STATE OF THE STATE ADDRESS  
GOVERNOR KATIE HOBBS  
Monday, January 9, 2023

Chief Justice Brutinel, Secretary Fontes, Attorney General Mayes, Treasurer Yee, Superintendent Horne, Mine Inspector Marsh, Speaker Toma, President Petersen, Leaders Terán and Cano, members of the Legislature, Supreme Court, and Corporation Commission, tribal leaders, honored guests, and Arizonans in every corner of our state, it is an honor to join you here today.

We gather every year for this annual tradition, but before we begin, I want to take a moment to honor a man who lived his life in service to this state. Mel Hannah, who served as the chair of the Secretary of State's Community Advisory Council during my tenure and a member of the Commission of African American Affairs, passed away last night. His family and friends are in my heart and prayers today.

And in the spirit of service that he embodied, let's begin to have candid discussions about the issues facing our state and how we can work together to ensure a better future for every family and community.

We are all here because we care deeply about Arizona – its natural beauty, its abundant opportunities and, most of all, its resilient, diverse, and incredible people.

I know I speak for all of this state's elected officials when I say it is a profound honor to represent our fellow Arizonans, and we have an obligation to listen, to find common ground, and to craft real solutions during the 56th Legislature.

As a former member of both the House of Representatives and the Senate, I have a deep respect for each of you answering the call of public service. I know that clarity and understanding of the top priorities of my administration will help you make the most of your time during this session.

So let me begin my first State of the State by repeating something from my inaugural address last week.

If you're ready to make real progress on the issues that matter most to the people of this state, then my door will always be open.

JOURNAL OF THE SENATE  
Monday, January 9, 2023

However, chasing conspiracy theories, pushing agendas for special interests, attacking the rights of your fellow Arizonans, or seeking to further undermine our democracy will lead nowhere.

Instead, I would like to extend an invitation. Let's work together to make a significant impact in the lives of the families and communities of this state today and for years to come by lowering costs, investing in public education, securing our water future, tackling the affordable housing crisis, and other real issues that are holding back too many.

The people of Arizona have sent us here to find solutions to these issues, and that's exactly what my administration will be focused on doing for the next four years.

One of the things I learned as a social worker is the power of prosperity – when families are doing well, so many other things start going the same way. And while every issue that we face has complexities, one thing that's not complicated is that the easiest way to change someone's life is to offer them the opportunity for a new or better job.

So to Arizona's business community, I want you to know I profoundly believe in the power of prosperity, and I am committed to partnering with you to build on the thriving, dynamic foundation we have in this state where businesses and the people who make them run succeed together.

To Arizona's educators, parents, and students: You know better than anyone that education must be the top issue we tackle. As we work to find solutions, I will always seek – and listen to – your guidance.

To Arizona's tribal governments and nations: Your voices will be heard in my administration, your sovereignty will be respected, and your contributions will be recognized as we move into the future.

To all of Arizona's diverse, vibrant, and strong communities, from Page to Patagonia: You have built our state into the incredible place it is today. As we go forward into the future, it will take all of us – all of us – to maintain our strength, fix our deficiencies, and blaze new trails for the generations that follow.

We start this new chapter in a unique position. The state of our state offers promise – and we must act on it.

Growing, cutting-edge companies are moving here to tap into our state's top-tier workforce and healthy business environment. However, too many of our rural communities are being left behind because they don't have the infrastructure they need like high-speed internet.

Companies have record job openings, but far too many Arizona residents can't afford rapidly increasing rents or have been priced out of buying a home.

We have some of the best K-12 schools in the country – but the state has long failed to live up to its obligation to adequately invest fairly in public education in every community, and we see the results of that failure with high teacher vacancy rates and some districts with crumbling infrastructure.

Arizona has stunning landscapes and unrivaled natural beauty. However, we must do more to protect our forests and watersheds from the devastating effects of fire and drought.

Our state has a dedicated public sector workforce. But we can do better in reflecting the diversity of our state to better serve our communities. Those who work in public service should feel empowered, and it is our responsibility to ensure barriers to accessibility and opportunities are broken down for all.

As we look to the future, we cannot continue to kick the can down the road on these issues and so many others. We owe it to our fellow Arizonans – both this generation and the next – to face these challenges head on.

As I said in my inaugural address, I'm an optimist – especially when it comes to Arizona. I believe we are the greatest state in this nation. I believe in our educators and our students. I believe in the men and women who protect our public safety every day. I believe in our innovators, risk takers, and entrepreneurs. I believe in our public servants. I believe in the future of our incredible state – and I know you do too.

In the late Governor Rose Mofford's [1989 State of the State address](#), she spoke about “difficult choices” as she challenged the legislature to do the right thing – funding elementary and high school education, supporting our state's health care system AHCCCS, and other critical challenges of her time.

No one should be surprised that Governor Mofford fought for the right thing and chose not to back down from those challenges. She had a deep understanding of what the people of Arizona wanted and what they needed. As a Democratic governor working with Republican lawmakers, she knew when to find bipartisan compromise and when to stand firm in her beliefs.

As we begin to write this new chapter for the state we all love, I ask that we all take inspiration from Governor Mofford's actions and look toward the future ... to the partnerships we will forge ... to the challenges we will overcome together ... to the good we will do for our fellow Arizonans.

My hope is that when you leave here today, you understand that I and my administration are committed to action and to improving the lives of every Arizonan. And if you are committed to those same ideals, then I am ready to work side-by-side with you – no matter your party registration.

With that, here are my priorities as we build a resilient, innovative and prosperous Arizona for everyone.

Education gave me a chance to climb my way up and build a better life. And I know that's true for countless other Arizonans and for many here in this chamber today. And that's why I have spent so much of my public life fighting for better schools and to level the playing field – and that's exactly what I'll continue to do as governor.

However, before we talk about steps we'll take to improve K-12 education going forward, we must first address the potential catastrophe that will happen in just a few months if the legislature does not act to address the archaic funding cap – officially known as the Aggregate Expenditure Limit – by March first.

As part of last year's budget negotiations, a promise was made that a special session would be called to override this limit that's based on an out-of-date, 40-year-old funding formula that's holding our public schools hostage.

That promise was not kept.

We must make this right. If we do not, this ticking time bomb will explode and force a 1.3 billion dollar cut that would be one of the largest in our state's history.

And it will happen in the last two months of the school year.

[Superintendents and education leaders are warning](#) this will cause furloughs, layoffs, and possibly even school closures. It is unnecessary to allow these hysterics to go on any longer. Let's give our students, our teachers, and our parents the assurance that schools will remain open.

The solution is simple and it doesn't cost another penny to do the right thing. Representative David Cook has already introduced a resolution to override this outdated limit. This legislature should bring it to the floor. The Democrats in both chambers are ready to act on this immediately.

Looking beyond this pressing issue, Arizonans have made clear it's time to rebuild and reinvest in our public schools. For years, our leaders have chosen to ignore parents, teachers and students who know we can have the greatest public education system in the nation – but instead are too often saddled with crumbling infrastructure and crowded classrooms.

JOURNAL OF THE SENATE  
Monday, January 9, 2023

And rather than doing the right thing and facing these challenges head on, the previous legislature passed a massive expansion of school vouchers that lacks accountability and will likely bankrupt this state.

In fact, funding this expansion is poised to cost Arizona taxpayers an estimated 1.5 billion dollars over the next 10 years if left unaddressed.

That's why when my budget is delivered on Friday, you will see that it truly invests in public schools and students – ensuring we are a Prepared Arizona.

We will begin with our public school teachers, who continue to be caught in the middle of crises of our own making – and for thousands of them, it's too much. One in four teachers leave Arizona schools each year, which is the highest rate in the nation. As a result, more than 2,500 classroom educator positions are vacant.

As the sister of two public school teachers, I see how hard they work every day on behalf of their students. So to the teachers and education support professionals of our state, I see you, I respect you, and I will always stand up for you.

To members of this legislature, I hope we can all agree that when we keep the most talented teachers in the classroom, our kids win, our families win, and our communities win.

That's why I'll be launching an Educator Retention Task Force to develop a thorough framework and make recommendations to improve class sizes, resources, working conditions, and other factors that will put us on a path to fix these issues and retain educators.

The reality is we don't have an educator shortage, what we have is a retention crisis. There are too many amazing professionals who have walked away from the career they love because of the uncompetitive salaries, onerous policies, and unfunded mandates this state has chosen to implement that rob educators of the joy of teaching. Teachers are creating the workforce and leaders of tomorrow, and it's time we started treating them with the respect they deserve.

For the last 5 years, Arizona has been involved in a lawsuit about school facilities funding. Last week, with support from Attorney General Mayes, my office led the successful effort to put the brakes on a costly and wasteful trial scheduled to start today – so we can focus on solving problems instead of needlessly paying lawyers millions to fight in court.

With the release of my budget on Friday, you will see historic investment in schools to address capital needs and my office will keep working to ensure Arizona's children and teachers can learn and work in safe and secure school buildings.

Another step we will take to help all communities to have the strong, effective public schools they deserve is to ensure we are funding all schools fairly.

Currently, our state government distributes additional per-pupil funding based on school letter grades and assessment results. This approach has largely benefitted only schools in high-wealth areas of Arizona's two largest counties – Maricopa and Pima – while leaving rural and economically struggling areas behind.

To address this inequity, my budget redirects the 68.6 million dollars for that program to the Base Support Level, which goes to all schools across our state instead.

Let me go on the record to say that any school that accepts taxpayer dollars should have to abide by the same accountability standards that all district schools do. We have seen too many examples of individuals and shady corporations taking advantage of the system and our students.

Let's work together to require that any school that accepts public dollars also participates in the Auditor General's annual school district spending report as well as take other steps to ensure our taxpayer dollars are going where they should and being spent properly.

Beyond this work to ensure transparency for how taxpayer funds are spent, there are other direct actions to support our schools and students.

We need to prioritize hiring social workers and counselors for our schools to address the mental health crisis among children and teens. Currently each counselor in an Arizona school provides services for more than [700 kids on average](#). That is the highest ratio in the nation and nearly three times the recommended standard. That's unacceptable and we must do better.

I strongly urge legislators to continue bringing solutions to my desk to ensure our public schools – in all communities – have the resources they need to help our kids succeed.

Let us now turn our attention to opportunities for our state's next generation after they graduate high school, where my administration will work to help create access to a wide range of education opportunities as they embark on the next chapter of their lives.

That means investing in community colleges – particularly in rural Arizona – as well as dual-enrollment programs statewide so no matter where a young adult lives, they have the opportunity to earn college credit or get a good-paying job.

For tens of thousands of other students, choosing to pursue a four-year degree from one of our state's major public universities is the right path – and make no mistake, we have three of the finest colleges in the country right here.

Arizona State University, Northern Arizona University, and the University of Arizona all produce workforce-ready graduates, attract millions of dollars in investments, and push the boundaries of knowledge and innovation.

They are incredible resources for our state's residents and for the entire nation – and we must continue to improve access to these institutions for higher learning.

That's why we're expanding the Arizona Promise Scholarship Program, which last year made college more affordable for over 4,000 families, by including funding capacity for an additional 10,000 students who will now have an opportunity to pursue a college degree but otherwise would have been held back by the associated costs.

But we're not stopping there. In line with the will of Arizona's voters in passing Proposition 308 this past November, my budget allocates 40 million dollars to create the Promise for DREAMers Scholarship Program to cover all students, regardless of immigration status.

My administration is ready and willing to work with any member of this legislature to find additional solutions. Let's work together to ensure Arizona's higher education opportunities are the best in the nation and put individuals on the path to future prosperity.

As we all know, we have so many reasons to be proud of Arizona. Companies are growing here and, as a result, the job market is robust. What's more, we have enormous potential on the horizon.

However, we must also acknowledge the flip side of this prosperity, that too many families are getting further away from achieving the American dream due to the high cost of housing.

Our state is no stranger to the boom-and-bust housing cycles – but this is something wholly different.

Three Arizona cities – Tucson, Mesa, and Phoenix – have seen some of the [highest rent increases](#) in the nation.

The number of individuals experiencing homelessness has [risen significantly](#) in recent years.

We can do better. Let's work together to ensure that here in Arizona, any person who wants to achieve the American Dream or have a safe roof over their head can do so.

My administration's first step will be to support a 150 million dollar investment into the Housing Trust Fund this year – and I will call for additional support in the years ahead.

**JOURNAL OF THE SENATE**  
**Monday, January 9, 2023**

In addition to these measures, last week I signed an executive order re-establishing the Interagency and Community Council on Homelessness and Housing. This council will help coordinate and foster collaboration among state and local agencies, the private sector, and nonprofits to help identify solutions for individuals and families experiencing homelessness or struggling with housing affordability.

Beyond housing, our efforts to support individuals and families must address the rising costs of everyday items and services. Even as our state continues to be an incredible place to live and work, we can do more to help our fellow Arizonans get ahead.

That's why my budget sets aside 50 million dollars for a state-level, child tax credit for families earning less than 40,000 dollars a year to help pay for the rising costs of basic necessities for their children.

We will also help lower costs for Arizona families by exempting diapers and feminine hygiene products from our state's sales tax. These everyday items add up and we can and should help provide this relief to individuals and families who too often must choose between paying their bills or paying for the things they need to be healthy.

But this should only be the start. My administration is ready and willing to work with you – and my door will always be open to any member who brings forward a serious proposal to help Arizona families, seniors, and communities.

Let's work together to find ways to lower costs and help every community across our great state thrive economically.

Every community across our state also deserves to be safe. Building an Arizona for everyone means building a safe Arizona for everyone.

This obligation extends to our border, our broken immigration system, and the communities across the state who continue to bear the brunt of Washington's decades of failure on this critical issue.

Unfortunately, immigration has been politicized for far too long. Arizona voters told us in November they don't want or need political stunts designed solely to garner sensationalist TV coverage and generate social media posts.

Speak to leaders in border communities and across our state and it's clear they need real solutions after decades of failed leadership by both parties. We must take a holistic, realistic, and humane approach to help solve this issue. That means supporting sheriffs and local law enforcement in impacted communities – and it also means supporting community centers and hospitals.

I am encouraged by the White House's recent actions to finally visit the border and to start proposing real steps to begin addressing the problems of the current system. And while optimistic, I will also continue to push Congress to do its job and pass comprehensive immigration reform.

Visit border communities and speak with local leaders and law enforcement like I – and many others here – have done and you'll come away with a broader understanding of the complexities of this issue and the urgent need to institute solutions.

That's why I have invited Homeland Security Secretary Alejandro Mayorkas to visit the border with me and meet with community leaders, sheriffs, non-profit representatives, and business executives in impacted communities who all want effective and humane solutions to this longtime challenge.

I look forward to working with law enforcement, nonprofits, and community leaders throughout my time in office to identify real solutions, hold the federal government accountable, and create a Safe Arizona for all its residents.

Now, ensuring a strong, safe future for Arizona means defending the freedoms of all its residents. I refuse to stand by and do nothing as my daughter – or anyone's daughter – now has fewer rights today than I did growing up.

An overwhelming majority of Arizonans – [more than 90](#) percent, in fact – believe abortion should be legal. It's time we all heed [the message](#) of the people of this state and meet this moment to ensure that we can always make our own healthcare decisions.

My administration will [always](#) protect reproductive freedom for all Arizonans. I will not support, and I will use every power of the governor's office to stop, any legislation or action that attacks, strips, or delays the liberty or inherent right of any individual to decide what's best for themselves or their families.

My budget will also match the federal Title Ten money our state receives to provide reproductive health services and family planning medication, bringing our total to more than 12 million dollars. This step will increase the program's impact here in Arizona for significantly more low-income women.

However, this should only be a start. I urge members of the legislature to put bills on my desk that will protect women, support families, and create a future for Arizona where anyone regardless of gender can succeed.

Finally, none of the solutions – or even the future – I have spoken about today will be possible without our state's most precious resource – water.

We must talk about the challenge of our time: Arizona's decades-long drought, over usage of the Colorado River, and the combined ramifications on our water supply, our forests, and our communities.

We are in a critical moment where we must be unified, where we must form new and stronger partnerships, and where we must find bipartisan solutions at a local, statewide, and national level.

This issue does not stop at state or international borders. We will all thrive together in the future ... or we will all be left with the catastrophic results of our failures.

From the work our current Senators Sinema and Kelly are leading, to the accomplishments of former Senator Jon Kyl and former Governor Bruce Babbitt, to decades of efforts by Arizonans before them, our state's leaders are at their best when they reach across the aisle for pragmatic solutions on this issue.

We should follow in their footsteps as we collectively face a drought unlike anything in modern times.

On January First, the Colorado River Tier Two mandatory water cuts went into effect – meaning Arizona will lose 21 percent of our water that comes from the most important river in the country. This equates to reducing our usage by [592,000 acre-feet just this year](#).

We must also all understand this: barring a miracle from nature, it will likely get worse before it gets better.

This should be a wake-up call for all of us, because [it will take](#) all of us to solve it. Legislators, public officials, the business community – each and every one of us must commit to the partnerships needed to avoid this.

The foundation of those partnerships must be rooted in transparency and honesty about the facts and what we are collectively facing.

For those reasons, in the next few minutes you will receive a previously unreleased report by the Department of Water Resources that shows that portions of Phoenix's far West Valley are currently short of the 100-year Assured Water Supply Program by 15 percent today. This report unequivocally shows that we have to act [now](#), or this will only be the first new area that faces this kind of shortage.

I don't understand, and do not in any way agree with, my predecessor choosing to keep this report from the public and from members of this legislature. However, my decision to release this report signals how I plan to tackle our water issues openly and directly.

**JOURNAL OF THE SENATE**  
**Monday, January 9, 2023**

Experts here in Arizona and across the nation agree there is no “silver bullet” solution to our current water challenges. We must evaluate and invest in both short- and long-term efforts that will help us achieve our goals.

This reality drives the three components of my plan for a Resilient Arizona.

First, my administration has heard loud and clear that re-establishing the Governor’s Energy Office is a priority for communities across the state. In response, we will relaunch this entity as the Governor’s Office of Resiliency, which will focus on water, energy, and land use solutions. This office will help coordinate efforts with the many departments, tribal governments, universities, organizations, and others involved in this effort. Arizona needs partnerships on a local, state, regional, and national level, and I intend to put us in the best position to do so.

Next, my administration will issue an executive order to launch the Governor’s Water Policy Council to modernize and expand the Arizona Groundwater Management Act. Facing our current reality, it’s time to update groundwater management tools and protect groundwater supplies – particularly in our rural communities.

We must take these actions today because in many parts of our state, there are effectively no restrictions on groundwater pumping and local communities have little-to-no support to manage water supplies. As a result, a new water user can move in, dig a well, and pump as much water as possible – even if it dries up the community’s aquifer.

This is why you see a Saudi Arabian conglomerate pumping local groundwater nearly unchecked in [La Paz](#) County today, to grow water-intensive crops and send them to the other side of the planet.

We all know that’s not right. Our groundwater should be used to support Arizonans, not foreign business interests.

Let’s close this water poaching loophole and work together to modernize the Arizona Groundwater Management Act.

In addition to this action, my budget allocates funds to help rural communities set up Active Management Areas. All cities and towns in our state need to proactively manage our groundwater, and by funding this program we’re providing a powerful tool to ensure we strike a balance between usage and recharging our water table.

For the last part of this approach, I look to you, members of the legislature. We are all in this together. Bring forward innovative solutions to this challenge of our time. We cannot let the same old partisan fights drag us down.

My administration is ready and willing to work with you and we will always do what’s best for Arizona and its people.

It is my belief that we all understand the gravity of the challenges before us – and it is my hope that we will use this opportunity to once again prove to the people of our state, the nation, and around the world Arizona’s visionary leadership when it comes to ensuring a stable water supply for the millions of people who call this place home.

These challenges will not be easy. Nor will the other issues we need to confront, including fixing prisons, improving accessibility for all Arizonans, lowering childcare costs, supporting veterans, protecting older and vulnerable Arizonans, and so much more.

But the people of Arizona did not send us to this capitol to solve easy problems or to leave them up to the next generation. They sent us here to do the right thing – no matter how difficult that may prove to be. We will not let them down.

I spoke earlier in these remarks about Governor Mofford and how she challenged lawmakers to choose action to solve the challenges of their time. Perhaps nothing in her speech did more to drive home the urgency of the time than these words she shared in the conclusion:

JOURNAL OF THE SENATE  
Monday, January 9, 2023

15

*“... we cannot delay. Opportunities fade. Arizona’s future hangs in the balance.*

*“... I say to you, join with me in making these difficult decisions, and together we will journey towards the next frontier.”*

They did just that, and together, they put Arizona on a path to prosperity and improved the lives of millions of families. It is my sincere hope that we can do the same at this moment more than 30 years later.

In the days, months and years ahead – of all-night budget negotiations, marathon voting sessions, and seemingly impassable disagreements – let us never forget that we all hold a deep love for this state. We are here because we want to ensure the generations that follow have a chance to also discover that love.

Thank you for committing to public service, for your partnership in finding real solutions, and for the contributions we will all make going forward as we build an Arizona for everyone.

Now let’s get to work.

A Concurrent Resolution on the death of the honorable Russell K. Pearce.

The Honorable Russell K. Pearce passed away on January 5, 2023 in Mesa at the age of 75 after a brief illness.

Russell Pearce was born on June 23, 1947 and was a fifth generation Arizonan, growing up in a blended family that totaled 13 children. He honorably served in the Army National Guard from 1965 to 1972. During that time, he served a two-year mission from 1967 to 1969 for the Church of Jesus Christ of Latter-Day Saints in the areas of New York City, New Jersey, Connecticut and Massachusetts.

