Governor of the State, or from the House of Representatives, may be received at any stage of proceedings, except while the Senate is dividing, or while the Journal is being read, or while the question of order or a motion to adjourn is pending.

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

RULE 22
Amendments of the House

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.
2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.
3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

RULE 23
Conference Committees and Reports

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.
4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

RULE 24
Parliamentary Practice and Procedure

Parliamentary practice and procedure in the Senate shall take precedence in the order listed:

1. Constitutional provisions.
2. Senate Rules.
3. Statutory rules and provisions.
4. The rules of parliamentary practice and procedure as contained in Mason's Manual of Legislative Procedure.
5. Senate customs and usages.
6. General parliamentary law.

RULE 25
Privileges of the Floor

A. Except by unanimous consent, or unless otherwise ordered by a two-thirds vote of the Senate, no person except members and officers of the Senate shall have the privileges of, or be admitted to the floor of the Senate Chamber at any time; provided, that the President may grant the privileges of the floor, subject to revocation in any instance by order of the Senate, to ex-members of the Senate, members of the House of Representatives and employees of the Senate. When the Senate is not in formal session, the President, upon application of a Senate Committee, may grant the use of the Chamber to such committee for a time certain for the purpose of holding committee hearings.

B. For the purpose of addressing the membership of the Senate while in session, the President may, upon request, approve such dignitaries as:

1. The President or past Presidents of the United States.
2. Members of the present United States Cabinet.
3. Ambassadors of or to the United States, and all present United States Senators and Congressmen.
4. The present Governor of Arizona.
5. The present Governor or Head of any other domestic or foreign state.

All other dignitaries may be introduced from the gallery or may be granted speaking time other than when the Senate is in session.

C. The main gallery shall at all times, except when the Senate is in closed executive session or the Senate or President shall order the galleries cleared, be open to the public, subject to the full observance of the rules of the Senate.

D. A press gallery shall be maintained, to which shall be admitted only duly accredited representatives of the press holding nontransferable cards issued by the President of the Senate and revocable at the discretion of the President of the Senate. Any press representative desiring admission to the press gallery shall make application to the President of the Senate for a pass, and shall accompany the application with a statement of facts of the representative's press connections, and with a request by the newspaper or news gathering organization with which the representative is connected, for such pass. Not more than one such representative at a time shall occupy a seat in the press gallery if such seat is desired by the representative of any other accredited newspaper or news gathering organization.

RULE 26
Legislative Representatives

A. Any person desiring to be heard concerning legislation in behalf of any person, firm, association, organization, company or corporation shall first make application in writing to the chairman of the committee, stating the bill the person desires to present arguments upon, and whom the person represents.

B. The chairman may issue a permit which shall give such person the right to file with the committee having under consideration the bill or legislation regarding which the permit has been issued, written or printed briefs, statements or arguments. If so notified by the committee through its chairman, the person may appear before the committee in open public hearing and present arguments and testimony at the pleasure of the committee. Chairmen of committees shall, on request, give information regarding the holding of public hearings, and the time and place of the same, and committees may hold such public hearings as they desire.

RULE 27
Length of Session

A. Except as provided herein, regular sessions shall be adjourned sine die no later than Saturday of the week in which the one hundredth day from the beginning of each regular session falls. The President may by declaration authorize the extension of the session for a period of not to exceed seven additional days. Thereafter the session can be extended only by the Senate by a majority vote of the members present.

B. If not considered in the regular session the General Appropriations bill, the General Capital Outlay bill and the University Capital Outlay bill may be considered in a special session which shall be called only for those purposes.

RULE 28

Amendment of Rules; Suspension of Rules

A. The Senate Rules may be amended upon vote of the majority of the members of the Senate.

B. The Senate Rules may be suspended by a vote of a majority of the members present.

RULE 29

Code of Ethics

A. No member shall:

1. Intentionally solicit, accept or agree to accept from any source whether directly or indirectly and whether by himself or through any other person any personal financial benefit, including any gift, for himself or another upon an agreement or understanding that his vote, opinion, judgment, exercise of discretion or other action as a public official will thereby be influenced.

2. Disclose or use information designated by law as confidential in any manner prohibited by law.

3. Knowingly disclose or use, other than in the performance of his official duties, information gained as a result of his official position and which is not available to the general public, for his personal financial benefit or the financial benefit of any other person, including compensation from any employment, transaction or investment entered into that utilizes or is based upon such information.