**JOURNAL OF THE SENATE**  
**Tuesday, January 17, 2023**

A life-long learner, Russell Pearce earned a bachelor's degree in management from the University of Phoenix in 1981. He continued his education by earning several certificates, including certificates from Harvard University, John R. Kennedy School of Government, Arizona State University in Advanced Executive Development, the University of Colorado, Motor Vehicle Legal and Law College, Arizona State University in Budget and Appropriations and the Supreme Court of Arizona, Arizona Judicial College.

Russell Pearce cared deeply about Arizona, and he worked in a variety of public servant jobs his entire life. Before being elected to office, he worked as a deputy sheriff with the Maricopa County Sheriff's Office from 1970 to 1991, and from 1993 to 1994 he served as the chief deputy. After being shot and critically wounded in the line of duty, he was nominated for the Medal of Valor award, which is the highest award in law enforcement.

Continuing his civil service, Russell Pearce served as a judge in the North Mesa Justice Court, a pro-tem judge in the Maricopa County Justice Courts, the director of the Governor's Office of Highway Safety, the director of the Arizona Motor Vehicle Division and the chief deputy director of the Maricopa County Treasurer's Office.

Russell Pearce was elected to the Arizona House of Representatives in 2001 until his term limit in 2009 and was subsequently elected to the state Senate, serving as the Senate President in 2011. He believed in his constitutional duty to follow the rule of law and to protect Arizona's citizens by enforcing those laws. He believed in standing up for the taxpayers, efficiency in government and defending faith, family and freedom above all else. He once wrote, "The greatness of our nation is measured by the character of its people."

**ALZHEIMER'S AWARENESS DAY IN ARIZONA**

**WHEREAS**, according to the Alzheimer's Association, Alzheimer's is the most common cause of dementia, a progressive brain disease, that causes problems with memory, thinking and behavior. Symptoms usually develop slowly and get worse over time, becoming severe enough to interfere with daily tasks; and

**WHEREAS**, there are more than 150,000 Arizonans aged 65 and older living with Alzheimer's disease; and

**WHEREAS**, by 2025 there will be 200,000 Arizonans living with Alzheimer's disease; and

**WHEREAS**, Arizona has the highest growth rate of Alzheimer's in the country; and

**WHEREAS**, Alzheimer's disease is the fourth leading cause of death in Arizona; and

**WHEREAS**, there has been a 191.6% increase in Alzheimer's deaths in Arizona since 2000; and

**WHEREAS**, further research of Alzheimer's disease is critical; and

**WHEREAS**, as many as half of Americans with dementia have never been diagnosed, with only 33% of those who have been formally diagnosed aware that they have the disease; and

**WHEREAS**, early detection and diagnosis can lead to significant savings in health care costs and increased quality of life; and

**WHEREAS**, a lack of a diagnosis means a delay in treatments, care delivery and supportive services; and

**WHEREAS**, during this lost time, people living with dementia could be enrolled in potentially life-changing clinical trials of new treatments, receive emotional support by joining a support group, or begin planning for caregiving, housing and income changes; and

**WHEREAS**, while there are currently no FDA-approved treatments that prevent or cure Alzheimer's disease, data from clinical trials have shown new treatments which can meaningfully change the course of the disease for people in the earliest stages of Alzheimer's disease; and

**WHEREAS**, treatments that deliver tangible benefits to those living with mild cognitive impairment due to Alzheimer's and early Alzheimer's dementia are as valuable as treatments that extend the lives of those with other terminal diseases; and

**WHEREAS**, increasing public awareness about Alzheimer's is key to early detection and diagnosis;

**THEREFORE, BE IT RESOLVED**, by the Senate of the State of Arizona, the House of Representatives concurring: That the Members of the Legislature proclaim January 23, 2023 as Alzheimer's awareness day in the State of Arizona.

*Dated this 23rd day of January 2023*

**RULE 9**  
Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

**RULE 10**  
Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 11  
Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12  
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13  
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 15  
Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: “Shall the Senator for the reasons assigned by the Senator, be excused from voting?” which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: “You have heard the (motion or third or final reading) of (the matter to be voted upon). If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1004

Senate Resolution 1004 was introduced and read in full by Senator Miranda as follows:

A Resolution on the death of Mel J. Hannah.

Mel J. Hannah, former Flagstaff City Council and Coconino County Board of Supervisors member, passed away on January 8, 2023 at the age of 84.

Born in Winslow, Arizona, Mr. Hannah graduated from Winslow High School in 1956, where he received a music and football scholarship to Eastern Arizona College (EAC). After two years at EAC, Mr. Hannah attended Northern Arizona University, called Arizona State College (ASC) at the time, for two years and played as a member of the ASC football team.

After college, Mr. Hannah settled in Flagstaff, Arizona and worked as a member of the United States Forest Service and as the assistant director of the Northern Arizona Council of Governments, where he was involved in delivering services to low-income communities, communities of color and rural communities.

In 1973, Mr. Hannah was elected as the first African American on the Flagstaff City Council, where he served for over twelve years. After leaving the Flagstaff City Council, Mr. Hannah was elected as the first African American on the Coconino County Board of Supervisors and served for six years.

During his time in Flagstaff, Mr. Hannah served as the president of the Flagstaff Chapter of the National Association for the Advancement of Colored People (NAACP) and as vice chairman of the NAACP Arizona State Conference. After moving to Phoenix, Mr. Hannah worked for Governor Fife Symington as the assistant director of the Equal Opportunity Office and later as the director of community outreach and job development for the Greater Phoenix Urban League, which supports minority families and underserved populations by providing connections to employment, housing, job training, health care and education.

Despite the demands of his career, Mr. Hannah served as a true servant leader and chaired many civic committees in order to make his community and state a better place in which to live and work. He was proud of his involvement with establishing the Arizona African American Commission, eventually serving as a commissioner, and his service as chairman of the Arizona African American Legislative Days for 21 years.

Mr. Hannah believed "there are two important days in your life. One is the day you are born and the next one is why. And so to me, civic engagement, civic engagement, civic engagement became the answer to that why in terms of improving the quality of life for everyone. That to me has been the reason I recognize my second day."

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate express sincere regret at the passing of Mel J. Hannah and extend their deepest sympathies and condolences to his family and many friends.

Senator Miranda moved that Senate Resolution 1004 be unanimously adopted and that the Senate stand in a moment of silence in memory of Mel Hannah. The motion carried.

Senate Resolution 1004 was signed in open session and transmitted to the Secretary of State.

The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all Senate bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the sixtieth day from the beginning of each regular session falls. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

**JOURNAL OF THE SENATE**  
**Wednesday, February 15, 2023**

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(a) The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

E. NO COMMITTEE OTHER THAN THE RULES COMMITTEE SHALL MEET WHILE THE SENATE IS MEETING IN SESSION WITHOUT SPECIAL PERMISSION OF THE PRESIDENT.

RULE 8  
 Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A COW consent calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from amended measures reported out of all committees to which they were referred with zero "no" votes. The COW consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest any measure being subject to group motion and adoption of all committee amendments by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the COW consent calendar. Additionally, the filing of a floor amendment with the Secretary of the Senate shall automatically remove the bill, resolution or memorial from the COW consent calendar. The President may remove a bill, resolution or memorial from the COW consent calendar at any time. Subject to Rule 17-K, the bills, resolutions, or memorials remaining on the COW consent calendar and passed will then be placed on the third reading calendar.

5. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a "do pass" or "do pass amended" recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

6. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

#### RULE 9 Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

**JOURNAL OF THE SENATE**  
**Wednesday, February 15, 2023**

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

**RULE 10**  
**Roll Call and Quorum**

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

**RULE 11**  
**Motions**

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

RULE 12  
Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13  
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14  
Bills, Resolutions, Memorials, Engrossed  
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

**JOURNAL OF THE SENATE**  
**Wednesday, February 15, 2023**

D. Bills, resolutions and memorials may be prefiled by any member-elect for introduction in the first regular session during the period following the certification of election of members by the Secretary of State until the first day of the first regular session. Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The chairman of each committee to which a bill, resolution or memorial is referred shall receive one copy endorsed "Committee Copy". Subsequent copies shall be endorsed and distributed as the President directs.

F. Unless otherwise ordered by the President, a sufficient number of copies of any bill, resolution or memorial shall be duplicated.

G. All bills prepared for introduction which propose to amend existing statutes shall show the new language in capital letters (upper case) and the deletions shall be shown in regular type (lower case), lined through. New language to be added to the statutes shall be in capital letters (upper case).

H. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . through . . .". If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause".

**RULE 15**  
**Voting**

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

RULE 15.1  
Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call", "roll call vote" or "recorded vote", such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

RULE 16

All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

E. The Presiding Officer shall give notice at each reading, whether it be the first, second or third reading, and a Journal entry of the same shall be made by the Secretary.

**RULE 17**

Committee of the Whole; Additional Committee of the Whole

A. In forming a Committee of the Whole, the President shall leave the Chair after appointing a chairman to preside. The chairman so appointed shall preserve and maintain order.

B. The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. The body of a bill shall not be defaced or interlined, but amendments shall be noted by the chairman or Secretary upon a separate piece of paper and reported to the Senate.

F. The proceedings of the Committee of the Whole shall be taken down by the Secretary of the Senate, acting as the Secretary of the Committee of the Whole. The chairman of the Committee of the Whole shall in the chairman's report set forth all actions of the Committee of the Whole.

G. When a bill or resolution is considered in the Committee of the Whole, the only regular motions which are in order are the following:

1. To propose amendments.
2. To limit debate.
3. To recommend.
4. To rise and report.
5. That the bill or resolution retain its place on the calendar.
6. That the bill or resolution be retained on the calendar.

H. A roll call vote shall be taken when a motion to recommend is defeated. No other roll call votes shall be taken in Committee of the Whole.

I. No proposed amendment in Committee of the Whole to strike everything after the enacting clause and insert new material shall be in order.

J. A motion to amend the Committee of the Whole report shall not be in order unless the proposed amendment to the report has been voted on in the Committee of the Whole.

K. The Senate may by a majority vote of the members present bring a bill, memorial or resolution otherwise designated as available for third reading to Committee of the Whole for amendment or further amendment, except no proposed amendment to strike everything after the enacting clause and insert new material is in order.

RULE 18  
Sitting as in Committee of the Whole

The Senate may by majority vote of the members present sit as in Committee of the Whole for consideration of any subject except if the subject is a bill, memorial or resolution which has been considered in Committee of the Whole, the consideration shall be limited to technical changes.

RULE 19

B. All confidential legislative and executive proceedings and the proceedings when sitting as a Court of Impeachment, shall be recorded in a separate book.

C. The protest or remarks of any Senator and reasons therefor shall be entered on the Journal, if presented in writing, but no protest or remarks shall exceed two hundred words in length without the consent of the Senate.

RULE 20  
Proceedings on Nominations

A. When nominations shall be made by the Governor of the State to the Senate, they shall, unless otherwise ordered, be referred to appropriate committees, and a standing committee. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and

**JOURNAL OF THE SENATE**  
**Wednesday, February 15, 2023**

placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

B. Nominations confirmed or rejected by the Senate shall not be returned to the Governor by the Secretary until the expiration of the time limit for making a motion to reconsider the same, or while a motion to reconsider is pending, unless otherwise ordered by the Senate by a majority of the members present.

**RULE 21**  
**Messages**

A. Messages from the Governor of the State, or from the House of Representatives, may be received at any stage of proceedings, except while the Senate is dividing, or while the Journal is being read, or while the question of order or a motion to adjourn is pending.

B. Messages shall be sent to the House of Representatives by the Secretary, who shall previously certify the determination of the Senate upon all bills, joint resolutions and other measures which may be communicated to the House, or in which its concurrence may be requested, and the Secretary shall also certify and deliver to the Governor of the State all resolutions and other communications which may be directed to him by the Senate.

**RULE 22**  
**Amendments of the House**

A. Any amendment by the House to any Senate bill shall be subject to one of the following motions or actions:

1. Concur in House amendment.
2. Refuse to concur in House amendment and appointment of Conference Committee, free or simple.
3. The President may refer the bill with the House amendment to a committee for study and recommendations of concurrence or refusal to concur.

B. Any amendment by the House which includes the addition of the emergency clause shall require a two-thirds vote of the members of the Senate for final passage with the emergency clause.

**RULE 23**  
**Conference Committees and Reports**

A. Conference Committees may be either simple or free. A Simple Conference Committee shall be limited to points of disagreement between the two Houses and shall not add unrelated new material, except to conform the provisions to other sections of the bill, enactments of the current session or procedural requirements. A Free Conference Committee may recommend striking amendments, compromising, or inserting something entirely new except that a Free Conference Committee may not recommend striking everything after the enacting clause and inserting new material.

B. Every conference report shall be accompanied by a detailed statement sufficiently explicit to inform the Senate what effect such amendments or propositions, if any, will have upon the measure to which they relate. A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

C. A Free Conference Committee shall not take final action on a Free Conference Committee report unless the measure has been heard in a public hearing of the Free Conference Committee.

D. A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.
2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.
4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

E. Except as provided herein, conference committees shall consider a bill prior to Saturday of the week in which the ninety-seventh day from the beginning of each regular session falls. No conference committee shall meet to consider a bill after such time without the written permission of the President.

#### RULE 24 Parliamentary Practice and Procedure

Parliamentary practice and procedure in the Senate shall take precedence in the order listed:

1. Constitutional provisions.
2. Senate Rules.
3. Statutory rules and provisions.
4. The rules of parliamentary practice and procedure as contained in Mason's Manual of Legislative Procedure.
5. Senate customs and usages.

**COMMUNICATIONS FROM THE GOVERNOR**

The President announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On February 16, 2023, the Governor vetoed Senate Bills 1523, 1524, 1525, 1526, 1527, 1528, 1529, 1530, 1531, 1532, 1533, 1534 and 1535 with the following message:

February 16, 2023

The Honorable Warren Petersen  
President of the Senate  
1700 W. Washington Street  
Phoenix, AZ 85007

President Petersen,

Re: SB1523, SB1524, SB1525, SB1526, SB1527, SB1528, SB1529, SB1530, SB1531, SB1532, SB1533, SB1534, SB1535

Today I vetoed SB1523, along with the twelve other FY2024 budget bills that were transmitted to my office.

Five weeks ago, I stood before the legislature and, invoking the words of the late Governor Rose Mofford, asked the members to work with me in making "difficult choices" about the future of our state. I spoke about the need to address Arizona's housing crisis, to make college more affordable, to put money back in the pockets of working families, and to truly invest in public education.

Four days later, I delivered a budget proposal to the legislature that makes meaningful progress on these exact issues. As rent and housing prices have skyrocketed, my budget includes a historic investment in the Housing Trust Fund to help keep people in their homes and off the street. As everyday costs have increased and strained household budgets, I proposed a plan to put more money into the pockets of working families. As cutting-edge companies relocate to Arizona, my budget makes major investments in college scholarships and dual enrollment programs, to ensure we're preparing our students for the jobs of the future. And, perhaps above all else, my budget makes it clear that for as long as I'm Governor, Arizona will prioritize investment in public education.

JOURNAL OF THE SENATE  
Monday, February 20, 2023

Along with these immediate investments, my budget proposal puts a quarter of a billion dollars in the Rainy Day Fund, *and* leaves a quarter of a billion dollars on the table to ensure a healthy structural balance.

Unfortunately, despite my call to take on these difficult choices and protect our state's future, the budget approved by a slim, partisan majority in the legislature takes another path. An easy path. Rather than tackling *difficult* choices, this budget presents Arizonans with *false* choices. This purely-partisan budget says that we can't invest in our state now and invest in our future. It says that we can't address the challenges of today and save for the challenges of tomorrow. It says that as Democrats and Republicans, we can't disagree with each other and work together in the best interest of the state.

I reject these false choices because I'm an optimist, particularly when it comes to Arizona. I'm confident that we can work together on a budget that addresses our state's housing crisis, lowers costs, prepares our workforce, and invests in public education. I know that the people of Arizona didn't send us here to do the easy thing. They sent us here to do the right thing.

As we move forward this legislative session, I hope that all elected officials-regardless of party affiliation-will remain open to bipartisan discussion, solutions, and compromise. The people of Arizona demand it. So let's get to work.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

On February 23, 2023, the Governor vetoed Senate Bill 1184 with the following message:

February 23, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington Street  
Phoenix, AZ 85007

Re: SB 1184

President Petersen,

I have vetoed SB1184. I appreciate the legislature's interest in addressing rising housing costs, particularly for renters. Lowering costs for Arizona families is a priority of my administration. Unfortunately, this bill suffers from two important defects at this time.

First, this bill lacks any enforceable mechanism to ensure relief will be provided to renters. As noted by the legislature's own attorney, provisions in the bill that purport to require that tax savings be passed on to renters face challenges under both the state and federal constitutions. If we are going to promise relief to renters, it's important that we are able to ensure they actually receive it. For working families faced with ever-increasing rental prices, this proposal just doesn't fit the bill.

Second, the bill includes an appropriation of roughly 270 million dollars over the next eighteen months. To approve of such an appropriation outside of a comprehensive budget agreement would be irresponsible. If the majority caucus is committed to such an appropriation, I expect that it will be brought to bipartisan budget negotiations for consideration.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

**Arizona State Senate**  
 Resolution

ASSURING CIVIL RIGHT TO INFORMED CONSENT

**WHEREAS**, a fundamental principle of informed consent and bodily integrity is the uncoerced right to accept or refuse a medical intervention, product, or procedure; and

**WHEREAS**, a mandated one-size-fits-all medical practice negates informed consent, and the reality is that nature is complex and that medical care requires *individualized* considerations; and

**WHEREAS**, the four principles of medical ethics (respect for autonomy, beneficence, nonmaleficence, and justice) and the tenets of "full informed consent" are imperative in the practice of medicine; and

**WHEREAS**, the patient must make a voluntary choice to accept or refuse treatment; and

**WHEREAS**, when a patient or their advocate has refused a medical intervention, product, or procedure, mandating over that objection is unethical, disrespectful, unjust, and illiberal, and the entire reason for the universal principle of informed consent; and

**WHEREAS**, medical interventions, products, and procedures are marketed and lobbied for by a for-profit industry that reaps billions of dollars in profits annually and has more registered lobbyists than any other industry; and

**WHEREAS**, this same industry enjoys immunity from liability for injuries from many of its products unparallel by any other industry, including from the Public Readiness and Emergency Preparedness Act (PREP Act).

**THEREFORE, BE IT RESOLVED**, that the Arizona State Senate proclaims that there shall be no law that mandates or coerces an individual to receive, or that penalizes an individual for refusing, a medical intervention, product, or procedure.

*Dated this 28<sup>th</sup> day of February 2023*

*JANAE SHAMP  
Arizona State Senator*

The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

A copy of each Conference Committee report shall be placed on each member's desk a reasonable time before consideration of the report. The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

A Free Conference Committee report on a bill which includes conference amendments may, upon the filing of the report in the Secretary of the Senate's office, be reassigned by the President to the Committee on Rules. If assigned to the Committee on Rules, the Committee on Rules shall consider such report for constitutionality and proper form and the reasonable germaneness of conference amendments. A bill including any amendments shall be presumed to contain one subject if:

1. The resulting bill has one general purpose and all other matters contained therein are related to that purpose or necessary to effectuate the purpose.

2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

As set forth below, at the end of the retention period with the legislature, the Senate Secretary or the Senate Secretary's designee must transfer to LAPR all records kept by the Senate Secretary, regardless of format, that have a retention period designated as permanent, unless otherwise instructed by LAPR. The Senate Secretary shall work with LAPR's established requirements for transfer.

2. Electronic records. At the end of the retention period set forth below, the custodian shall destroy electronic items not designated as having a retention period of permanent.

On March 3, 2023, the Governor vetoed Senate Bill 1248 with the following message:

March 3, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington Street

Re: SB 1248,

President Petersen,

Today, I vetoed SB 1248.

I appreciate the legislature's interest in the scope of practice expansion, and agree that we need to make the sunrise application process more effective, efficient, and fair. However, repealing the sunrise application for scope of practice expansion altogether without replacing it with a better mechanism will not address the underlying issues, and poses a threat to the health and safety of Arizonans.

The sunrise application process for scope expansions provides the legislature, health care practitioners, and the public an opportunity to weigh in on potential scope of practice expansions. As a legislator, I sat on the Committee of Reference that reviews scope of practice expansions for providers, and know how powerful this Committee can be when our legislators engage fully and openly in the process.

Scope of practice expansions are serious matters that should be considered with a critical eye to preserve the health and safety of our constituents. Some expansions provide authority to prescribe dangerous and/or addictive substances, to perform medical procedures, or to practice medicine with less supervision. Some are much more mundane, but that does not mean that they should not be held to some level of scientific and public health scrutiny.

Without the sunrise application process, provider groups could fast-track their priorities through the legislative process without adequate attention to why the change is necessary, or if it will impact communities with the greatest needs.

While I am vetoing this effort to do away with the sunrise process altogether, I am committed to working with the legislature and our healthcare provider communities to identify an alternative pathway toward scope of practice expansion. I hear the concerns of providers hoping to expand care in communities where it is most needed, and I am committed to helping promote a culture of health in Arizona.

It's clear that there is an imbalance of power between high-level and low-level providers, and that the current structure of our boards and commissions does not provide equal weight to their professional and financial interests. I welcome ideas to rebalance and right-size our regulatory boards and commissions, as well as policy solutions that will reduce the regulatory and administrative burden on health care provider groups.

We can and we should work together to identify health policy opportunities that will promote equitable access to care.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Whereas, the United States Secretary of State issued a statement on October 26, 2021, encouraging all United Nations (UN) Member States to join us in supporting Taiwan's robust, meaningful participation throughout the UN system and in the international community; and

Whereas, the Arizona Legislature passed resolutions in support of Taiwan's participation in international organizations, including INTERPOL and UN specialized agencies such as the World Health Organization (WHO), the ICAO and the United Nations Framework Convention on Climate Change (UNFCCC) in 2012, 2014, 2016, 2017, 2018, 2019, 2020, 2021 and 2022; and

March 9, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington Street  
Phoenix, AZ 85007

Re: SB 1305

President Petersen,

Today I vetoed SB 1305.

It's time to stop pushing students and teachers into culture wars rooted in fear mongering and evidence-free accusation. Bills like SB1305 serve only to divide and antagonize.

I urge the Legislature to work with me on the real issues affecting Arizona schools: underfunded classrooms, a growing educator retention crisis, and school buildings in need of repair and replacement.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

The President requested that the Senate stand in a moment of silence in memory of Mark William Shamp.

Mark William Shamp was born on March 9, 1978, to Michael and Melanie Shamp (Struthers) of Pine River, and passed away on March 3, 2023. He attended Pine River/Backus schools and graduated in 1996. On August 7, 2010, he was married to the love of his life, Ashlee (Zaffke), his "young and fine" sweetheart.

Mark worked for Larson Construction for 20 years. Later he worked on the Shamp's family farm. Having more time on his hands, he enjoyed woodworking, making bowls and furniture, but most of all he and Ashlee loved farming, riding horse, camping, campfires, and trail rides. Mark truly loved his family and friends.

Mark is survived by his loving wife, Ashlee; children: Archer, Taylor, and Oliver; parents, Michael and Melanie Shamp; grandmother, Marlys Struthers; in-laws, Paul and Janile Zaffke; siblings: Melissa (Ty) Van Heerden, Marlayna (Lyle) Hutchinson, Matthew (Kyann) Shamp; brothers-in-law, Jev Zaffke, Casey (Kaylee) Zaffke, Jason (Chelsea) Zaffke; aunts and uncles, many cousins, nieces and nephews, and countless friends. He was preceded in death by his grandparents, Archie and Elene Shamp and LaVerne Struthers.

The Apostle Paul wrote in Philippians 3:20 But our citizenship is in heaven. And we eagerly await a Savior from there, the Lord Jesus Christ, who, by the power that enables him to bring everything under his control, will transform our lowly bodies so that they will be like his glorious body.

Mark was a loving husband, son, father, brother, uncle, and friend. He will be deeply missed. Burial will be in the Shamp Family Cemetery.

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1020

Senate Concurrent Resolution 1020 was introduced and read in full by Senator Hatathlie as follows:

A Concurrent Resolution on the death of the Honorable James Henderson, Jr.

The Honorable James Henderson, Jr. passed away on December 30, 2022 in Gallup, New Mexico, at the age of 80.

Born on May 15, 1942 in Ganado, Arizona, James Henderson, Jr. was a member of the Navajo Nation who spent his life in service to his community and the Navajo people. After graduating from Riverside Indian School in Anadarko, Oklahoma, in 1963, he was drafted into the United States Army and served in the Vietnam War from 1966 to 1968. He was awarded the Purple Heart after being wounded in battle.

After being honorably discharged from the service, James Henderson, Jr. attended Utah State University then embarked on his career in public service, working for the Arizona Department of Economic Security and the Bureau of Indian Affairs. He also served the Navajo Nation as the Director of Range Management and the Director of Tribal Legislative Affairs, and he served as the national commander for the Navajo Nation's veterans' organization. In all, James Henderson, Jr. served as a dedicated and effective employee of the Navajo Nation for 30 years. In 1985 James Henderson, Jr. was elected to serve as a member of the Arizona State Senate, and throughout his seven terms of legislative service, he served the constituents of district 3 with dedication and tenacity. He was known as a strong advocate for veterans, including at the national level, as well as for elderly individuals and youth. Senator Henderson earned the well-deserved reputation as a conscientious and effective public servant and was respected by his peers on both sides of the political aisle.

James Henderson, Jr. will be greatly missed by his wife, Elaine, his sister, Marcella, his sons and daughters, his many children and great-grandchildren, and the citizens of the Navajo Nation and the State of Arizona.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature express their sympathies at the passing of Senator James Henderson, Jr. and extend their condolences to his surviving family members.

Senator Hatathlie moved that Senate Concurrent Resolution 1020 be unanimously adopted and that the Senate stand in a moment of silence in memory of James Henderson. The motion carried.

#### MESSAGES FROM THE HOUSE

(March 15, 2023)

House unanimously adopted House Concurrent Resolution 2044

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2044

House Concurrent Resolution 2044 was introduced and read in full by Senator Kern as follows:

A Concurrent Resolution recognizing the Assyrian Genocide.

Whereas, the denial of genocide is widely recognized as the final stage of genocide, enshrining impunity for the perpetrators of genocide and demonstrably paving the way for future genocides; and

Whereas, the Ottoman Empire committed the crime of genocide against the Assyrian people, killing at least 300,000 innocent Assyrians and more than one million Armenians, Greeks and other Christians by way of mass executions, death marches, torture and starvation during the First World War; and

Whereas, the Elie Wiesel Genocide and Atrocities Prevention Act of 2018 establishes that atrocities prevention represents a United States national interest and affirms that it is the policy of the United States to pursue a government-wide strategy to identify, prevent and respond to the risk of atrocities by strengthening diplomatic response and by effectively using foreign assistance to support appropriate transitional justice measures, including criminal accountability for past atrocities; and

Whereas, the majority of the Assyrian population was displaced from their homes and forced to escape to neighboring and faraway communities and countries, with many refugees fleeing to the United States. Today, Arizona is honored to be home to a vibrant population of more than 25,000 Assyrian-Americans. This thriving community is a proud reminder of survival and perseverance in the face of extreme injustice; and

Whereas, the most notable victim of this tragic period was the ethno-martyr and Catholicos Patriarch Mar Benyamin Shimun XXI, the leader of the Assyrian Nation and Church; and

Whereas, the Assyrian Genocide remains unrecognized by many countries and organizations across the globe, including the United States.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

1. That the members of the Legislature affirm that it is the duty of the United States to:
  - (a) Commemorate the Assyrian Genocide through official recognition and remembrance.
  - (b) Reject efforts to enlist, engage or otherwise associate the United States government with denial of the Assyrian Genocide or any other genocide.
  - (c) Call on the government of Turkey to acknowledge the genocides against these mentioned populations, to issue a formal apology and to take prompt and meaningful steps toward restitution.
  - (d) Encourage education and public understanding of the facts and relevance of the Assyrian Genocide in comparison to modern-day crimes against humanity.
2. That the Members of the Legislature acknowledge that the Ottoman Empire's campaign against its Christian minorities that occurred between 1914 and 1923 constituted genocide against Assyrians, Armenians and Greeks.

Senator Kern moved that House Concurrent Resolution 2044 be unanimously adopted. The motion carried.

House Concurrent Resolution 2044 was signed in open session. The Secretary recorded the action and returned the Resolution to the House.

#### REPORTS OF STANDING COMMITTEES

The President announced that without objection, Reports of Standing Committees as listed on the calendar would not be read. The reports would be entered in the Journal and the Secretary would record the action.

**INTRODUCTION AND FIRST READING BILLS**  
**UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2045**

House Concurrent Resolution 2045 was introduced and read in full by Senator Hatathlie as follows:

**JOURNAL OF THE SENATE**  
**Thursday, March 23, 2023**

A Concurrent Resolution on the death of the honorable Jack Jackson, Sr.

The Honorable Jack Jackson, Sr. passed away on March 5, 2023 at the age of 90.

Jack Jackson and his identical twin brother, Dean, were born in Leupp on the Navajo Nation in 1932. They were Diné born of the Kinyaa'aanii (Towering House) Clan, born for the Ashjiihi (Salt People) Clan. Jack graduated from the Chilocco Indian Vocational High School in Oklahoma before going on to earn both bachelor's and master's degrees from Northern Arizona University. In high school, he and Dean achieved success as basketball players and were introduced to the rodeo, which they continued to participate in on their return to Arizona. In addition to competing in calf and team roping events, they founded the All Indian Rodeo Cowboy Association, which continues to support Native rodeo competitors today.

After his college graduation, Jack Jackson served as a teacher at Window Rock High School, teaching social studies, health and physical education. He later served as athletic director, director of student affairs and head basketball coach at Diné College, then known as Navajo Community College, and later served as director of the Office of Diné Education and Philosophy. In all his endeavors as an educator and coach, Jack Jackson stressed the importance of Navajo youth pursuing their education, believing that this would help the Navajo people prosper and thrive.

Additionally, Jack Jackson served as executive director of the Navajo Nation Health Authority in the Office of Student Affairs and Native Healing Sciences, a role that led him to become a medicine man. He was ordained in the Female Windway Ceremony and the Bowguard Ceremony and was a founder of the Navajo Traditional Healing Service Practitioners and Medicine Men Association.

Jack Jackson, Sr. went on to represent the Fort Defiance Agency on the Navajo Nation Council from 1980 until 1984, when he decided to run for a seat in the Arizona House of Representatives. He served in that capacity for 14 years before winning a seat in the Arizona Senate, where he served nearly six more years. As a legislator, Jack Jackson was instrumental in establishing the Arizona Indian Legislative Day, which continues to be held each year to provide Arizona's 22 tribal governments an opportunity to voice their unique concerns at the Capitol. Additionally, Senator Jackson worked tirelessly for passage of a bill to provide critical funding for Diné College and other tribal educational institutions. He was proud to serve Arizonans in the legislature alongside his son, former Representative Jack Jackson, Jr. for several years.

In his various roles as educator, legislator, rodeo cowboy, medicine man, rancher, athlete and coach, Jack Jackson, Sr. fiercely defended the Diné way of life and worked diligently to preserve Navajo beliefs, traditions, language and culture. His dedication and compassion to his work earned him the respect and admiration of all who had the privilege of knowing and working with him over the years, and he leaves behind a great legacy that will long benefit future Navajo generations.

Jack Jackson, Sr. is preceded in death by his wife, Eloise, his brother, Dean, and a daughter, Janice, and he is survived by his children, Ronald, Jack, Jr. and Florinda, five grandchildren and five great-grandchildren. He will be greatly missed by his loving family and friends, the Navajo people and the citizens of Arizona.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature express their regret at the passing of the Honorable Jack Jackson, Sr. and extend their deepest condolences to the Navajo people and to his surviving family members.

Senator Hatathlie moved that House Concurrent Resolution 2045 be unanimously adopted and that the Senate stand in a moment of silence in memory of Jack Jackson, Sr. The motion carried.

House Concurrent Resolution 2045 was signed in open session. The Secretary recorded the action and returned the Resolution to the House.

MESSAGES FROM THE HOUSE

(March 23, 2023)

House unanimously adopted House Concurrent Resolution 2047

INTRODUCTION AND FIRST READING BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2047

House Concurrent Resolution 2047 was introduced and read in full by the Reader as follows:

A Concurrent Resolution honoring and remembering United States Army Specialist Lori Ann Piestewa on the twentieth anniversary of her death.

Whereas, Lori Ann Piestewa, a member of the Hopi Tribe, was born in Tuba City, Arizona, on December 14, 1979 to Terry Piestewa, a Hopi Native American, and Priscilla Baca, who is of Mexican descent; and

Whereas, Lori Piestewa was given the name Qotsa-Hon-Mana (kotsa hon mana), which translates to White Bear Girl, with her surname, Piestewa, deriving from the Hopi language root meaning "water pooled in the desert by a hard rain"; and

Whereas, those who knew her described Lori Piestewa as having a strong sense of duty to the people around her, always doing what was right and having a strong ethical and moral code; and

Whereas, in March 2001, Lori Piestewa enlisted in the United States Army and left for basic training at Fort Sill, Oklahoma. She was assigned to the 507th Maintenance Company in Fort Bliss, Texas, where she rose to the rank of Private First Class; and

Whereas, on March 19, 2003, President George W. Bush ordered the invasion of Iraq as part of the global war on terror. As this was the first war in which American women could actively participate in combat units, Lori Piestewa was deployed to fight for her country as part of the 507th Maintenance Company; and

Whereas, three days later, on March 23, Lori Piestewa's convoy ran into an ambush and came under a torrent of fire that included a rocket-propelled grenade that caused her fatal crash. Lori Piestewa became the first Native American Woman to die in combat while serving in the United States military and the first woman in the United States military to be killed in the Iraq War; and

Whereas, Lori Piestewa left behind her parents and two children. Her son, Brandon Whiterock, explains that the Hopi people strive for harmony, so her final moments were not a violent struggle for survival, and there is some comfort, however small, in knowing that Lori Piestewa died trying to help her friends escape; and

Whereas, Lori Piestewa was awarded the Purple Heart and Prisoner of War Medal and was promoted posthumously to Specialist for the bravery, dedication and fearlessness she showed while serving her country; and

Whereas, Lori Piestewa's family has joined other Gold Star Families to mark the twentieth anniversary of the ambush at Nasiriyah on March 23rd this year with the Piestewa Fallen Heroes Memorial with a sunrise ceremony to honor our fallen heroes.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature honor United States Army Specialist Lori Ann Piestewa and the Piestewa Fallen Heroes Memorial and encourage the citizens of Arizona to commemorate the tremendous bravery and patriotism of individuals such as she who made the ultimate sacrifice for our country.

Senator Hatathlie moved that House Concurrent Resolution 2047 be unanimously adopted and that the Senate stand in a moment of silence in memory of Lori Piestewa. The motion carried.

House Concurrent Resolution 2047 was signed in open session. The Secretary recorded the action and returned the Resolution to the House.

MESSAGES FROM THE HOUSE

(March 27, 2023)

House unanimously adopted House Concurrent Resolution 2048

INTRODUCTION AND FIRST READING BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2048

House Concurrent Resolution 2048 was introduced and read in full by Senator Kerr as follows:

A Concurrent Resolution on the death of Joe Hart.

The Honorable Joe Hart passed away due to complications from kidney disease at the age of 78 on September 11, 2022 in Cedar City, Utah.

Born on May 8, 1944 in Kingman, Arizona, Joe was a fourth-generation Arizonan and a lifelong resident of Mohave County. He was the seventh child of Kenneth Hart and Helen McDermott and spent his childhood days riding his horse around Kingman and sitting at his mother's diner "The Chocolate Shop," which was located on Fourth Street. His parents taught him the value of a hard day's work, and that work ethic served him well as he followed in his family's legacy of working in the mining business.

Joe eloped with Rhonda Kay Reeves on September 4, 1967 in Las Vegas, Nevada, and their marriage was eventually sealed in 1972 in the St. George, Utah Temple. Together they raised four daughters who were affectionately known as the "Hart Girls."

Joe worked at the Duval Mine for 20 years as a safety foreman and considered his crew like a second family. Beginning in the 1970s, he began to spend his weekends and evenings ranching with his mentor, Flay Peterson. When Flay retired in 1979, Joe and Rhonda bought his business, the Black Mountain Cattle Company. Riding horses and ranching continued to be passions he held for the rest of his life.

In 1984, Joe and Rhonda bought their first radio station in Kingman, eventually adding two more radio and two television stations to their broadcasting company, and through these businesses they were able to connect to and serve their community. Joe's love of country music and natural ability to speak with people led him to interview some of the genre's greatest stars, including Johnny Cash, Merle Haggard and Reba McEntire.

Joe was elected in 1992 to the Arizona House of Representatives where he served for ten years. He was selected as Speaker Pro Tempore and served as chairman on several committees, including Public Institutions, the Environment and Government Operations. His time spent in the Legislature involved some of his most cherished memories, and he counted many of the members as his closest friends. He was passionate about western states' issues such as protection of property and water rights, agriculture, mining and transportation. Joe served on the Interstate 11 Commission and helped to designate Highway 93 as part of the NAFTA trade corridor.

With a well-timed appearance at the Capitol of his ever-popular cattle roping machine, Lightning, Joe was particularly popular when the end of a regular legislative session approached. As exhaustion grew and patience diminished, Joe's endearing affability encouraged legislators, staff, lobbyists and the governor to try their hand with the cowboy's lasso as conference committees, engrossing of bills and final negotiations concluded. This special sine die tradition did more than signal the end of the legislative session, it also disarmed contention, renewed the pioneering Arizona spirit, energized lawmakers to rally and embodied the love for one another that Joe dedicated his entire life to honor and maintain.

With his experienced career in the mining industry, it was only natural that Joe ran for Arizona State Mine Inspector, as Arizona is the only state that has an elected mine inspector position. He won his first election in 2006 and all his subsequent elections, serving as the first statewide elected official from Mohave County and as the eleventh Arizona State Mine Inspector, until his retirement in 2021. Joe's top priority was to make the State of Arizona safe for its residents to live, work and recreate, which led to his tireless effort to identify, fence and close abandoned mines.

Joe will be missed by his wife of 55 years, Rhonda, and his four daughters, Cari Jo, Trish, Jodi and Amy, his 11 grandchildren and his five great-grandchildren. He called all of them his "pride and joy" and considered himself the luckiest man in the world. Joe had many titles in his life, including miner, rancher, businessman, patriot, statesman and friend, but the ones he cherished the most were Sweetheart, Dad and Papa.

As this cowboy rides away, he will be remembered as a man of faith who dedicated his life to service to his family, friends, community, state and country. Thank you, Joe, for sharing your goodness with us.

Good ride, cowboy.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature sincerely regret the passing of Joe Hart and extend their most sincere sympathies and condolences to his surviving family and friends.

Senator Kerr moved that House Concurrent Resolution 2048 be unanimously adopted and that the Senate stand in a moment of silence in memory of Joe Hart. The motion carried.

House Concurrent Resolution 2048 was signed in open session. The Secretary recorded the action and returned the Resolution to the House.

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

The President announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On March 28, 2023, the Governor signed and transmitted to the Secretary of State Senate Bills 1036, 1051, 1078, 1173, 1190, 1211, 1218, 1283 and 1473.

On March 28, 2023, the Governor vetoed Senate Bills 1063 and 1096 with the following messages:

March 28, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: SB 1063

President Petersen,

I have vetoed SB 1063.

I've heard from dozens of local leaders about the impact this legislation would have on municipalities. From potential cuts to service-including public safety-to increased property taxes, it's clear that this bill doesn't actually eliminate costs for our residents. It simply moves these costs around.

The bill, originally unveiled as a way to mitigate inflation, does not take effect for more than two years. What's more, it does nothing for the more than 800,000 Arizonans who use SNAP and WIC benefits for their groceries, as these constituents are already exempt from the tax.

Let's work together to provide real relief for Arizonans struggling with higher costs.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

March 28, 2023

Senator Warren Petersen  
 President of the Senate  
 1700 W. Washington St.  
 Phoenix, AZ 85007

Re: SB 1096

President Petersen,

I have vetoed SB 1096.

This bill is unnecessary and, if enacted, could result in banks leaving Arizona's market. This would limit competition and increase costs for local governments, costs which ultimately fall on taxpayers.

I once again urge the legislature to focus on providing real solutions to the real challenges faced by our state.

Sincerely,

/s/ Katie Hobbs  
 Governor  
 State of Arizona

COMMUNICATIONS FROM THE GOVERNOR

The President announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On March 30, 2023, the Governor signed and transmitted to the Secretary of State Senate Bills 1049, 1230 and 1584.

On March 30, 2023, the Governor vetoed Senate Bills 1024 and 1250 with the following messages:

March 30, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: SB 1024

President Petersen,

I have vetoed SB 1024.

We need to address Arizona's housing and homelessness crisis in a comprehensive manner. Rather than solving these issues in a meaningful way, this bill only makes them less visible. Now, more than ever, it's important that we are clear-eyed about the challenges we face and the urgency required to overcome them.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

March 30, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: SB 1250

President Petersen,

I have vetoed SB 1250. This bill is unnecessary, as legal protections for an employee's religious beliefs already exist in federal employment law. This bill also threatens employers with a civil penalty and a hefty fine, which could be devastating for Arizona's many small businesses.

Let's work to find bipartisan solutions that promote the educated and healthy workforce that is essential for Arizona's economy.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2037

House Concurrent Resolution 2037 was introduced and read in full by Senator Marsh as follows:

A Concurrent Resolution recognizing April 1, 2023 as the Assyrian New Year.

Whereas, Assyrians, a Semitic people, are the indigenous people of Mesopotamia who have lived in the Middle East since ancient times, including in what is today Turkey, Iraq, Iran and Syria; and

Whereas, Assyrians have been instrumental in developing major technological advances throughout world history, including irrigation systems, city canal systems, the wheel, the magnifying glass, arch and dome architecture, astronomical calculations, time measurement and much more; and

Whereas, collectively there are more than 600,000 Assyrians in the United States, including tens of thousands in Arizona; and

Whereas, the Assyrian New Year symbolizes a time of spring, rebirth and renewal and is one of the most revered traditions in modern and ancient Assyrian history; and

Whereas, concluding on April 1, the Assyrian New Year is celebrated for 12 days by holding large celebrations, family gatherings, parades and festivals; and

Whereas, the Assyrians of today will be celebrating the year 6773; and

Whereas, the Assyrians are a proud and resourceful people who are productive members of American society and enrich American culture by contributing their talents in numerous fields, including accounting, aerospace, agriculture, architecture, education, engineering, finance, medicine, the military, motion picture and politics.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

Senator Hernandez requested a point of Personal Privilege and read a Proclamation as follows:

Arizona State Senate  
Legislative Proclamation

HONORING THE LIFE AND WORK OF CESAR CHAVEZ ON  
THE NINETY-SIXTH ANNIVERSARY OF HIS BIRTH.