4. Enter into any contract with a public agency for the sale of goods or services or have an interest in the profits or benefits of a contract entered into with a public agency by any other person or entity for the sale of goods or services, unless:

(a) The total gross annual income value of the contract is less than one thousand dollars, or

(b) The contract is entered into by a business of which the member, his spouse or any minor child of whom the member has custody, owns or controls, individually or combined, less than ten percent thereof, or

(c) The contract has been awarded through public and competitive bidding pursuant to law, or

(d) The subject of the contract between a member and a public agency is an appointment or employment for which an exception exists pursuant to article IV, part 2, section 4 or 5 of the Constitution of Arizona.

5. Appear for a fee on behalf of another person or entity before any public agency for the purpose of influencing such agency by use of threat to initiate or take an action in the discharge of his official duties that would be adverse to such agency.

6. Participate in any action of the Senate if the member has a substantial interest as defined in section 38-502, Arizona Revised Statutes.

B. For the purposes of this rule:

1. A member shall be deemed to "have an interest in the profits of a contract" if the contract is entered into by the member or his spouse or any minor child of whom the member has legal custody.

2. "Public agency" means all courts and any department, agency, board, commission, institution or instrumentality of this state but does not include counties, cities and towns or any other political subdivision.

3. "Business" includes any corporation, partnership, joint venture, sole proprietorship, business trust, enterprise, organization, trade, occupation or profession.

4. "Gift" includes any gratuity, special discount, favor, service, economic opportunity, loan or other benefit received without lawful consideration and not provided to members of the public at large but does not include political campaign contributions if such contributions are publicly reported as required by law.

5. "Fee" includes any compensation but does not include benefits received pursuant to law as a result of being a legislator.

RULE 30 Personal Financial Interest

A. A member who anticipates taking an action in the discharge of his official duties in which he may have a personal financial interest shall:

1. Prepare a written statement describing the matter to be acted upon and the nature of the potential interest; and

2. Deliver a copy of the statement to the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such statement shall be retained by the Secretary of the Senate as a public record.

B. A member shall report a potential personal financial interest pursuant to subsection A as soon as the member is aware of such potential interest. If, however, such awareness occurs when the Senate is convened on the floor or during a meeting of a committee, subcommittee or caucus, a member shall report a potential personal financial interest as soon after the adjournment of that body as is practicable.

C. A member may abstain from taking any action in which he has a personal financial interest. Upon declining to participate in any legislative action on the floor, in committee or in subcommittee, the member shall, in addition to the requirements of subsection A, state his decision and the underlying reasons therefor and such decision shall be recorded in the Journal or minutes of that body.

D. A member in doubt as to the propriety of any action proposed to be taken by him and involving a potential personal financial interest under this rule may request the Ethics Committee to render an advisory opinion on the facts. The advisory opinion shall be issued not later than five days from the date of the receipt of that request and be filed with the President, the Chairman of the Ethics Committee and the Secretary of the Senate. Such opinion shall be retained by the Secretary of the Senate as a public record.

E. For the purposes of this rule:

1. "An action in the discharge of his official duties" means introduction, sponsorship, debate, amendment, passage, defeat, approval, consideration or any other official action on any bill, resolution, memorial, amendment, confirmation, nomination, appointment, report or any other matter pending or proposed in a committee, subcommittee, caucus or on the floor of the Senate.

2. A personal financial interest exists if it is reasonably foreseeable that an action in the discharge of his official duties will have a material financial benefit or detriment either directly or indirectly on the member, his spouse or any minor child of whom he has legal custody, except that no personal financial interest exists if the legislator or such member of his household is a member of a class of persons and it reasonably appears that a majority of the total membership of that class is to be affected by such action.

F. A member who has a substantial interest as defined by section 38-502, Arizona Revised Statutes, shall comply with title 38, chapter 3, article 8, Arizona Revised Statutes.

RULE 31
Caucuses

All meetings of a party caucus consisting of members of the Senate shall be open to the public except organizational meetings to elect officers of the caucus and the Senate and meetings to discuss matters permitted in executive session as set forth in section 38-431.03, Arizona Revised Statutes. Each caucus shall establish procedures for convening authorized executive sessions.