**WHEREAS**, César Chávez was born March 31, 1927, on a small farm near Yuma, Arizona, and died on April 23, 1993; and

**WHEREAS**, on César Chávez's birthday, we celebrate a man who reminded us that we all share a common humanity and each of us has value, and we carry forward his legacy by echoing his peaceful and eloquent calls for a more just and equal society; and

**WHEREAS**, guided by his faith in his convictions, César Chávez fasted, marched, and rallied millions to "La Causa" to expand opportunity and demand a voice for workers everywhere, and chants of "si se puede" could be heard from his many supporters. Together with Dolores Huerta, he founded the United Farm Workers, and through boycotts and protests, he ushered in a new era of respect for America's laborers and farm workers; and

**WHEREAS**, today, we honor César Chávez by continuing to fight for what he believed in, including a living wage for workers and their right to unionize and provide for their families. Workers should have a safe workplace and the comfort of knowing that if they work hard, they can feed their family, earn decent benefits, and gain the skills they need to move up and get ahead; and

**WHEREAS**, we are reminded that the movement César Chávez led was sustained by a generation of organizers who spoke out and fought for a better, fairer America -- and it is now upon us to do the same in our time; and

**WHEREAS**, our nation's progress has always been driven by the belief that extraordinary things happen when we come together around a common cause, and through his decades of serving others, César Chávez embodied this ideal.

**NOW THEREFORE**, I, Senator Anna Hernandez, do hereby proclaim and recognize the life and important work of César Chávez on the ninety-sixth anniversary of his birth.

Re: HB 2056

JOURNAL OF THE SENATE  
Tuesday, April 4, 2023

Speaker Toma,

I have vetoed HB 2056.

HB 2056 creates regulatory confusion and uncertainty by forcing an unnecessary conflict between state law and the federal determination of Waters of the United States (WOTUS).

This contradiction between state and federal law threatens the delegation of primary enforcement authority for the Clean Water Act that Arizona has received from the U.S. Environmental Protection Agency, creating a risk that regulatory programs would be removed from Arizona's control and handed back to the federal government.

Arizonans want elected officials to find real solutions to our water challenges. To this end, I look forward to working with the legislature on developing productive water policy.

Sincerely,

/s/ Katie Hobbs

State of Arizona

Re: HB 2427

Speaker Toma,

I have vetoed HB 2427.

Current law already allows for the court to consider the pregnancy of a victim as a factor in sentencing. Indeed, Arizona's leading advocacy organization for victims of domestic violence has said that the bill "will do nothing to deter domestic violence offenses or support pregnant victims." As a social worker who spent years serving in Arizona's largest domestic violence shelter, I've seen first-hand the needs of victims seeking safety and stability. I encourage the legislature to focus on those needs, including increased funding for services and economic support for victims.

Sincerely,

/s/ Katie Hobbs

Re: HB 2440

Speaker Toma,

I have vetoed HB 2440.

The Arizona Corporation Commission's (ACC) rate-making authority is defined in statute and bolstered by a significant body of case law that already compels the ACC to consider reliability and affordability in decision-making. HB 2440 is unnecessary and creates regulatory uncertainty in instances where affordability and reliability may be at odds.

Arizona's families are facing increased energy costs, disproportionately impacting the most vulnerable in our communities. My administration is working toward solutions that put dollars back in Arizonans' pockets, like rebate programs that provide vital support for families at risk of being unable to pay utility bills, while incentivizing energy-efficient home improvements that lower those bills from the outset.

I urge the Legislature to work with me on finding solutions that deliver direct assistance to Arizona families struggling with energy costs.

Sincerely,

/s/ Katie Hobbs

State of Arizona

Senator Warren Petersen  
President of the Senate  
1700 W Washington St.  
Phoenix, AZ 85007

Dear President Petersen,

I have vetoed HB 2472.

This bill is overly vague and should not be codified into law. It does not define "social credit scores," nor do these systems exist anywhere in the United States. If intended to protect against unfair lending practices, this bill is redundant with federal law and The Equal Credit Opportunity Act of 1974, 12 CFR 202.2 ("Regulation B"), which already outlaws discriminatory lending and provides clear parameters for credit decisions.

My Administration looks forward to working with the legislature to increase financial inclusion and access to capital for underserved communities. This bill does not address these challenges.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

The President announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 4, 2023, the Governor signed and transmitted to the Secretary of State Senate Bill 1172.

On April 4, 2023, the Governor vetoed Senate Bill 1162 with the following message:

April 4, 2023

Senator Warren Petersen  
 President of the Senate  
 1700 W. Washington Street  
 Phoenix, AZ 85007

Re: SB1162

President Petersen,

I have vetoed SB1162.

I've heard from local leaders across the state about the impact this legislation would have on municipalities and counties. While there is no doubt that more can be done to support small businesses in Arizona, this approach is far too broad. The bill would create challenges for public safety and code enforcement in neighborhoods.

I believe that there is a common-sense approach that balances the needs of neighborhoods and small businesses. This bill fails to strike that balance, and I look forward to working with the Legislature and local leaders to support entrepreneurs and small businesses.

Sincerely,

/s/ Katie Hobbs  
 Governor  
 State of Arizona

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

The President Pro Tempore announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 5, 2023, the Governor signed and transmitted to the Secretary of State House Bills 2199, 2496 and 2525.

On April 5, 2023, the Governor vetoed House Bills 2437, 2477, 2535 and 2586 with the following messages:

April 5, 2023

Representative Ben Toma  
Speaker of the House  
1700 W Washington St.  
Phoenix, AZ 85007

Re: HB 2437

Speaker Toma,

I have vetoed HB 2437.

The underlying purpose of the Power and Line Siting Committee is to provide a public forum for the expeditious review of proposed electric transmission siting plans and to issue a certificate of environmental compatibility to the proposed site, if deemed appropriate.

HB 2437 diminishes the authority and statutorily-given purpose of the Power and Line Siting Committee by exempting from review an unknown number of projects while having an uncertain impact on electric generation of Arizona's overall power grid.

As we build a more resilient energy grid, I encourage the Legislature to work with my administration to clearly identify solutions that more directly address transmission concerns.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

April 5, 2023

Representative Ben Toma  
Speaker of the House  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: HB 2477

Speaker Toma,

I have vetoed HB 2477.

This bill, which solely expresses legislative opinion and does not make or change substantive policy, would be better served as a House Resolution. Indeed, a number of members who voted in support of this bill have previously sponsored legislation to support the "National Popular Vote," showing just how quickly legislative opinion can change.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Representative Ben Toma  
Speaker of the House  
1700 W Washington St.

Re: HB2535

Speaker Toma,

I have vetoed HB2535.

This bill would preclude local communities from exerting any oversight over groundwater wells that may be connected to a municipal system or that impact our precious drinking water aquifers. Prohibiting a municipality from requiring even the most basic of safety standards and regulations for groundwater wells threatens the safety and quality of drinking water that public utilities provide to residents and businesses throughout Arizona.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Re: HB 2586

Speaker Toma,

I have vetoed HB2586.

**JOURNAL OF THE SENATE**  
**Thursday, April 6, 2023**

Current federal law prescribes specific standards regarding all traffic control devices installed on any street, highway, or private road open to public travel, by which the Arizona Department of Transportation abides. The current standards allow State and local highway agencies the flexibility to display safety messages, transportation-related messages, emergency homeland security messages, and more.

The President Pro Tempore announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 6, 2023, the Governor signed and transmitted to the Secretary of State Senate Bill 1270, House Bills 2214, 2223, 2168 and 2293.

On April 6, 2023, the Governor vetoed Senate Bills 1009, 1074, 1253, 1257, 1428, 1600, House Bills 2322 and 2415 with the following messages:

April 6, 2023

Senator Warren Petersen  
Senate President  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: SB 1009

President Petersen,

I have vetoed SB 1009.

State law already provides adequate tools to prosecute criminal damage to the items contemplated in this bill, including confederate monuments, and increasing the penalties will do little to deter such crime.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

April 6, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington Street

Re: SB1074

President Petersen,

I have vetoed SB1074. The election equipment required by the bill, as well as the problem it purports to solve, does not exist. This bill neither strengthens our democracy, nor ensures that Arizonans can better exercise their fundamental right to vote. I stand ready to receive bills that do.

Sincerely,

Governor  
State of Arizona

Senate President  
1700 W. Washington St.

Re: SB 1253

President Petersen,

I have vetoed SB 1253.

State law already outlines requirements for the registration of sex offenders with the Department of Public Safety and compliance with various ongoing notification requirements, including notifying school districts in which a sex offender lives. The Department of Public Safety remains best-equipped to oversee all community notification.

Sincerely,

Re: SB 1257

President Peterson,

I have vetoed SB 1257.

This bill creates an unnecessary statutory mandate for the Arizona Department of Water Resources (ADWR) to hire for a role that can already be satisfied by existing ADWR staff. Furthermore, the rigid parameters for the proposed Assistant Director would handcuff the individual's ability to effectively contribute to key agency priorities and functions.

Re: SB 1428

President Petersen,

I have vetoed SB 1428.

This bill needlessly restricts the authority of cities and towns to make decisions about how to keep their communities safe. I urge the legislature to work in partnership with local governments to promote public safety throughout Arizona.

Re: SB 1600

President Petersen,

I have vetoed SB1600. The bill is uniformly opposed by the medical community, and interferes with the relationship between a patient and doctor. It's simply not the state's role to make such difficult medical decisions for patients. As a candidate I promised to veto any bill that interferes with the reproductive rights of Arizonans. As Governor, I intend to make good on that promise.

Re: HB2322

Speaker Toma,

I have vetoed HB2322. The standards in this bill are already several years old, and are more appropriately included as part of the Election Procedures Manual required by ARS 16-452, or as ongoing guidance developed by the Secretary of State in consultation with county election officials.

Re: HB2415

Speaker Toma,

I have vetoed HB2415. Arizona's active early voting list is secure and convenient for voters. I stand ready to sign bills that make voting more accessible, accurate, and secure. This bill accomplishes none of these goals.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

On April 7, 2023, the Governor signed and transmitted to the Secretary of State House Bill 2225.

On April 7, 2023, the Governor vetoed Senate Bill 1166 with the following message:

April 7, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington Street  
Phoenix, AZ 85007

Re: SB1166

President Petersen,

I have vetoed SB1166.

Ensuring that employment with the State of Arizona is available to as many talented individuals as possible is of great importance to me. The State's employees provide invaluable support to all Arizonans and it is my belief that we should ensure that all those that want to enter public service should have the opportunity to do so.

This bill, while working towards those goals, misses the mark and creates more problems than it solves. Ultimately, due to its unnecessary and unworkable administrative burden, I am forced to veto this bill. I am committed to signing legislation that works towards achieving the goals stated above in a less burdensome manner, and have done so today by signing HB2225.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1039

Senate Concurrent Resolution 1039 was introduced and read in full by Senator Alston as follows:

A Concurrent Resolution on the death of the Ted Williams.

Ted Williams, a long-term public servant and community leader in the State of Arizona, passed away on March 16, 2023 at the age of 79.

From 1975 to 1990, Ted Williams was a dedicated employee with the State of Arizona in a variety of roles, including service as a Special Assistant for six Arizona Governors. During his tenure as a state employee, he also served as a consultant in the development and implementation of the Arizona Health Care Cost Containment System, as Director of the Arizona Department of Health Services and as Deputy Director of the Arizona Department of Transportation.

Following his years of service with the state, Ted Williams went on to become Executive Vice President and Chief Operating Officer of Baptist Hospitals and Health Systems. Additionally, he served as Assistant County Manager for Maricopa County overseeing Environmental Quality Community Services and as Associate County Administrator of the Health Care Agency and Operations for Maricopa County.

After decades of public service, Ted Williams in 1999 founded and served as President and Chief Executive Officer of Arizona Behavioral Health Corporation (ABC) and the Arizona Foundation for Behavioral Health until his retirement in 2020. ABC provides quality, affordable housing and community services for persons with behavioral health needs and others with similar housing challenges in Arizona. Ted Williams was instrumental in efforts to reform the behavioral health system in the State of Arizona.

Ted Williams worked diligently throughout his lifetime to make a difference in the lives of those around him. He showed dedication, kindness and professionalism in all of his endeavors, and he earned the well-deserved respect and admiration of all who had the privilege of knowing and working with him over the years. He will be greatly missed by his family, friends, peers and the citizens of the State of Arizona.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature express sincere regret at the passing of Ted Williams and extend their deepest sympathies and condolences to his family and many friends.

MOTION TO RECONSIDER

Senator Bennett moved that the Senate reconsider its action whereby it failed to pass House Bill 2209 on Third Reading on April 11, 2023. The motion carried.

RECESS

At 11:51 a.m. the President Pro Tempore announced that without objection, the Senate would stand at recess subject to the sound of the gavel.

RECONVENE

The President Pro Tempore called the Senate to order at 12:53 p.m.

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

The President Pro Tempore announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 11, 2023, the Governor signed and transmitted to the Secretary of State Senate Bills 1052, 1097, House Bills 2066, 2197, 2373, 2433, 2446 and 2473.

On April 11, 2023, the Governor vetoed Senate Bills 1005, 1027, 1109, House Bills 2212 and 2442 with the following messages:

April 11, 2023

Senator Warren Petersen  
Senate President  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: SB 1005

President Petersen,

I have vetoed SB 1005.

This bill does not protect parents' rights but merely encourages litigation-no matter how frivolous-without consequence. Across the country and here in Arizona, schools and teachers have been maligned by bad actors who spread baseless theories, seeking to create conflict with teachers, school boards, and administrators. Parents, acting in good-faith concern for their children, are often caught in the middle of these conflicts.

As leaders, we should seek to turn down the temperature and rhetoric to find real solutions. This bill fails to do so.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

April 11, 2023

Senator Warren Petersen  
Senate President  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: SB 1027

President Petersen,

I have vetoed SB 1027.

Last week I signed a bill continuing Arizona's "Good Samaritan Law." I fear that this bill, particularly Section 2, would undermine the purpose of that law. I encourage the legislature to send me a narrower bill that focuses on the manufacture of fentanyl.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

April 11, 2023

Senator Warren Petersen  
Senate President  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: SB 1109

President Petersen,

I have vetoed SB 1109.

Gun silencers have long been prohibited weapons in Arizona, along with fully-automatic firearms and sawed-off shotguns. Ensuring the safety of all Arizonans is a priority of my administration. Legalizing silencers, or any other weapon that is currently on the "prohibited weapon" list, will make Arizonans less safe.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

April 11, 2023

Representative Ben Toma  
Speaker of the House  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: HB 2212

Speaker Toma,

I have vetoed HB 2212.

This bill will do little to deter threats to our critical facilities. What's more, this conduct is already covered by several state and federal laws, making this bill unnecessary.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

**JOURNAL OF THE SENATE**

April 11, 2023

Representative Toma  
 Speaker of the House  
 1700 W Washington Street  
 Phoenix, AZ 85007

Re: HB2442

Speaker Toma,

Today I vetoed HB 2442, which purports to address rural groundwater depletion through the establishment of "temporary non-expansion areas" (TNA). Unfortunately, HB 2442 would do very little to preserve the groundwater supplies that Arizonans rely upon.

Both the petition and designation threshold to create a TNA are higher than the requirements to establish a permanent Irrigation Non-expansion Area, despite providing far less protection to the aquifer. Among other troubling provisions, new irrigation with groundwater is only halted for five years, and the timeframe for grandfathering existing pumping is doubled.

Rural communities deserve meaningful options to protect their water future. HB 2442 falls short of this.

Sincerely,

/s/ Katie Hobbs  
 Governor  
 State of Arizona

BUSINESS ON THE PRESIDENT'S DESK

COMMUNICATIONS FROM THE GOVERNOR

The President announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 12, 2023, the Governor signed and transmitted to the Secretary of State Senate Bills 1176, 1294, 1603, 1650, House Bills 2498, 2564 and 2589.

On April 12, 2023, the Governor vetoed Senate Bills 1236, 1251, House Bills 2552, 2675 and 2754 with the following messages:

April 12, 2023

Senator Warren Petersen  
President of the Senate  
1700 W Washington St.  
Phoenix, AZ 85007

Re: SB 1236

President Petersen,

I have vetoed SB 1236.

This bill broadly defines "blockchain technology" and prevents local policymaking concerning an emergent and potentially energy-intensive economic activity.

I look forward to working with the Legislature to find bipartisan solutions that support a thriving economy and technological innovation, while engaging local stakeholders to create comprehensive and forward-thinking solutions. This bill fails to meet that standard.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

April 12, 2023

Senator Warren Petersen  
President of the Senate  
1700 W Washington St.  
Phoenix, AZ 85007

Re: SB 1251

President Petersen,

I have vetoed SB 1251.

SB 1251 is a solution in search of a problem. As the bill sponsor stated, no Arizona city, town, or county restricts rodeos or the use of working animals for agricultural or ranching operations. There are also no pending policy proposals to do so anywhere in Arizona. Indeed, rodeo is a bedrock tradition for communities throughout our state. It has provided important economic and cultural benefits for generations of Arizonans and will continue to do so for future generations.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

April 12, 2023

Representative Ben Toma  
Speaker of the House  
1700 W Washington St.  
Phoenix, AZ 85007

Re: HB 2552

Speaker Toma,

I have vetoed HB 2552. Ranked choice voting is an election process that is used successfully elsewhere in the country. As it is not currently utilized in Arizona, this bill is unnecessary.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Representative Toma  
Speaker of the House  
1700 W. Washington Street  
Phoenix, AZ 85007

Re: HB2675

Speaker Toma,

I have vetoed HB2675.

During my first 100 days as Governor, I have traveled to the border three times to meet with border officials and humanitarian organizations to see firsthand the issues at our southern border. Labeling drug cartels as terrorist organizations to deploy state resources is not a real solution and is not a state function. Under current state law, "terrorist organization" means any organization that is designated by the United States department of state as a foreign terrorist organization.

Additionally, the Arizona Department of Homeland Security (AZDOHS) is an administrative grant management office whose main function is to administer a suite of federal homeland security grants. It is not a law enforcement agency. It's clear there is a lack of understanding of what AZDOHS is charged to do for the people of Arizona.

My administration has led roundtable discussions and listening sessions with many of our border NGO's, municipalities, and local government personnel to further coordinate resources. My focus will remain on creating real solutions and responding to the direct needs of the community. I look forward to continuing the work with our local, state and federal partners to proactively address concerns at our southern border.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Representative Ben Toma  
Speaker of the House  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: HB 2754

Speaker Toma,

I have vetoed HB 2754.

This bill has unintended consequences for organizations that support immigrants. Human smuggling and trafficking is a serious issue that deserves our attention and I implore the legislature to work with stakeholders to find better solutions.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

PERSONAL PRIVILEGE

Senator Gabaldón requested a point of Personal Privilege and read a proclamation as follows:

**Arizona State Senate**  
Legislative Proclamation

Proclamation in Support of Our Family Services

*WHEREAS*, The Arizona Senate recognizes Our Family Services campaign to end homelessness as critical to safely housing all homeless youth and families in Pima County.

*WHEREAS*, Our Family Services has been a compassionate and effective advocate for those experiencing homelessness, working tirelessly to provide shelter, food, and other essential services; and

*WHEREAS*, Our Family Services has played a crucial role in helping families and youth in crisis get back on their feet and rebuild their lives, offering a range of services that help with everything from basic needs to job training and counseling; and

*WHEREAS*, last year 5,062 members of our community were afforded the life-changing opportunity to escape homelessness through Our Family programs; and

*WHEREAS*, our Family Services supports self-sufficiency, employability, and family stability, including obtaining and maintaining safe, stable, and permanent housing; and

*WHEREAS*, ending homelessness requires an innovative and collaborative approach. Our Family Services has been a model of excellence and professionalism and have consistently demonstrated a deep commitment to serving the most vulnerable members of our community.

*NOW, THEREFORE*, I, Senator Rosanna Gabaldon from the Arizona Senate, do hereby proclaim our unwavering support for Our Family Services as it celebrates 70 years of service to Pima County. We honor their commitment to compassion, excellence, and service, and pledge to:

**IMAGINE A DAY WHERE WE END HOMELESSNESS:**

On that day, every person in our community would have a safe, secure, and stable place to call home. No longer would individuals and families be forced to live on the streets, in shelters, or in their cars. No longer would they have to worry about where their next meal would come from or whether they would have a warm place to sleep.

On that day, our community would be stronger, healthier, and more vibrant. We would have eliminated one of the most pressing social issues of our time and moved toward a more just and equitable society. We would have shown that when we work together, we can achieve great things and make a real difference in the lives of our neighbors.

But to make that day a reality, we need to take action today. We need to invest in affordable housing, mental health, and addiction services, job training and education programs, and other critical resources that can help lift people out of poverty and homelessness. We need to address the root causes of homelessness, such as systemic inequality and a lack of access to health care and social services.

We also need to come together as a community and show compassion and understanding toward those who are experiencing homelessness. We need to recognize that homelessness can happen to anyone and that it is not a moral failing or a choice. We need to treat everyone with dignity and respect, and work to create a culture of inclusion and belonging for all.

So let us imagine a day when we end homelessness and let us work towards making that vision a reality. Together, we can build a better future for all.

## PERSONAL PRIVILEGE

Senator Bennett requested a point of Personal Privilege and read a resolution as follows:

**Arizona State Senate  
Resolution**

**In Honor and Fond Remembrance of Dr. William "Bill" Dallas Coats**

*WHEREAS*, today we remember and celebrate the life of Dr. William Dallas Coats, who passed away peacefully on March 20, 2023, at the age of eighty-four years; and

*WHEREAS*, Bill, as he was known to all, was born on January 17, 1939, in Lima, Ohio, and attended Lima Senior High, where he met his beloved wife, Beverly (Reed) Coats. The high school sweethearts would have celebrated 62 years of marriage in June 2023; and

*WHEREAS*, Bill received a Bachelor of Science from Ohio University, a Master of Arts in educational psychology, and a Ph.D. in research design and data analysis in education from the University of Michigan; and

*WHEREAS*, Bill, a pioneer in creating educational choices and options for students historically underserved, founded Leona Group in 1996, drawing from his decades of experience as a school district superintendent in Michigan, Alaska, and Indiana. He used his experience as a full professor at Western Michigan University and the University of Michigan to envision and create a new type of public school. He named the organization after his mother, Leona, who was prohibited from attending school beyond the seventh grade due to societal norms at the time. She stands as a symbol of Leona Group's commitment to providing educational access to all students; and

*WHEREAS*, witnessing a dropout rate of 76% in Detroit public schools, Bill had a vision of creating a system of schools that removes barriers helping to create meaningful relationships for students in communities that typically are overlooked by the traditional educational system. After establishing schools in Detroit, Michigan, he brought that vision to Arizona when he saw similar challenges in the state's educational landscape. Focusing on high-need neighborhoods, he built and grew twenty-eight small public charter schools in Arizona and later established others throughout the country. Bill created responsive, student-centered schools designed to meet the "unique needs, hopes, and aspirations of the communities they serve"; and

*WHEREAS*, Bill was more than a trailblazer in public education; he was a mentor, colleague, and friend to the educators who now mourn his loss. His vision has enabled thousands of education professionals to enjoy meaningful, fulfilling careers. Under his leadership, Leona Group has produced tens of thousands of graduates in Arizona and across the country who are leading successful lives aided in part by their educational experience at a Leona Group school; and

*WHEREAS*, a loving husband, father, grandfather, and great-grandfather, Bill is survived by his beloved wife Beverly, 5 daughters, 17 grandchildren, and 1 great-grandchild; and

*WHEREAS*, Arizona owes Bill a debt of gratitude for his significant personal and economic investment in high-need communities and his relentless determination to improve life opportunities for every student by empowering them and redefining the possibilities in life.

*NOW THEREFORE*, the members of the Arizona State Senate express sincere regret at the passing of Dr. William Dallas Coats and extend their heartfelt condolences to his family and many friends and proclaim this day as "Dr. Bill Coats Day".

April 13, 2023

The Honorable Warren Petersen  
President  
Arizona State Senate  
1700 W. Washington  
Phoenix, AZ 85007

Dear President Petersen:

Effective upon the close of business today, I am resigning as the State Senator from District 26. It has been my honor and an absolute privilege to serve the people of this district and the State of Arizona.

COMMUNICATIONS FROM THE GOVERNOR

The President announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On April 17, 2023, the Governor signed and transmitted to the Secretary of State House Bills 2043, 2090, 2194, 2198, 2208, 2215, 2216, 2301, 2339 and 2375.

On April 17, 2023, the Governor vetoed Senate Bill 1331, House Bills 2332, 2297 and 2319 with the following messages:

April 17, 2023

Senator Petersen  
President of the Senate  
Representative Toma  
Speaker of the House  
1700 W. Washington Street  
Phoenix, AZ 85007

Re: SB1331 & HB2332

President Petersen & Speaker Toma,

I have vetoed SB1331 and HB2332.

Ensuring the safety of our students is a responsibility that belongs to all of us. Since taking office, I have met with gun safety advocates to discuss acts of preventable gun violence happening in our schools, colleges, and universities.

Mandatory firearm safety training in schools is not the solution to gun violence prevention. This requirement could lead to immediate and long-term impacts on the health and wellbeing of students, teachers, and parents. Nor is it prudent to allow parents to carry concealed weapons on school campuses. Allowing more guns on campus will not make a campus safer. Firearms on campus have the potential to confuse law enforcement as they arrive at an active shooter situation.

I'm focused on finding concrete solutions to gun violence prevention that protect Arizona families, including but not limited to, policy focused on trauma-informed emergency planning and safe, secure gun storage.

This session, Representative Jennifer Longdon introduced HB2192, also known as Christian's Law. The bill would have required gun owners to keep either ammunition or guns in a locked storage container or in a device that would render them inoperable without a combination or a key. The majority party decided to not give HB2192 a hearing in committee.

I will continue fighting for public safety measures that protect our schools and Arizona families from senseless acts of gun violence.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Re: HB 2297

Speaker Toma,

I have vetoed HB 2297.

This bill will lead to confusion where none currently exists. Existing state law adequately outlines the jurisdictional issues addressed in this bill.

Re: HB 2319

Speaker Toma,

I have vetoed HB2319. This bill adds unnecessary language into statute and does not solve any of the real challenges facing election administration. I look forward to working with the Legislature on bills that do.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

On April 18, 2023, the Governor signed and transmitted to the Secretary of State Senate Bills 1110, 1168, 1242, 1260, 1274, 1290, 1582, 1609, 1563, 1369, 1382, House Bills 2438, 2443, 2590, 2439, 2064, 2228, 2007, 2230, Senate Bill 1134, House Bills 2298, 2547, 2019, 2313, 2057, 2346, 2042, Senate Bill 1077, House Bills 2479 and 2049.

On April 18, 2023, the Governor vetoed Senate Bills 1021, 1091, 1101, 1262, 1455, 1565, House Bills 2379, 2394, 2474, 2509 and 2691 with the following messages:

April 18, 2023

Senator Warren Petersen  
Senate President  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: SB 1021

President Petersen,

I have vetoed SB 1021. Though the bill was amended to relieve the Attorney General of the duty to defend the constitutionality of state laws if she provides notice to the Legislature at least 10 days before any substantive or dispositive filing is due, there are often cases in which such filings are due in less than 10 days (e.g., expedited election cases or preliminary injunction deadlines).

Tuesday, April 25, 2023

The Attorney General, like other elected officials, swears an oath to support the Constitution and laws of Arizona and the United States. The litigation choices made by the Attorney General are therefore dictated not only by state law, but also by this allegiance to the Constitution and her ethical duties as an attorney.

Unfortunately, the legislature has been known to pass laws that its own lawyers advise would not survive constitutional scrutiny. On occasion, the legislature has even passed laws intended to prompt litigation. Rather than change state law to require the Attorney General to defend laws even under such circumstances, I encourage the legislature to be more exacting in its deliberations to ensure fidelity to the Constitution.

Sincerely,

/s/ Katie Hobbs

State of Arizona

Re: SB 1091

President Petersen,

I have vetoed SB 1091.

As you know, the vast majority of people incarcerated in Arizona will one day be released. It's in all of our interest to ensure that these individuals have the proper resources and support to be successful upon release. Unfortunately, this bill would result in less transparency and oversight of services provided to incarcerated people returning to society.

Corrections reform will continue to be one of my top priorities. I encourage the legislature to work with me to provide more correctional accountability in Arizona.

Re: SB 1101

President Petersen,

I have vetoed SB1101.

Authorized third parties (ATPs) may already offer the service to print an electronic certificate of title or a registration tab through the Arizona Department of Transportation's (ADOT) current process in which these items are printed from a central location. Allowing ATPs to print these security-enhanced certificates of title and registration tab stocks, outside of ADOT's central distribution model, poses a significant public safety risk.

Re: HB2379

Speaker Toma,

I have vetoed HB2379.

This legislation is unnecessary. Hotels and motels in Arizona have never been required to accept a voucher to house someone, and no proposal to do so is under consideration here.

Instead, we should focus on the real problem of housing affordability by making sure housing assistance can be used where it's intended, and that tenants do not face discrimination for using a voucher in the rental market. Let's work together to provide more housing assistance options for Arizonans facing the threat of displacement or eviction, while building enough units for low- and middle-income households to afford. All of this can happen while continuing the stability, safety, and success of our booming hospitality sector.

Speaker Toma,

I have vetoed HB2509.

This bill would significantly increase the risk of food-borne illness by expanding the ability of cottage food vendors to sell high-risk foods. It fails to establish sufficient minimum standards for inspection or certification of home-based food businesses, and could limit the ability of ADHS to investigate food-borne disease outbreaks. Nor does it provide a strong enough mechanism to ensure home kitchens are free of hazardous chemicals, rodent or insect infestation, or that equipment and storage of temperature-sensitive foods are adequate, functioning, or even existent.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Re: HB 2691

Speaker Toma,

Today, I vetoed 2691. As I have stated previously, I am eager to work with the Legislature to advance legislation that strengthens our elections. This bill, unfortunately, does not advance that goal.

Sincerely,

/s/ Katie Hobbs

State of Arizona

April 28, 2023

Representative Ben Toma  
Speaker of the House  
1700 W. Washington St.  
Phoenix, AZ 85007

Re: HB 2759

Speaker Toma,

I have vetoed HB 2759.

While this bill aims to protect victims of trafficking, stakeholders agree that it could further harm them. As previous legislatures have recognized, it is not uncommon for victims of trafficking to be charged with crimes related to their victimization. This bill unfortunately does not take this into account.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

On May 1, 2023, the Governor signed and transmitted to the Secretary of State House Bills 2012, 2028, 2041, 2062, 2143, 2213, 2288, 2459, 2717, 2456, 2607 and 2484.

The Governor signed House Bill 2456 with the following message:

May 1, 2023

The Honorable Adrian Fontes  
Secretary of State  
1700 W. Washington Street 7th Floor  
Phoenix, AZ 85007

Secretary Fontes,

Today I signed HB2456.

The Arizona State Schools for the Deaf and Blind (ASDB) is a cornerstone of the visually impaired and Deaf and hard of hearing communities in Arizona. For over 110 years, ASDB has moved forward with their mission of providing well-rounded, high-quality education to children who are blind, visually impaired, deaf, hard of hearing or deafblind from birth to grade 12.

The ASDB community was treated with a lack of respect and was not given equal access to participate in the legislative process. Parents, students, and teachers were made to worry about the continuing existence of their school while caught in the middle of political games being played by a fringe minority of the Legislature.

I encourage the Legislature to reflect on the passage of HB2456 and send me a bill next session that includes a full eight-year continuation.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

MESSAGES FROM THE HOUSE

(May 3, 2023)

House unanimously adopted House Concurrent Resolution 2049

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2049

House Concurrent Resolution 2049 was introduced and read in full by the Reader as follows:

A Resolution on the death of Dr. Ann Weaver Nichols

Dr. Ann Weaver Nichols was born in 1942 and grew up in Los Angeles, California and attended John Marshall High School, originally thinking she would one day become a secretary. A good guidance counselor saw her potential and encouraged her to apply for a scholarship for first generation students, and she arrived at Stanford University as the first person in her family to attend college. She was active on campus with work study in the library and off campus in the Freedom Summer project, traveling to register voters on spring breaks and summers. Ann established a program to enable students to spend spring break in service, which eventually became institutionalized at Stanford and exists to this day as the Alternative Spring Break program. She spent a semester at the Stanford University campus in France and was active in the student YWCA.

While at Stanford, Ann attended Friends Quaker Meetings and met a young medical student, and the love of her life, Andy, in 1964, and the two married after their graduation in 1965. She and Andy joined the Peace Corps and spent two wonderful years in Peru where she taught community development.

Ann went on to earn both a masters and doctorate in social work from Columbia University. She continued to be involved in the YWCA and served on the national board from 1969-1982 and the World YWCA executive board in Geneva from 1975-1983, which culminated in Phoenix hosting the World YWCA General Assembly in 1987. She loved the global community of powerful women who were creating change.

After moving to Tucson in the fall of 1970, Ann joined the faculty of the Arizona State University (ASU) School of Social Work because there was no school of social work in Tucson. For years, with two small children in tow, she traveled up and down I-10 to teach classes in Tempe. She noticed that students were also commuting from Tucson to Tempe for classes, so in 1972 she began to teach a few courses in Tucson, even carrying course materials in the back of her station wagon. A full degree program was launched in 1978, and she became the first Director of the ASU School of Social Work program, Tucson component, and ran the program from 1978-2008. The thousands of students who studied with her got to know the power of her teaching. Many of the programs started in Southern Arizona began as class assignments that were designed to identify community needs, resulting in the much-loved Information and Resource Center and the Coalition of Human Services.

Ann's academic research was broad but uniformly focused on the power of people to create change. She wrote about restorative justice, people making policy and the role of forgiveness in public policy. She presented to the National Association of Social Workers (NASW) on working for change during tough times and on resilience and survival skills for activists. Her final major research and writing was on the macro-concepts of forgiveness and how to help nations transform after traumatic conflicts with possible forgiveness structures and exercises for organizations, communities and nations. She was awarded Social Worker of the Year by NASW, was presented a lifetime achievement award by the ASU School of Social Work and won the national Jefferson Award. Most recently, in November 2022, she received the Advocacy Award from the Center for Economic Integrity in recognition of her work on kinship care.

Annually Ann would create an "alternative budget" that involved tracking all the bills in the Arizona State Legislature and used that information to explain to others how the legislature could actually fully fund human services as part of a balanced budget. In 1996 and 2000, she worked tirelessly to help Arizonans get healthcare by supporting the Healthy Arizona Initiative.

Using her sabbaticals to promote social work around the world, Ann twice worked in Uganda with the YWCA and developed a community-based organizing movement across that country. In 2008, she retired after 39 years at ASU only to join the faculty at the Mindolo Ecumenical Foundation in Zambia teaching social work. For two years she helped update the national curriculum and taught community change. Her Zambian students in Kitwe are still running new programs that they created from taking part in her courses.

After returning to the United States and by her own personal experience, Ann developed a new passion-supporting grandparents raising grandchildren. She became the first Chair of the Arizona Grandparent Ambassadors, an advocacy network for grandparents who are raising their grandchildren and for other kinship network families. Among other more common advocacy awareness methods, every year the grandparents would write Valentine's Day cards and take cookies to the legislature to remind the members about the importance of kinship care families. In 2022, after seven years of lobbying, the legislature voted to provide additional support and funding for these families.

Ann pursued a life full of faith and passion. She and Andy were active members of First Christian Church as well as members of other faith organizations over the last 50 years. Her faith community had always been a source of strength and inspiration. She was the Chair of the International Social Workers and Spirituality Network, hosting four conferences that focused on social workers and on integrating faith practices with community needs. Ann spent years struggling against the death penalty. She wrote cards and letters to every single person on death row in Arizona since the 1990's and taught Alternatives to Violence courses in the federal prison, even co-authoring a textbook titled *Initiating Change in Organizations and Communities*.

Ann lost Andy in 2001, becoming a widow at 59 with three biological children and five adopted children. "Nana", as she was affectionately called, was known as the true matriarch of unconditional love and support. Ann is survived by her brother, Sam Weaver, and her children, Catherine, Michael and Miles Nichols, and Mardi, Nassau, Johnnary, Mexi and Haley Fiallos, and her 18 grandchildren. She loved all her children but especially loved all of her grandchildren.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the House of Representatives sincerely regret the passing of Dr. Ann Weaver Nichols and extend their sincere thoughts and condolences to her children, grandchildren and other surviving relatives.

Senator Alston moved that House Concurrent Resolution 2049 be unanimously adopted and that the Senate stand in a moment of silence in memory of Ann Nichols. The motion carried.

House Concurrent Resolution 2049 was signed in open session. The Secretary recorded the action and returned the Resolution to the House.

COMMUNICATIONS FROM THE GOVERNOR

The President Pro Tempore announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On May 8, 2023, the Governor signed and transmitted to the Secretary of State Senate Bills 1007, 1060, 1067, 1205, 1226, 1273, 1315, 1376, 1601, 1038, 1053, 1061, 1206, 1208, 1299 and 1340.

On May 8, 2023, the Governor vetoed Senate Bill 1252 with the following message:

May 8, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington Street  
Phoenix, AZ 85007

Re: SB 1252

President Petersen,

I have vetoed Senate Bill 1252.

As a social worker, I understand the great importance of transparency and accountability in conducting thorough reviews of critical incidents and developing new policies or practices to better safeguard children at risk of abuse or neglect. However, the creation of an additional review committee inefficiently duplicates the work of existing oversight bodies, unnecessarily furthers mistrust of caseworkers, and may regrettably place additional burdens on traumatized or grieving families.

My administration remains ready and willing to collaborate and improve our existing oversight processes to make them more useful for policy decisions.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

**JOURNAL OF THE SENATE**  
**Tuesday, May 9, 2023**

On May 8, 2023, the Governor vetoed Senate Bill 1255 with the following message:

May 8, 2023

Senator Warren Petersen  
 President of the Senate  
 1700 W. Washington Street  
 Phoenix, AZ 85007

Re: SB 1255

President Petersen,

I have vetoed SB1255. The rulemaking process that state agencies follow is rigorous, transparent, and essential to allowing the State government to function at its best for the people of Arizona. If the Legislature disagrees with rules implemented by the state, it can produce legislation to change them.

Sincerely,

/s/ Katie Hobbs  
 Governor  
 State of Arizona

PERSONAL PRIVILEGE

Senator Wadsack requested a point of Personal Privilege and read a recognition as follows:

**Arizona State Senate**

Legislative Recognition  
Recognizing The Missing in Action Project MIAP

**WHEREAS**, the Missing in America Veterans Recovery Program (MIAP) is a Federal recognized Non-Profit Veterans Organization for the identification, location, verification, and movement of Veterans and their dependents; and

**WHEREAS**, the MIAP aims to locate, identify, and inter the unclaimed cremated remains of American veterans through the joint efforts of private, state, and federal organizations to honor and respect those who have served this country by securing a final resting place for these forgotten heroes; and

**WHEREAS**, the impetus for their fine program began in November 2006; Arizona State Veterans Memorial Cemetery interred 21 cremains of forgotten veterans with full military honors. Recently, a state hospital announced that 3500 cremains for the period of 1890s to 1971 were on shelves waiting for identification, and an estimated 1,000 of these cremains are veterans; this is happening in every state; and

**WHEREAS**, the National Wild Turkey Federation, at the national level has achieved all of these aforementioned accomplishments, the chapter system in Arizona, much like the Arizona Game and Fish Department that we frequently partner with, has established itself as a national leader amongst its peers; and

**WHEREAS**, the National Wild Turkey Federation is the largest and longest-serving nongovernmental stewardship partner of the USDA Forest Service, conserving habitat on National Forest System Lands for more than 40 years and heavily engaged in the development and implementation of the USDA's Wildfire Crisis Strategy.

**NOW, THEREFORE BE IT RESOLVED**, Senate President Petersen, House Speaker Toma and Senator Gowan invite the Senate and House of Representatives of the State of Arizona to recognize and celebrate the 50<sup>th</sup> Anniversary of the National Wild Turkey Federation and salute the organization, its chapters, and members from across the United States for their tremendous efforts to further scientific, state-led wildlife management and the conservation of America's wild turkey and its habitat. We wish the National Wild Turkey Federation, its members, and chapters the best for the future as they continue to deliver their mission by working across land-ownership boundaries on a landscape scale to increase clean and abundant water, healthy forests and wildlife habitat, resilient communities, and robust recreational opportunities across the country.

**Arizona State Senate**  
Legislative Death Resolution

In Honor and Fond Remembrance of Benjamin Brookhart

**WHEREAS**, a man is often called to serve, yet it is the rare man who will stand and say, "Here I am." Benjamin Brookhart stood and served with love and God's grace; and

**WHEREAS**, 1 Peter 4: 10-11 tells us: Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God; and

**WHEREAS**, Ben taught us all to know our rights are from the Creator, not a government. The Preamble to the Constitution tells us We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness; and

**WHEREAS**, Benjamin Brookhart gave of himself freely and without hesitation. Teaching the future constitutional conservatives in the government, counties, and cities according to the vision that the Founding Fathers had when they penned the most precious words on earth; and

**WHEREAS**, let it be known the words "Good and Faithful Servant" applied to Benjamin Brookhart as he lived his life on earth and entered his heavenly home.

**NOW, THEREFORE BE IT RESOLVED**, we regret the passing of Ben, and invite the members of the Arizona State Legislature to join in recognizing the work of Benjamin Brookhart to ensure all Arizonans know the freedom afforded to them in the Constitution and Bill of Rights.

#### BUSINESS ON THE PRESIDENT'S DESK

#### COMMUNICATIONS FROM THE GOVERNOR

The President Pro Tempore announced that without objection, Communications from the Governor as listed on the Calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On May 16, 2023, the Governor signed and transmitted to the Secretary of State House Bills 2431, 2507 and 2599.

On May 16, 2023, the Governor vetoed House Bills 2312, 2428, 2444, 2544, 2613 and 2667 with the following messages:

May 16, 2023

Representative Ben Toma  
Speaker of the House  
1700 W. Washington Street  
Phoenix, AZ 85007

Re: HB 2312

Speaker Toma,

I have vetoed House Bill 2312.

As someone who dedicated my career to advocating for victims of domestic violence and their families, I know what it takes to deliver the highest level of care, safe shelter, helpful counseling, and proper connections to community support.

Arizonans who choose to work in domestic violence shelters and services are among our most qualified, dedicated public servants who are hired and retained for individual skills, merits, and employment histories regardless of their sex. They deserve the freedom to live their lives without laws targeting them for their gender identity.

**JOURNAL OF THE SENATE**  
**Monday, June 12, 2023**

Instead of improving or facilitating access to the resources that victims need, this misguided and unnecessary legislation merely allows providers to discriminate on the basis of sex.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Representative Ben Toma  
Speaker of the House

Re: HB2428

Speaker Toma:

I have vetoed HB2428.

While I agree with the importance of addressing the state's teacher storage and value the role the private universities are playing to educate aspiring teachers in the state, this bill did not include an appropriation to support its implementation. Expanding the program to serve students attending private universities requires an additional investment beyond what has been allocated in the FY24 budget.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

May 16, 2023

Representative Ben Toma  
Speaker of the House  
1700 W. Washington Street

Re: HB2444

Speaker Toma,

I have vetoed HB 2444.

When Natural Resource Conservation Districts focus on preventing soil erosion, promoting soil health, and eradicating invasive species, they make our state a better place. However this bill would create a new Commission, requiring substantial administrative support from the State Land Department, without providing any funding to this agency.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Representative Ben Toma  
Speaker of the House  
1700 W. Washington Street

Re: HB 2544

Speaker Toma,

I have vetoed HB 2544.

This bill would expand an existing nullification law that protects firearms "made in Arizona" from federal laws and regulations. Not only does this limit the ability of federal law makers and federal law enforcement agencies from enacting regulations that promote public safety, it could lead to ambiguity and confusion when state and federal law diverge.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

May 16, 2023

Representative Ben Toma  
Speaker of the House  
1700 W Washington St.

Re: HB 2613

Speaker Toma,

I have vetoed HB 2613.

This bill could create a situation where Arizona's election administrators are no longer able to procure certifiable voting and tabulating equipment. It should be clear how catastrophic that would be for the successful administration of elections in Arizona.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Re: HB2667

Speaker Toma,

I have vetoed HB 2667.

Ensuring the safety of our students is a responsibility that belongs to all of us. Our colleges and universities are places where our students should feel welcome and safe.

This bill would allow concealed weapons to be carried or stored on campus, which could lead to greater anxiety among students, staff and faculty. It may also lead to increased risk on campus or other unintended consequences.

We cannot set a precedent that allows guns on campus.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

**JOURNAL OF THE SENATE**

On May 19, 2023, the Governor signed and transmitted to the Secretary of State House Bills 2010, 2169, 2482 and 2516.

On May 19, 2023, the Governor signed and transmitted to the Secretary of State Senate Bills 1157, 1186, 1333, House Bills 2478 and 2826.

Re: SB 1001

President Petersen,

Today I vetoed SB1001.

As politicians across the country continue to pass harmful legislation directed at transgender youth, I have a clear message to the people of Arizona: I will veto every bill that aims to attack and harm children.

I want to thank the young people that bravely testified against SB1001 at the Legislature. To you, I promise to be an ally and to uplift your stories.

Additionally, I would like to thank Representative Lorena Austin for telling their story and speaking their truth. I would like to reemphasize their words to all the young people of the state, "You have every right to be who you are."

Re: SB 1011

President Petersen,

While this bill does not mandate municipalities to hold partisan elections, Arizona's communities are simply not asking for their local elections to be partisan affairs. For that reason, I have vetoed SB 1011.

Re: SB 1025

Re: SB 1048

President Petersen,

I have vetoed SB1048. While I appreciate the provision aimed at adding transparency to donations from lobbyists, other provisions in the bill would reduce transparency in campaign finance and would likely apply to far more donors. Therefore, I believe that, in the aggregate, this bill does not benefit Arizona's voters.

I encourage the Legislature to work with my administration to explore current challenges with Off-Highway Vehicles (OHVs) and recommend mitigation strategies to minimize the impact and destruction of off-trails before increasing the weight limits. To accomplish this, I suggest working with the Off-Highway Vehicle Study Committee and/or the All-Terrain State Parks Advisory Group to study and propose administrative or legislative solutions.

Re: HB2094

Speaker Toma,

I have vetoed HB2094. There are provisions of this bill that could have significant negative public health impacts, including potentially increasing the risk of food-borne illness. Re: HB2108

Speaker Toma,

I have vetoed House Bill 2108.

This legislation creates additional barriers for workers and unnecessary costs for the State. The Department of Economic Security (DES) has made significant progress in reducing fraudulent Unemployment Insurance (UI) claims, and will continue to implement and right-size these practices.

Far too many Arizona workers have struggled to access UI. They deserve a reliable, timely, and easy-to-navigate system - and we seek to accomplish that through the UI modernization currently underway. This counterproductive legislation undermines these efforts.

HB2309 is an unnecessary attempt to limit the federal government's power to enact laws and regulations that affect and support Arizonans. The bill will create ambiguity within law enforcement and conflict for federally funded and administered programs within Arizona.

Re: HB2416

Speaker Toma,

I have vetoed HB2416.

Protecting the state's security and privacy are of the utmost importance as is safeguarding that data to reduce cybersecurity risks. As such, in April I issued Executive Order 2023-10 to protect the state's cybersecurity interests, starting with removing TikTok on all state-owned and state-licensed devices and personal devices used for state work. Additionally, the Executive Order requires the Departments of Administration and Homeland Security to create a plan to prohibit access to TikTok, and annually evaluate other applications that may pose cybersecurity threats.

State agencies are already taking action to comply with the Executive Order. The state's universities and community colleges, while not required to comply with the Executive Order, are taking action to safeguard their networks as well.

Given these things, I believe that HB2416 is duplicative.

Re: HB2441

Speaker Toma,

Today I vetoed HB 2441.

This bill fails to provide an immediate solution, as it passed without an emergency clause on the eve of a month-long adjournment which will only cause continued delay. Instead, I call upon you to take action and send HB 2561 to my desk - a bipartisan solution that was voted out of the House with supermajority support, an emergency clause for immediate effect, and language addressing the long-term issue of wildcat development.

We will not build a resilient Arizona with piecemeal, short-term proposals. Leaders in this state must come together for long-term solutions to address unregulated land development and strengthen our state's 100-year Assured Water Supply regulations.

I urge you not to wait until June 12; take action now and vote on HB 2561 immediately.

Re: HB2469

Speaker Toma,

I have vetoed HB2469.

Fentanyl is a major threat to our communities and has claimed the lives of too many Arizonans. My heart goes out to families and loved ones of those lose to overdose.

As a government, it is our duty to ensure the safety of our communities. We do that by maximizing harm reduction efforts, ensuring people have access to affordable, high-quality health care, combating stigmatization of mental and behavioral health conditions, breaking down barriers to accessing opioid antagonists, and by investing in a robust public health infrastructure that will sustain that response well into the future.

This bill does not address any of those issues, nor does it acknowledge the chronic underfunding of our health department and other government services.

My door is always open to those who want to identify real solutions to promote the health and welfare of Arizonans - and who are willing to fund government services appropriately.

Re: HB2530

Speaker Toma:

I have vetoed House Bill 2530.

This legislation unnecessarily expands the role of the Department of Child Safety (DCS) in decisions and actions that should be handled between a pregnant person and medical professionals.

I respect and share the sponsor and proponents' goal of expanding access to voluntary substance use treatment services for pregnant people. Yet to do this, we need to make these services available, affordable, and accessible. This also includes building trust in and right-sizing any potential involvement of DCS through broad community conversations on policy governing mandated reporting, hotline procedures, and statutory neglect. The legislation lacks these elements.

This bill would severely limit the ability of the state to respond in times of crisis. It unnecessarily politicizes what are often life or death situations, and adds an irresponsible burden of regulatory loopholes for the state to jump through during an emerging public health threat.

It is our shared constitutional duty as government employees to preserve the health and welfare of Arizonans. My administration will always follow the guidance of scientific and epidemiological experts when it comes to safeguarding our state against emergent threats, and I refuse to allow the legislature to play political games at the expense of human lives.

Re: HB2560

Speaker Toma,

I have vetoed HB 2560. While I understand this bill is intended to further transparency in the election process, it could create serious problems. First, this bill threatens anonymity and privacy - core tenants of free and fair voting in our democracy. It also opens the door to the spread of additional election mis- and dis-information, which there is far too much of already. Finally, it places a burdensome, unfunded mandate on our election officials, who already face a multitude of challenges going into the 2024 election cycle. I do not doubt that this bill is well-intentioned, but it is clear to me that it creates more harm than good for Arizona's election officials and voters.

Speaker Toma,

I have vetoed HB2617.

One of my top priorities as Governor is keeping Arizona families safe. Constables are already able to carry firearms during the performance of their duties. I am concerned that this bill would have expanded the authority of constables to carry a gun while off-duty whereby some constables may choose to view themselves as having a "duty to respond" when they are off duty.

I look forward to continuing the work with the Legislature to find concrete legislative solutions that will keep Arizona families and constables safe.

Re: HB2757

Speaker Toma,

I have vetoed HB 2757. Allowing voters statewide to vote on whether to retain all Court of Appeals judges regardless of the judge's Division assignment, while retaining the Division structure, would unfairly dilute the votes of those Arizonans most directly impacted by each Division's judges. I urge the Legislature next session to take a more holistic look at the organization of the Court of Appeals, including its retention election rules, and craft more comprehensive improvements for Arizonans. HB 2757, standing alone, is not the right approach.

Re: SB 1135

President Petersen,

I have vetoed SB 1135. This bill would prohibit Arizona from remaining a part of the Electronic Registration Information Center (ERIC), which is an essential tool in ensuring accurate voter registration rolls in Arizona and across the country. It is unfortunate that many Republicans in the Legislature continue to fan the flames of false allegations of voter fraud, yet send to my desk a bill that would prevent Arizona from joining organizations that actually help improve the integrity of our elections. Re: SB 1234

President Petersen,

I've heard from local leaders and the law enforcement officers across the state about the impact this bill will have on the safety of Arizonans. Research indicates that photo radar cameras demonstrate effectiveness in changing driver behavior and decreasing fatal accidents, especially in vulnerable areas like school zones. This bill's ban of photo radar would eliminate an important tool for law enforcement that allows for a more efficient allocation of limited police resources.

Re: SB 1201

Arizona's current signature review requirements ensure that the ballot affidavit signatures are reviewed by trained staff who compare the signature to signatures in the voter's record. Limiting which signatures may be reviewed without a legitimate security or accuracy concern only harms Arizona's voters. Therefore, I am vetoing S.B. 1201. As with so many others, this bill is a solution in search of a problem and would create real challenges for Arizona's elections.

Re: SB 1268

President Petersen,

I have vetoed SB 1268. Annexation is an important and common practice for the consistent, orderly, and successful development of Arizona's communities. This bill undermines that and the voices of property owners who, when in a majority, wish to be annexed into the communities that surround them.

Sincerely,

Re: SB 1277

President Petersen,

**JOURNAL OF THE SENATE**  
**Monday, June 12, 2023**

I have vetoed SB 1277.

SB 1277 will negatively affect and restrict the important work of broadcasters, newspapers, telecommunication providers and insurance providers in Arizona. Statute already protects Arizonans from the types of privacy violation that the sponsor is targeting. Relevant stakeholders have worked throughout this legislative session to find a compromise, but were not met with the same level of commitment. I encourage the sponsor to engage the proper stakeholders to find solution that works for all Arizonans.

Sincerely,

Re: SB 1413

President Petersen,

I have vetoed SB 1413.

People become and remain unsheltered for a variety of reasons. This legislation addresses none of those root causes, offers no pathways to assistance, and effectively criminalizes experiencing homelessness.

I invite you to join me in pursuing more productive solutions that respect human and constitutional rights.

Sincerely,

Re: SB 1696

President Petersen,

I have vetoed SB 1696. While I agree that not all content is appropriate for minors, this bill is a poor way to address those concerns. The sponsor has stated that this bill was aimed at preventing a specific action from reoccurring, while in reality it is written in such a vague manner that it serves as little more than a thinly veiled effort to ban books.

Sincerely,

/s/ Katie Hobbs

Re: SB 1040

President Petersen,

Today I vetoed SB1040.

SB1040 is yet another discriminatory act against LGBTQ+ youth passed by the majority at the state legislature. As I stated in my veto letter for SB1001, I will veto every bill that aims to attack and harm children.

Sincerely,

Re: SB 1213

President Petersen,

Today I vetoed SB1213.

Arizonans are tired of the Legislature meddling with Arizona's elections. SB 1213 is yet another example of the kind of legislative interference that Arizonans have rejected, and it is for this reason that I have vetoed it.

Sincerely,

/s/ Katie Hobbs

Re: SB 1243

President Petersen,

Today I vetoed SB1243.

SB1243 enables excessive spending that forces taxpayers to pay for private school tuition and diverts much needed funding from our public schools.

Over the last year, School Tuition Organization tax credits diverted over \$271,853,194 million away from the state's general fund.

**JOURNAL OF THE SENATE**

Protecting taxpayer dollars and ensuring our state's fiscal strength is a top priority and I am committed to making informed decisions that work for all Arizonans.

Re: SB 1264

President Petersen,

Today I vetoed SB 1264.

There are few, if any, examples of election-related issues created by elected election officers or their appointees being involved in political action committees. For this reason, I have vetoed SB 1264.

RECONVENE

The President called the Senate to order at 2:56 p.m.

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE RESOLUTION 1005

Senate Resolution 1005 was introduced and read in full by the Reader as follows:

A Resolution recognizing the fiftieth anniversary of Greg Jernigan's exceptional service with the Arizona State Senate.

Whereas, Greg Jernigan began his career on the staff of the Arizona State Senate in 1973, serving as Staff Attorney for the Thirty-First Legislature; and

Whereas, born in San Diego, California, Greg grew up in Tucson, where he competed as a varsity athlete in baseball, football and track at Amphitheater High School; and

Whereas, Greg allowed his gaze to shift away from the field and onto the sideline, courting a cheerleader named Susan who would go from being his high school sweetheart to his wife in 1974; and

Whereas, Greg and Susan made their home in the West Valley of Phoenix, raising their two children, Tristan and Allison, and spoiling their six grandchildren, Braedon, Ryne, Madelyn, Jameson, Aedyn and Charleigh; and

Whereas, Greg has served the Legislature with distinction under seventeen Senate Presidents in various roles, including Legal Counsel to the President, Special Legal Counsel, Republican Lawyer for Redistricting, General Counsel and Senate Chief of Staff, as well as an eight-year tenure as the Executive Director of Legislative Council; and

Whereas, Greg is held in high regard for his esteemed representation of the Arizona State Legislature on the Executive Committee of the National Conference of State Legislatures (NCSL) from 1982-1987; and

Whereas, Greg has been recognized as a national expert in the areas of reapportionment and redistricting, serving as Staff Chair and a principal author of the NCSL's seminal Redistricting Law 2000, among other endeavors; and

Whereas, Greg has enthusiastically and skillfully represented the Arizona State Legislature on countless softball diamonds, bowling alleys, golf courses and volleyball courts, always giving 110% in the pursuit of victory; and

Whereas, Greg has shown his undying patriotism by only wearing red, white or blue colored clothing his entire career, befitting of one born on the Fourth of July; and

Whereas, Greg has been an invaluable resource for elected members, applying his vast institutional knowledge and one-of-a-kind ability to navigate complex issues in fulfilling member objectives; and

Whereas, Greg's earnest and faithful work product is imprinted throughout the Arizona Revised Statutes and Senate Rules, and, as summarized by the words of one former Senate President, "he's been there long enough that he's in the category of being an institution"; and

Whereas, universally commended by colleagues, legislators and the entire legislative community for his resolution, trustworthiness and high character, Greg has earned the well-deserved respect and admiration of all who have had the privilege of working with him over the decades.

Therefore

Be it resolved by the Senate of the State of Arizona:

That the Members of the Senate celebrate the Fiftieth Anniversary of the start of Greg Jernigan's career with the Senate and warmly thank him for his years of excellence and continued service in the years to come.

Majority Leader Borrelli moved that Senate Resolution 1005 be unanimously adopted. The motion carried.

Senate Resolution 1005 was signed in open session. The Secretary recorded the action and transmitted the resolution to the Secretary of State.

President Pro Tempore Shope resumed the chair at 3:04 p.m.

**MESSAGES FROM THE HOUSE**

(May 15, 2023)

House unanimously adopted House Concurrent Resolution 2051

**INTRODUCTION AND FIRST READING OF BILLS**  
**UNANIMOUS ADOPTION OF HOUSE CONCURRENT RESOLUTION 2051**

House Concurrent Resolution 2051 was introduced and read in full by the Reader as follows:

A Concurrent Resolution on the death of Ben Shelly.

Ben Shelly, former Navajo Nation president, passed away on March 22, 2023 at the age of 75.

Born on July 6, 1947, Ben Shelly grew up in Thoreau, New Mexico. He is of the Tó'aheedlínii clan born for Ts'ah Yísk'ídnii. When he was born, he was told by elders that he would be a great leader, which would later come to fruition.

Ben Shelly lived in Chicago, Illinois for 16 years, training in heavy equipment maintenance and working as a supervisor for a heavy equipment company. Focused on transportation, he moved back to the Navajo Nation in 1976 where he owned a fleet maintenance and mechanic shop. Mr. Shelly entered public life in 1990, serving as chairman of the Dineh Rights Association. He went on to become a Navajo Nation Council delegate beginning in 1991, serving on the Transportation and Intergovernmental Relations Committees and chairing the Budget and Finance Committee where he helped to establish the Navajo Veterans Trust Fund with more than \$80 million. With the foresight he was known for, Mr. Shelly also campaigned for legalized gambling in Navajo areas. He later served as a McKinley County commissioner, concentrating on his area of expertise: transportation.

An innate leader, Mr. Shelly helped form a Native American coalition of officials from Arizona, Utah and New Mexico, giving them greater negotiating power. He served on the United States Centers for Medicare and Medicaid Services Tribal Technical Advisory Group, leading efforts to amend Medicaid laws to ensure that a Certificate of Indian Blood could be used to verify U.S. citizenship. A fierce supporter of his people, he represented the Navajo Nation in budget discussions and formulations for federally funded programs, led a delegation in consultative budget deliberations with the U.S. Office of Management and Budget and worked with the New Mexico state legislature and governor's office to fund capital improvement projects on the Navajo Nation.

A bold and courageous trailblazer known for his passionate speeches, Mr. Shelly was elected Navajo Nation vice president in 2006. At the time of his selection, his running mate, Joe Shirley, Jr., said "he is down to earth and knows the heart of the people." In 2010, Mr. Shelly won the election for president, becoming the first New Mexican Navajo to become president and the first sitting vice president to ascend to the presidency. Mr. Shelly had extensive knowledge of the Navajo Nation's finances and an intricate understanding of the financial needs and challenges of each of its executive divisions. He led the Navajo Nation with an agenda of economic prosperity, infrastructure, open government, health and education.

Placing an emphasis on energy and technology, during his tenure as president Mr. Shelly signed an agreement with two renowned United States Department of Energy laboratories, approved the first solar farm on the Navajo Nation and renewed a major energy lease. During this time, the Navajo Nation also adopted a comprehensive energy policy, replacing a previous policy enacted in 1978. Mr. Shelly made technology a priority with the creation of a data center and the deployment of a fiber network across the Navajo Nation. He was influential and active in state and national politics, including serving as an advisor to the United States Department of Homeland Security and working closely with tribal leaders in asserting sovereignty, nationhood for tribes and progressive development.

Remembered for his great sense of humor and love for his community and family, Mr. Shelly's experience and career prepared him with the knowledge, tools, insights and understanding to serve exceptionally well as vice president and then president of the Navajo Nation. He built his reputation on advocating for ambitious infrastructure projects, policies focused on public health and methods of boosting the Navajo people's economic status. His legacy of commitment and passion earned him the respect of all who had the opportunity to know and work with him.

Ben Shelly is survived by his wife of 57 years, Martha, five children, 12 grandchildren and three great-grandchildren.

Therefore

Be it resolved by the House of Representatives of the State of Arizona, the Senate concurring:

That the Members of the Legislature express their regret at the passing of former President Ben Shelly and extend their deepest sympathies to his surviving family members.

Senator Hatathlie moved that House Concurrent Resolution 2051 be unanimously adopted and that the Senate stand in a moment of silence in memory of Ben Shelly. The motion carried.

House Concurrent Resolution 2051 was signed in open session. The Secretary recorded the action and returned the Resolution to the House.

(June 13, 2023)

In compliance with Article IV, Part 2, Section 9, Constitution of Arizona, I am directed by the House of Representatives to request the consent of the Senate to adjourn the Fifty-sixth Legislature, First Regular Session, after it has completed its labors Tuesday, June 13, 2023 until Monday, July 31, 2023 at 1:15 p.m., or until such time as the President and the Speaker may determine, whenever in their opinion legislative expediency shall warrant it, which shall be at least twenty-four hours after the President and the Speaker have notified the respective members of the Senate and the House to reassemble and given public notice of the reassembly.

MOTION TO ACCEDE

Majority Leader Borrelli moved that the Senate accede to the request of the House of Representatives, Fifty-sixth Legislature, First Regular Session to adjourn from Tuesday, June 13, 2023, after its labors are completed, until Monday, July 31, 2023, or until such earlier time as the President and the Speaker may determine, whenever in their opinion legislative expediency shall warrant it, which shall be at least twenty-four hours after the President and the Speaker have notified the respective members of the Senate and the House to reassemble and given public notice of the reassembly. The motion carried and the Secretary notified the House.

CONFERENCE COMMITTEE REPORTS

Majority Leader Borrelli moved on behalf of the Chairman that the Senate adopt the following Conference Committee report:

Senators Kern and Kavanagh, Senate conferees, and Representatives Gress and Nguyen House conferees, submitted the following conference report on House Bill 2802:

That the House accept the Senate amendments and the bill be further amended.

Representative Ortiz, House conferee and Senator Epstein, Senate conferee submitted the following Minority Report:

We oppose House Bill 2802 (fentanyl sales; manufacture; sentencing; testing) because of the fundamental issues with the underlying bill, which the conference committee failed to address, in addition to the problematic nature of the amendment, which is a bill that had already attempted to move through the process but was held by the sponsor. This amendment is an attempt to circumvent the process and is the worst possible use for a conference committee.

This bill mandates a mandatory presumptive minimum sentence of 10 calendar years for individuals convicted of any of the following offenses involving a single dose of fentanyl having a weight of at least two milligrams: a) possession for sale; b) possession of equipment or chemicals for the purpose of manufacture; c) manufacture; or d) transporting or importing for sale or offering to transport or import for sale. If the individual has been previously convicted of one of these offenses, the mandatory minimum sentence is increased by 5 years. By lowering the threshold for these offenses to at least two milligrams, the legislation will greatly increase the number of individuals that could be sentenced to this mandatory prison sentence, as often an individual possessing or transporting a drug for sale may not know that it also contains fentanyl. The bill also largely ignores that individuals can develop a tolerance to fentanyl, increasing the number of doses a person possesses and consumes in a day, blurring the line on what law enforcement may see as possession for sale versus possession for personal use.

The amendment added to House Bill 2802 during the Conference Committee, formerly Senate Bill 1064, will further increase incarceration rates, adding an additional one year to any individual's any prison sentence if they knowingly sell or transfer fentanyl in the new "drug-free neighborhood zones," created by the amendment. This bill designates hundreds, if not tens of hundreds "drug-free neighborhood zones" across the State of Arizona, by defining the zones as an area within 300 feet of a hospital, nursing home, drug treatment center, mental and behavioral health facility or a public park and any of the accompanying grounds of such a location. It should also be noted that these areas are poorly defined and could

encompass any number of uses, for instance the term, "nursing home" is not defined in the section or elsewhere in the Arizona Revised Statutes and there is an open question as to what it could include.

Both the amendment and the underlying bill, especially when combined, will increase not only the state's incarceration rates, but the amount of time that an incarcerated person is sentenced to spend in prison. Arizona's prison growth rate already exceeded that of every other western state from 2000 to 2008, and from 1979 to 2010, the state saw increase in its prison population of 1000%. A 2010 Office of the Auditor General Performance Audit,<sup>i</sup> documented the significant growth in the prison population and the state's spending, finding the Fiscal Year 2011 budget for Arizona Department of Corrections was \$949 million or 11.2% of the state's general fund. The audit explored alternatives to imprisonment, including expanding early release and diversion and access to non-prison alternatives such as drug treatment and home arrest.

This bill and the amendment are in stark contrast to the Legislature's recent deliberations on bills that expand alternatives which divert more nonviolent, low-risk offenders from prison or reduce their time in prison and expanding the use of non-prison alternatives for these offenders, such as home arrest.

This bill will not address the root causes of substance abuse. One thing is abundantly clear and has been shown time and time again—criminalizing drug use does not lower incarceration rates and it will not end overdose deaths.<sup>ii</sup> As policy makers, we should be focusing on harm reduction, things like providing drug treatment, educating about the deadly nature of fentanyl, making sure there is access to fentanyl test strips, providing emergency responders and members of the public access to Narcan which can reverse opioid overdose.<sup>iii</sup> Legislation like House Bill 2802 also has the potential to increase the impact of these drug policies that have been long recognized to be racially motivated and have only lead to the mass incarceration of Arizona residents.<sup>iv</sup>

House adopted the Conference Committee Report on Senate Bill 1518

CONFERENCE COMMITTEE REPORTS

The President Pro Tempore announced that a group motion would be made for the adoption of Conference Committee reports unless a Senator requested a report to be considered separately.

Majority Leader Borrelli moved on behalf of the Chairmen that the Senate adopt the following Conference Committee reports:

Senators Kavanagh, Kern and Marsh, Senate conferees, and Representatives Nguyen, Kolodin and Ortiz, House conferees, submitted the following conference report on Senate Bill 1023:

That the Senate accept the House amendments with exceptions and the bill be further amended.

Senators Kavanagh, Bravo and Kern, Senate conferees, and Representatives Payne, Quiñonez and Wilmeth, House conferees, submitted the following conference report on Senate Bill 1068:

That the Senate accept the House amendments with exceptions and the bill be further amended.

Senators Bennett and Mesnard, Senate conferees, and Representatives Toma and Biasiucci, House conferees, submitted the following conference report on Senate Bill 1518:

That the bill be accepted as originally passed by the Senate and be further amended.

Senator Mendez, Senate conferee and Representative De Los Santos, House conferee submitted the following Minority Report:

SB1518, as amended by the conference committee, adds non-germane provisions that have already been vetoed by Governor Katie Hobbs. There is no reason to add the ballot images and cast vote record provisions to a bill that garnered broad bipartisan support in both chambers.

Supporters of the conference committee amendment language claim that its provisions will increase voter confidence in our elections, but they are simply wrong. The reason voters in Arizona - and around the country - do not trust our elections process is because there has been a coordinated, sustained attack - based on lies and conspiracy theories - on our democracy. The facts are clear: our elections are safe and accurate.

Moreover, making ballot images publicly available runs the risk of destroying the secrecy of the ballots. Voters often write on their ballots, either with messages or comments or by writing in their preferred candidate. These messages or a voter's handwriting can reveal the voter's identity without their consent. Rather than require redaction to protect voter privacy, the conference committee amendment provides a waiver of liability so that the elections officials cannot be held liable for revealing the voter's identity with their ballots. This is the wrong approach. Destroying voter privacy, even in one instance, is unacceptable.

Additionally, the conference committee amendment requires the secretary of state to make the ballot images and cast vote records available to the public not later than 48 hours after the county canvass. Not the statewide canvass, but the county canvass. This means that the ballot images will be publicly available before the vote has been certified. The conference committee amendment also extends the period for losing candidates to challenge the results of their election, which is likely to lead to a drastic increase in election challenges and attempts to deny certifying election results based off

unverified home "audits". This timing can only be explained as an attempt to spread doubt on the election before elections officials have completed their work. If the intent of releasing the ballot images and cast vote record is to provide confidence in the process, then they should be released after the election is certified. Not at a time when those who wish to disrupt our democracy can attempt to conduct their own "audit" of the results and cry foul when their favored candidate loses.

Senators Kerr and Kavanagh, Senate conferees, and Representatives Nguyen and Bliss, House conferees, submitted the following conference report on Senate Bill 1583:

That the Senate accept the House amendments and the bill be further amended.

Representative Ortiz, House conferee and Senator Hernandez, Senate conferee submitted the following Minority Report:

We oppose Senate Bill 1583 (internet sex offender website; offenses) because of the Conference Committee's insistence that this bill remain retroactive.

The current sex offender communication notification law was implemented on June 1, 1996. Any person released from incarceration on or after this date is subject to community notification and those persons convicted prior to June 1, 1996, may be subject to community notification after completion of a risk assessment by a law enforcement agency.

The Arizona sex offender risk assessment<sup>1</sup> that is used to rank offenders into a level one, two or three tier considers 19 questions and scores accordingly. Level one offenders are not required to be listed on the sex offender website which requires an offense risk and recidivism risk score of no more than 20 or 19 respectively. This assessment considers the number of felony convictions where a third felony conviction receives an offense risk score of 8 and a recidivism risk of 10, or nearly half of the points that disqualify an offender for lower risk. It is not difficult to imagine that out of the 14,192<sup>2</sup> offenders currently estimated to be registered sex offenders that some of them plead down from a class 6 felony to a class 1 misdemeanor with the understanding that this plea would prevent them from being listed on the online sex offender website. For these individuals, this retroactivity clause would negate the terms of their plea deal. Not only is this unconscionable but it could also become very expensive for the state to relitigate or reexamine these cases.

One of the purposes of not including level one sex offenders on the registry is to allow those deemed unlikely to reoffend to not have to be subjected to the public shame and possible harassment that could come with being listed on the website. Because of this ranking system, there is the underlying assumption among Arizonans that if someone is listed on the website, they are dangerous. The retroactivity clause could expose an offender who committed their offense decades ago but who never reoffended to now be listed on the website for all their neighbors to see.

In addition to the conceptual arguments against the retroactivity clause, there is also a tangible opposition. The Arizona Department of Public Safety (DPS) believes that the current timeline given to complete the task is not only difficult, but downright impossible. They estimate an additional 4,634 cases will need to be reviewed to see if they meet the new qualifications included in this bill, in addition to the 15-20 normal caseload. DPS has reported that because of internal staffing issues and the turnover experienced at the Arizona Attorney General's office they are seeing an increase in the normal processing of the cases. There is no way for DPS to accurately estimate how long the new unfunded requirement would take but the guess at this time is in the years category, not months. An additional six months to complete the requirement does not even scratch the surface of the time that is needed. It could be expected that DPS will rise to the occasion when given this requirement but unfortunately this is an issue where expediting the process could result in mistakenly reporting someone on the website that should not be and ruining their lives.

<sup>2</sup> <https://www.azdps.gov/services/public/offender>

We have the upmost respect for the victims who are looking for this resolution but unfortunately it is our responsibility as lawmakers to balance the rights of all Arizona citizens. We are not in the business of retributive punishment for offenders, nor are we willing to retraumatize victims who may have to go through their offender's plea being questioned because the State decided to go back on their deal.

The motion carried and the Secretary recorded the action and notified the House.

COMMUNICATIONS FROM THE GOVERNOR

The President announced that without objection, Communications from the Governor as listed on the calendar would not be read and would be entered in the Journal. The Secretary would record the action.

On June 16, 2023, the Governor signed and transmitted to the Secretary of State House Bills 2022 and 2669.

On June 16, 2023, the Governor vetoed House Bills 2722, 2786, Senate Bills 1026, 1028, 1030, 1500, 1611 and 1698 with the following messages:

June 16, 2023

Representative Ben Toma  
Speaker of the House  
1700 W Washington St.  
Phoenix, AZ 85007

Re: HB 2722

Speaker Toma,

I have vetoed HB 2722. Hand-counting ballots is unquestionably less accurate and more time consuming than machine tabulation. Arizona voters deserve to know that their votes are being counted accurately and efficiently.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

JOURNAL OF THE SENATE  
Monday, July 31, 2023

Speaker Toma,

I have vetoed HB2786.

Under HB2786, school districts and charter schools would be at risk of violating copyright law.

Governor  
State of Arizona

June 16, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington Street  
Phoenix, AZ 85007

Re: SB 1026, SB 1028, SB 1030, SB 1698

President Petersen,

I have vetoed SB 1026, SB 1028, SB 1030, and SB 1698.

Intolerance has no place in Arizona, despite the legislature's frequent attempts to pass legislation that says otherwise. SB 1026, SB 1028, SB 1030, and SB 1698 are attempts to criminalize free expression and ostracize the LGBTQIA+ community both implicitly and explicitly, creating statutory language that could be weaponized by those who choose hate over acceptance. I have made it abundantly clear that I am committed to building an Arizona for everyone and will not support any legislation that attempts to marginalize our fellow Arizonans.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

June 16, 2023

Senator Warren Petersen  
President of the Senate  
1700 W. Washington Street

Re: SB 1500

President Petersen,

I have vetoed SB 1500. Politicizing decisions best made by the state's investment professionals can harm our state's long-term fiscal health.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

June 16, 2023

President of the Senate

Re: SB 1611

President Petersen,

I have vetoed SB 1611. I do not believe that tying the hands of the State's procurement and investment professionals is in the best interests of the people of Arizona.

Sincerely,

Governor  
State of Arizona

On June 19, 2023, the Governor signed and transmitted to the Secretary of State Senate Bills 1010, 1716, House Bills 2060, 2145, 2209, 2218, 2251, 2292, 2460, 2559, 2620, 2651, 2663 and 2809.

On June 19, 2023, the Governor signed and transmitted to the Secretary of State Senate Bill 1432.

On June 19, 2023, the Governor vetoed House Bills 2210, 2252, 2504, 2618, 2623 and Senate Bill 1391 with the following messages:

June 19, 2023

Representative Toma  
Speaker of the House  
1700 W. Washington Street  
Phoenix, AZ 85007

Re: HB2210

Speaker Toma,

I have vetoed HB2210.

HB2210 is an overcorrection for an issue that is occurring in a limited number of school boards across the state.

Re: HB2252

Speaker Toma,

I have vetoed HB2252.

While I understand and support the goals of the legislation, there is potential for unintended consequences from this legislation that would have a significant fiscal impact on Arizona.

I am committed to working with legislators and stakeholders to find a solution with stronger guardrails that achieves our shared goals of boosting our economy while protecting our state's fiscal health.

Re: HB 2504

Speaker Toma,

I have vetoed HB 2504.

School Tuition Organization (STOs) tax credits divert taxpayers to pay for private school tuition. Over the last year, STOs diverted nearly \$272 million away from the state's general fund.

While I understand the good intentions of the bill sponsor and commend their support for children in the foster care system, I will not be supportive of further expanding the STO tax credit. My administration is committed to ensuring that taxpayer dollars are responsive to the needs of all children.

Re: HB 2618

Speaker Toma,

I have vetoed HB 2618.

HB 2618 encourages an inconsistent statewide patchwork of regulations for renewable energy projects and would have a deep chilling effect on renewable energy deployment in Arizona. It creates additional regulatory confusion for businesses, negatively impacting Arizona's ability to attract, retain, and grow a renewable energy ecosystem in our state and create good-paying jobs for everyday Arizonans. I invite the Legislature to join me in identifying consistent and predictable solutions to renewable energy permitting and decommissioning regulation.

Speaker Toma,

I have vetoed HB 2623.

HB 2623 directs the Arizona Department of Revenue to provide sensitive information on taxpayers to third party entities. This commercial purpose is an abuse and misuse of public records.

Protecting the personal privacy of Arizonans is a priority to my administration.

Sincerely,

/s/ Katie Hobbs

Re: SB 1391

President Petersen,

I have vetoed SB 1391.

The Arizona Department of Environmental Quality currently receives effective and efficient legal representation from the Attorney General, and it is my understanding that the problem this bill seeks to address does not exist.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

On June 20, 2023, the Governor signed and transmitted to the Secretary of State Senate Bills 1006, 1013, 1023, 1055, 1068, 1085, 1098, 1148, 1164, 1189, 1191, 1210, 1291, 1307, 1390, 1400, 1454, 1602, 1710 and 1718.

The Governor signed Senate Bill 1013 with the following message:

June 20, 2023

Senator Warren Petersen  
Senate President  
1700 W. Washington St.  
Phoenix, AZ 85007

President Petersen,

I have signed SB1013.

I signed this bill to meet the urgent need to address the community colleges' expenditure limit. The bill provides relief to the community colleges for two years. A long-term solution to address the expenditure limit is still needed to continue the instrumental role that the community colleges play in creating Arizona's future workforce, which I hope to see addressed in the future.

Further, our universities are already recognized nationally for their efforts to promote and encourage free speech and civil discourse. SB1013 codifies a number of existing practices regarding free speech that do not have an operational or fiscal impact on the universities or community colleges.

Sincerely,

/s/ Katie Hobbs  
Governor  
State of Arizona

Speaker Toma,

I have vetoed HB 2802.

Re: SB 1246

President Petersen,

I have vetoed SB 1246.

SB 1246 fails to meet the everyday needs of Arizonans. Through a comprehensive effort, mayors and community leaders across Maricopa County put forth a plan to invest in highways and enhance transit that creates jobs, spurs economic growth, and leverages federal dollars benefiting Arizona.

Instead, a minority of legislators unilaterally crafted a plan going against the public's desires and weaponized the very roads on which everyday Arizonans rely to get to work and improve their transit experience. Moreover, this regressive plan jeopardizes not only Maricopa County's economic vitality, but that of the entire state, setting Arizona back for decades.

While I am supportive of the underlying legislation, this bill has unfortunately fallen victim to political games. At the final hour, a nongermane amendment was made which I cannot support. Re: SB 1658

President Petersen,

Today I vetoed SB1658.

This bill creates a presumption that all citizens of certain countries are enemies of the state. It would broadly disqualify many Arizonans who are dual citizens and productive members of our economy.

Moreover, the bill's broad language would jeopardize business entering the Arizona market, a significant tailwind in our economy as the US's top state for foreign-direct investment, especially from our close partners in Taiwan.

In cases where there are national security concerns, the federal government is actively evaluating and intervening to protect our national interests, and the State of Arizona regularly engages with federal officials to evaluate potential threats.

I look forward to working with the legislature to protect our state and advance opportunities for all Arizonans and continued international investment.

## RESIGNATION

The President instructed the Reader to read the letter of resignation from Senator Steve Kaiser, District 2 (resignation letter on file in Secretary's Office).

Mr. President,

It has been a great honor to represent my community in North Phoenix as a State Representative and a State Senator. I have decided to not run for office again when my re-election is due.

I would like to control my exit in a fashion that would benefit my party and its Precinct Committeeman, by resigning now in order to appoint another Republican from my district to finish the term and run for their own as an incumbent.

I will continue to serve my state and party, but in a different capacity. Watching good conservative policies be vetoed has made me become more focused on a desire to grow our majority. I will continue to serve by leading a new non-profit I have founded, called the Arizona Prosperity Project. This new 501C4 non-profit will focus on growing the Republican majority in the legislature and electing conservative school board members across the state. The non-profit will also focus on developing good conservative policies around issues that impact every Arizonan.

Please accept this letter as my official resignation from the Arizona State Senate serving Legislative District 2 effective Thursday, June 22, 2023.

Thank you, President Petersen, for your steadfast leadership of the Arizona Senate and the trust you put in me as Commerce Chair. It was an honor to serve with you.

*Sincerely,*

/s/ **Steve Kaiser**

#### INTRODUCTION AND FIRST READING OF BILLS UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1043

Senate Concurrent Resolution 1043 was introduced and read in full by Senator Miranda as follows:

A Concurrent Resolution on the death of Teofilo Archuleta Tachias.

Teofilo "Tio" Archuleta Tachias, community leader, elected official and consultant, passed away on July 6, 2023 at the age of 87.

Tio, the youngest of 13 children, was born in Cabezon, New Mexico on November 4, 1935. At six years of age, he and his family moved to Flagstaff, Arizona. Tio attended South Beaver Elementary School, Flagstaff High School and Arizona's Teacher College, now Northern Arizona University. As a young man, he worked at one of the town's sawmills and in masonry to afford college while providing for his family. Later in life, he served as the business manager and treasurer at the local Ford dealership and as the assistant director of public relations and development at the Museum of Northern Arizona.

While Tio's career included various business endeavors, he especially enjoyed the world of politics, an interest that started at a young age. When he was 12, Tio witnessed President and presidential candidate Harry S. Truman deliver a rousing campaign speech at the train depot in Flagstaff. Toward the end, Truman pointed to Tio and said to him, "with your help, I will be elected President of the United States." For the next few weeks, Tio campaigned for Truman, knocking on doors, shaking hands and distributing flyers and campaign signs. Truman won the presidency in November 1948, and Tio beamed with pride for his role in the victory. This experience ignited Tio's passion for politics and community activism. A lifelong Democrat, Tio became the first Latino in Flagstaff to win a major election, beating the incumbent to serve as a member of the Coconino County Board of Supervisors, a position he held for 24 years. In the early 1980s, Tio was appointed to the Arizona Board of Regents, becoming the board president in 1984.

The impact of Tio's political career and community service reached beyond Flagstaff and northern Arizona. Over the years, he won numerous awards and recognitions, including the César Chávez Diversity Award in 2018 for his "outstanding community leadership and diversity." He also served on the national board of directors for the Public Broadcasting Service, was a founding member of the Coordinating Council on Mexican American Affairs and secured a seat on the Governor's Advisory Board on Economic Planning and Development. A strong advocate for tribal sovereignty and self-determination, Tio also worked closely with several Native Nations in Arizona. In 2016, the Arizona State Legislature honored him by reading into the record a tribute to Tio, which stated in part: "[Mr. Tachias] developed personal and political relationships with Arizona Governors Castro, Babbitt, Mofford and Napolitano and is widely regarded as the best person to identify, register and turnout new voters on the Navajo Nation. His work contributed to countless victories and helped thousands of new voters exercise their right to vote."

More important to him than his political pursuits, Tio loved visiting with family and friends, watching sports, playing the guitar, cooking award-winning fajitas and singing traditional Mexican folk songs. He also enjoyed telling stories of his past, including shining shoes and selling newspapers as a young boy to soldiers on the Santa Fe train, meeting Elvis Presley and Andy Griffith during his time at Ford, sharing a cocktail with former United States Attorney General Robert F. Kennedy, hosting dinner at his home for Mexican American civil rights activist César Chávez and greeting renowned singer Vicente Fernández in Mexico. An avid reader and student of history, Tio also traveled extensively with his wife, Micha, to Europe, South America, Mexico and Canada and throughout the United States. Eager to share his adventures, Tio was a remarkable storyteller, and his ability to recall specific details and captivate his listeners remained with him throughout his life.

A true gentleman, Tio's calm and welcoming demeanor put people at ease, while his selfless, graceful and humble attitude won him the admiration of many. A loving and kind son, brother, husband, father, grandfather, uncle, cousin, nephew and friend, Tio is survived by his wife of 31 years, Micha, children, Christine (Willard) Gilbert, Sally (Tom) McMillian, Tommy (Laura) Tachias and Karen (Pat) Marez, stepchildren, Adriana (Ricardo), Alejandro and Leonardo Montiel-Cordova, brother, Ernesto Tachias, 13 grandchildren, 25 great-grandchildren and two great-great-grandchildren. He was preceded in death by his parents, Alfredo and Aniceta Tachias, his first wife, Elisa "Liz" Fajardo, six siblings, daughter, Gloria (Jerry) Dusek, and stepson Rafael Montiel-Cordova.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature express their regret at the passing of Teofilo "Tio" Archuleta Tachias and extend their deepest condolences to his surviving family members.

Senator Miranda moved that Senate Concurrent Resolution 1043 be unanimously adopted and the Senate stand in a moment of silence in memory of Teofilo Archuleta Tachias. The motion carried.

Senate Concurrent Resolution 1043 was signed in open session and transmitted to the House.

INTRODUCTION AND FIRST READING OF BILLS  
UNANIMOUS ADOPTION OF SENATE CONCURRENT RESOLUTION 1042

Senate Concurrent Resolution 1042 was introduced and read in full by Senator Miranda as follows:

A Concurrent Resolution on the death of Charles F. Long II.

Charles Franklyn "Chuck" Long II was born in Detroit, Michigan on June 1, 1945. He grew up with his brother, Hughey, and sister, Victoria, and attended elementary and middle school at Saint Thomas Military Academy, a military boarding school in Minnesota. He went on to graduate from Northern High School in Detroit in 1963. Chuck then pursued prelaw at Wilberforce University in Ohio before joining the United States Marine Corps in 1964.

Chuck completed basic training at the Marine Corps Recruit Depot in San Diego, California, and was later stationed at Camp Lejeune in North Carolina. While serving two tours in Vietnam, from 1965 through 1967, he was aboard the U.S.S. Kitty Hawk aircraft carrier and tasked with helicopter combat rescue and support missions. On returning to the states, he continued his public service as a Marine Officer in Quantico, Virginia. Chuck retired from the Marines in October 1968 and became a police officer for the District of Columbia.

Chuck worked in radio while in the Marines, and as a civilian he established a successful career in communications and radio. He rose to local notoriety as a disc jockey for WOL and WOOK radio stations in Washington, D.C. during the 1970s. Motivated by the motorcycle accident that claimed the life of his only brother, Chuck used his local celebrity to launch the annual *Chuck Long Motorcycle Safety Parade*, which became wildly successful for nearly a decade.

In the 1980s, Chuck moved out west and began a career in film as a movie stuntman and extra. His film credits include "Glory," starring Denzel Washington, "Wyatt Earp" with Kevin Costner, "Tombstone" and "Bad Jim," in which he acted as a stunt double for Richard Roundtree.

Fueled by his passion for history and horses, Chuck founded America's Buffalo Soldiers Re-Enactors Association in 1986. The group strove to tell the story of the 9th and 10th Cavalrymen and 24th and 25th Infantrymen, who comprised the all-Black regiments of the United States Army known as the "Buffalo Soldiers." Chuck received numerous accolades in recognition of his dedication to and contributions in this endeavor, which spanned nearly three decades. Notably, General Colin Powell and Arizona's Congressman Ruben Gallego commended his outstanding achievements and service to the community. Additionally, Long served as a member of the Arizona Governor's African-American Advisory Council and the Arizona Film Commission.

Preceded in death by his parents and brother, Chuck Long is survived by his five children, Michelle, Carlton Washington (Trina), Charles (Leandra), Mikko (Kyle) and Mary (Ian), his grandchildren, Quinton (Althea), Ezra, Mecca, Cannon and Storm, and his great-grandsons, Phoenix and Koa. He will be greatly missed by all those who had the privilege of knowing him over his distinguished lifetime.

Therefore

Be it resolved by the Senate of the State of Arizona, the House of Representatives concurring:

That the Members of the Legislature and the Black Legislative Caucus express sincere regret at the passing of Charles F. Long II and extend their deepest sympathies to his surviving family members.

Senator Miranda moved that Senate Concurrent Resolution 1042 be unanimously adopted and that the Senate stand in a moment of silence in memory of Charles Long II. The motion carried.

## SENATE RULES

### RULE 1 Officers and Employees

A. The officers of the Senate shall be a President, who shall be chosen from among the membership of the Senate, a Secretary, an Assistant Secretary, and a Sergeant at Arms.

B. There shall be such other employees as may be authorized by the Senate. The appointment, terms and conditions of employment, compensation, discipline, and discharge of employees of the Senate shall be determined by the President, subject to the approval of the Senate. Employees of the Senate are prohibited from lobbying during the term of their employment, and a violation of this rule will be sufficient cause for the summary discharge of the offending employees.

### RULE 2 The President

The President shall have the following powers and duties:

A. The President shall take the chair on every legislative day precisely at the hour to which the Senate, at its last sitting, adjourned; immediately call the members to order and on the appearance of a quorum, cause the Journal of the proceedings of the last day's sitting to be read.

B. The President shall have control of the Senate Chamber, including seating assignments of members therein, all other parts of the Senate wing and all other areas and buildings used exclusively by the Senate.

C. The President shall preserve and maintain order and decorum.

D. The President shall sign all acts, addresses, joint resolutions, writs, warrants and subpoenas issued by the order of the Senate, and decide all questions of order, subject to an appeal by any member, on which appeal no member shall speak more than once, unless by permission of the Senate.

E. The President shall state all questions in the proper order in which they shall be disposed.

F. When a question is undebatable or when debate on a question is closed, the President shall state the question, calling first for the "Ayes" and then for the "Noes". If the President is in doubt, or a division is called for, the Senate shall divide; those in the affirmative of the question shall first rise from their seats, and then those in the negative. But on demand of two members a roll call of the Ayes and Noes shall be ordered at any time before such vote is made certain and declared.

G. The President shall have the right to vote, and on all questions the President may vote last.

H. The President shall have the right to name any member as President Pro Tempore to serve at the President's request, which appointment may extend throughout the session unless terminated by the Senate. The President may appoint any other member as temporary President Pro Tempore to serve for a limited period of time. In the absence or omission of such an appointment, the Senate shall proceed to elect a President Pro Tempore to act during the absence of the President.

I. The President shall appoint all standing committees, and all select committees unless otherwise ordered by the Senate by a majority of the members present, and shall appoint the chairman and vice-chairman of each such committee. The President shall be an ex-officio member of all committees, but shall not vote or sign reports from any committee except the committees of which the President is chairman. However, if the President is an appointed member of the Rules Committee, the President shall be a voting member of that committee. The President shall fill all vacancies on committees.

J. The President shall refer all proposed measures or other legislative matters to the appropriate committees. Every bill, resolution and memorial shall be referred by the President to one or more standing committees, except resolutions or memorials to be adopted by unanimous consent and House bills to be substituted on third reading pursuant to Rule 11-H. All proposed measures or other legislative matters shall automatically be assigned to the Rules Committee without action upon the part of the President. If three-fifths or more of the members of the Senate petition the President to discharge committees from further consideration of a bill, resolution or memorial, the measure shall be withdrawn by the President from assigned committees which have not reported the measure. If a committee hearing has not been held on the measure, the President shall direct that a hearing be held by a committee within seven days and upon withdrawal or hearing, the matter shall be placed by the President on the active calendar of the Committee of the Whole. If the measure is reported favorably by the Committee of the Whole, it shall be placed by the President on the third reading calendar. If a discharge petition is presented to the President less than seven days before the Senate adjourns sine die, the President shall not be required to act upon the petition.

K. All debts incurred by the Senate, either during session or between sessions of the legislature, shall be subject to approval by the President and if so approved shall be paid by claims drawn on the Finance Division of the Department of Administration.

L. The office of the President shall keep the accounts for the pay, mileage and subsistence of members and attaches, and shall maintain these records for inspection by the membership.

M. The President is authorized to call meetings of standing committees of the Senate during periods when the Senate is not in session, and to approve claims for travel and subsistence incurred by members of such committees in attendance.

N. The President is authorized to bring or assert in any forum on behalf of the Senate any claim or right arising out of any injury to the Senate's powers or duties under the constitution or laws of this state.

### RULE 3 The Secretary

The Secretary shall have the following powers and duties:

A. It shall be the duty of the Secretary to keep a Journal of each day's proceedings, and to provide a typewritten copy of the same for examination by the President. The Secretary shall each day prepare a calendar of the Orders and Business of the Day and a like calendar for the Committee of the Whole, and such other dockets and calendars as may be ordered, and shall cause a copy to be placed on the desk of each member, at or before the hour of convening.

B. The Secretary shall have the custody of all bills, resolutions, memorials, petitions, communications, or other measures, instruments and papers introduced in or submitted to the Senate, subject to such disposition thereof as may be provided by the rules of the Senate or the order of the President, and shall be held strictly accountable for the safekeeping of the same. The Secretary shall keep a record of all such measures or instruments, showing at all times the exact standing of each.

C. The Secretary shall perform such other duties as may be required of the Secretary by the Senate or by the President.

D. The Assistant Secretary shall act under the direction of the Secretary and in the absence of the Secretary shall perform the duties of the Secretary.

RULE 4

The Sergeant at Arms shall have the following powers and duties:

A. It shall be the duty of the Sergeant at Arms to attend the Senate and the Committee of the Whole during their sittings, to maintain order under the direction of the President or Chairman, to execute the commands of the Senate, and all processes issued by authority thereof, directed to the Sergeant at Arms by the Presiding Officer. Five minutes before the hour of the meeting of the Senate each day the Sergeant at Arms shall see that the floor is cleared of all persons, except those privileged to remain.

2. Commerce
3. Director Nominations

3. All committee meetings shall be open to the other members of the Legislature, the press and public so long as the proper decorum is maintained.

4. All committees except the Committee on Director Nominations will meet at regularly scheduled times and places. In the absence of the chairman, the vice-chairman shall preside. In the absence of both the chairman and vice-chairman some other committee member designated by the President shall preside. Special meetings may be called at the option of the chairman. However, such meetings shall be announced on the floor of the Senate in open session prior to the meeting. Regularly scheduled meetings can be cancelled or rescheduled only with the permission of the President.

5. A written agenda for each regular or special meeting containing all bills, memorials and resolutions to be considered thereat shall be distributed to each member of the committee and to the Secretary of the Senate at least five days prior to the committee meeting. Absence of a bill, memorial or resolution from the committee agenda will prohibit its consideration unless unanimous consent of all committee members is obtained. The action taken on every bill, memorial or resolution on the committee agenda shall be reported to the Secretary of the Senate at the conclusion of the meeting. It shall be the responsibility of the chairman to deliver the committee report for each bill, memorial or resolution that has been voted out of committee to the Secretary of the Senate as soon as the committee amendment is prepared. If there is no amendment, the committee report shall be delivered to the Secretary of the Senate not later than 5:00 p.m. on the day following the day the committee meeting adjourns.

6. A bill not on the chairman's agenda shall be scheduled by the chairman for discussion and committee action at the next subsequent committee meeting upon presentation to the chairman of a petition to schedule the bill, and upon filing a copy thereof with the Secretary of the Senate. A petition to schedule the bill must be signed by at least two-thirds of the members of the committee.

7. A majority of the members of a committee shall constitute a quorum for the consideration of any matter referred to it.

8. The consent of all of the members of a committee shall be necessary to introduce any bill, resolution or memorial as a committee measure. The consent of a majority of the members present on a committee shall be necessary to report any bill or other measure or matter referred to such committee. If a member opposes the report, he may file a minority report. A minority report shall bear the signature of any number of members joining in its recommendations and shall be considered the recommendations merely of the member or members signing the same.

9. Amendments proposed by a committee shall be clearly set forth as an attachment to the committee's report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. If the committee has adopted a rule addressing the submission of amendments to committee members, the chairman may preclude the offering of an amendment which does not comply with the rule, may without objection accept the amendment, or may postpone action on the measure until adequate notice has been given. No amendment to strike everything after the enacting clause and insert new material shall be in order unless notice of intent to offer such an

amendment has been given by 5:00 p.m. two days, excluding Saturdays and Sundays, prior to the committee meeting at which the amendment is to be considered by delivering a copy of the proposed amendment to the office of each member of the committee and to the information desk and posting such notice and leaving a copy in the office of the Senate Secretary. The committee report shall be accompanied by a copy of any measure to which amendments are proposed to the committee.

10. A roll call vote shall be taken of the committee members at the request of a committee member upon any motion or amendment.

11. Except as provided herein, all House bills to be scheduled in accordance with paragraph 5 or 6 of this subsection shall be heard prior to Saturday of the week in which the ninetieth day from the beginning of each regular session falls. No committee except the Rules Committee shall hear a bill in violation of this paragraph without the written permission of the President.

12. All bills, memorials or resolutions referred to a standing committee shall be reported. Bills, memorials or resolutions which the committee has considered but on which no action has been taken and bills, memorials and resolutions which the committee has not considered shall be reported as such by the chairman of each standing committee at the last regular or special meeting of such committee for each session.

C. The Rules Committee of the Senate shall have the following powers and duties:

1. All powers and duties of other standing committees of the Senate listed in subsection B of this rule except those powers and duties inconsistent with this subsection.

2. On the first day following the convening of the first regular session of each Legislature, the President shall appoint the members of the Committee on Rules, and the said committee shall henceforth have authority to present proposed changes or additions to the rules which upon adoption by the Senate shall be deemed standing rules of the Senate.

3. The written agenda for the Rules Committee shall be the calendar for the Committee of the Whole. All other legislative matters shall be in order before the Rules Committee without written agenda.

4. Amendments proposed by the Rules Committee should be clearly set forth as an attachment to the Rules Committee report and shall refer to the appropriate page and line of the original or engrossed bill or of another amendment if the amendment is proposed as an amendment to another proposed committee amendment. Substantive amendments may be proposed by the Rules Committee only with the concurrence of the sponsor of a bill if sponsored by an individual or the committee chairman if sponsored by a committee. Corrective or technical amendments may be proposed. A proposed technical or corrective amendment which incidentally affects the substance of a bill or amendment shall require concurrence of the sponsor. No amendment to strike everything after the enacting clause and insert new material shall be offered in the Rules Committee.

5. The Committee on Rules shall consider the bill and proposed amendments thereto for constitutionality and proper form and the reasonable germaneness of any amendments. A bill including any amendments shall be presumed to contain one subject if:

(b) The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.

(c) The bill offers only technical or conforming changes to the statutes.

(d) The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.

(e) The bill is a result of a strike everything after the enacting clause amendment and substitutes material designed to accomplish only one purpose.

6. In addition to the powers and duties given to the Rules Committee elsewhere in the Senate Rules, the Rules Committee shall have such other powers and duties over legislative matters as are assigned by the President.

D. Any subcommittee of a standing committee may meet at any time upon the call of the subcommittee chairman without written notice, providing, however, that such meeting shall be announced on the floor of the Senate in open session prior to the meeting. A subcommittee may, without distributing a written agenda, consider any matter assigned to the subcommittee by the chairman of the standing committee.

E. No committee other than the Rules Committee shall meet while the Senate is meeting in session without special permission of the President.

## RULE 8 Calendars

A. There shall be the following calendars of business reported from committees:

1. A calendar of the Committee of the Whole, upon which shall be placed all bills, resolutions and memorials reported by the standing or select committees, except the Rules Committee, to which they have been referred and all bills, resolutions and memorials which have failed in Committee of the Whole, or which have been retained on the calendar. The calendar of the Committee of the Whole shall be prepared and filed in writing with the Secretary of the Senate.

2. An active calendar of the Committee of the Whole on which shall be placed those bills, resolutions and memorials designated by the President that have been reported by the Rules Committee and that are drawn from the calendar of the Committee of the Whole on the order of business of the day.

3. A unanimous consent calendar on which shall be placed those bills, resolutions and memorials designated by the Chairman of the Rules Committee and drawn from all bills, resolutions and memorials on the calendar of the Committee of the Whole that are unamended as reported by all standing committees to which they were referred. The unanimous consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest the inclusion of any bill, resolution or memorial on the unanimous consent calendar by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the unanimous consent calendar and return it to the calendar of the Committee of the Whole; provided, however, that a bill shall not be removed from the consent calendar for the purpose of proposing a strike everything after the enacting clause amendment. Bills, resolutions or memorials remaining on the unanimous consent calendar shall be placed on the Senate calendar.

4. A COW consent calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from amended measures reported out of all committees to which they were referred with zero "no" votes. The COW consent calendar shall be dated, printed, placed on each member's desk and posted at the information desk 48 hours, excluding nonworking days, prior to being accepted. Any Senator may protest any measure being subject to group motion and adoption of all committee amendments by submitting a protest in writing to the Secretary of the Senate during the 48-hour notice period. A protest timely submitted by any Senator shall automatically remove the bill, resolution or memorial from the COW consent calendar. Additionally, the filing of a floor amendment with the Secretary of the Senate shall

automatically remove the bill, resolution or memorial from the COW consent calendar. The President may remove a bill, resolution or memorial from the COW consent calendar at any time. Subject to rule 17-K, the bills, resolutions, or memorials remaining on the COW consent calendar and passed will then be placed on the third reading calendar.

5. A Senate calendar on which shall be placed all bills, resolutions and memorials reported with a “do pass” or “do pass amended” recommendation by the Committee of the Whole and all bills, resolutions and memorials remaining on the unanimous consent calendar pursuant to paragraph 3.

6. An active Senate calendar on which shall be placed those bills, resolutions and memorials designated by the President and drawn from the Senate calendar for consideration by the Senate on the order of business for the day.

B. Measures shall be reported by the Committee of the Whole in the order and manner in which disposed of by that committee, and those approved shall be placed upon the Senate calendar for third reading in the order established by the President, and retained on the Senate calendar until finally disposed of.

#### RULE 9 Decorum and Debate

A. When a Senator desires to speak, the Senator shall rise and address the Presiding Officer, and shall not proceed until the Senator is recognized, and the Presiding Officer shall recognize the Senator who shall first address the Presiding Officer. No Senator shall interrupt another Senator in debate without the Senator's consent, and to obtain such consent, the Senator shall first address the Presiding Officer.

B. The Senator who sponsors a measure, or the Senator's designee, shall have the right to open and close debate on such measure.

C. No Senator in debate shall, directly or indirectly, by any form of words, impute to another Senator or to other Senators any conduct or motive unworthy or unbecoming a Senator.

D. If any Senator, in speaking or otherwise, transgresses the Rules of the Senate, the Presiding Officer shall call the Senator to order; and when called to order the Senator shall sit down and not proceed without leave of the Presiding Officer or upon motion adopted by the Senate, that the Senator be allowed to proceed in order, which motion shall be determined without debate.

E. If a Senator be called to order for words spoken in debate, the exceptionable words shall, upon the demand of any Senator, be taken down in writing, and read at the table for the information of the Senate.

F. While the Presiding Officer is putting a question or addressing the Senate, no member shall walk out of or across the Chamber, nor, when a member is speaking, pass between the member and the Chair; nor remain by the Secretary's desk during the call of the roll for the counting of ballots; and the Sergeant at Arms is charged with the strict enforcement of this clause.

#### RULE 10 Roll Call and Quorum

A. Upon every roll call the names of the members shall be called alphabetically by the surname, except when two or more have the same surname, in which case the district designation shall be added; and after the roll has been once called, the Secretary shall call in their alphabetical order the names of those not voting or who failed to respond.

B. A majority of the Senators elected shall constitute a quorum.

C. If, at any time during a session of the Senate, a question shall be raised by any Senator as to the presence of a quorum, the President shall forthwith direct the Secretary to call the roll and shall announce the result, and these proceedings shall be without debate.

D. Whenever it shall be ascertained that a quorum is not present a majority of the Senators present may order a call of the Senate, which order shall be determined without debate, and pending its execution, and until a quorum shall be present, no debate or other motion, except to adjourn, shall be in order. Upon approval of the order to call the Senate, the President shall direct the Sergeant at Arms to request, and, when necessary, to compel the attendance of the absent Senators.

E. When a quorum is present, a call of the Senate may be ordered by the President or by a majority of the members present to compel the attendance of the absent members. The Sergeant at Arms shall forthwith proceed to bring in absent members until two-thirds of the members elected to the Senate are present.

F. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

#### RULE 11 Motions

A. All motions shall be reduced to writing, if requested by the Presiding Officer or by any Senator, and shall be entered on the Journal with the name of the member making it, and shall be read before the same shall be debated.

B. Any motion or resolution may be withdrawn or modified by the mover at any time before a decision, amendment or ordering of Ayes and Noes, except a motion to reconsider, which shall not be withdrawn without leave of the Senate.

C. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

D. When a motion or proposition is under consideration, a motion to amend and a motion to amend that amendment shall be in order, and it shall also be in order to offer a further amendment by way of a substitute amendment.

E. A question or an amendment containing two or more distinct and separate subjects may be divided upon the demand of any member. A motion to strike out and insert words, both relating to the same subject, and together accomplishing a single change in meaning, is indivisible.

F. When motions are made for reference of a subject to a select committee, or to a standing committee, the question of a standing committee shall be put first. A motion simply to refer shall not be open to amendment, except to add instructions.

G. Any motion improperly used for the purpose of delaying or obstructing business is a dilatory motion and may be ruled out of order by the Presiding Officer.

H. A motion to substitute a House bill for a Senate bill on third reading shall not be in order unless the Senate bill for which substitution is sought is identical to the House bill.

#### RULE 12 Previous Question (Vote Immediately)

When the previous question is moved, adopted and ordered, it shall have the effect to cut off all debate and bring the Senate to a direct vote upon the immediate question or questions on which it has been ordered. The previous question may be moved with reference to a single motion, a series of motions allowable under the rules, or an amendment or amendments, or may be made to embrace all authorized motions or amendments and include the bill to its passage or rejection. It shall be in order, however, pending the motion for, or after the previous question shall have been ordered, for a motion to be made to commit or to recommit, with or without instructions, to a standing or select committee.

RULE 13  
Reconsideration

A. When a question subject to reconsideration has been decided by the Senate by a recorded vote, any Senator who voted on the prevailing side may on the same day or the next day of actual session thereafter move a reconsideration. When a question subject to reconsideration has been decided by the Senate by a non-recorded vote, any Senator may, on the same day or the next day of actual session thereafter, move a reconsideration. If the Senate shall refuse to reconsider, or upon reconsideration shall affirm its first decision, no other motion to reconsider the question shall be in order unless by unanimous consent. A motion to reconsider shall be decided by a majority vote of the members present, and a motion to lay it on the table shall not be in order. If the motion to reconsider passes, the question reconsidered shall be determined at such time as the President directs.

B. When a bill, resolution, report, amendment, order or measure, upon which a vote has been taken, shall have gone out of the possession of the Senate, and shall have been sent to the House of Representatives, the motion to reconsider shall be accompanied by a motion to request the House to return the same, which last motion shall be acted upon first, and without debate, and if determined in the negative shall be a final disposition of the motion to reconsider. If the motion to request return passes, the motion to reconsider cannot be considered until the question or measure is returned to the Senate by the House.

RULE 14  
Bills, Resolutions, Memorials, Engrossed  
Copies and Amendments

A. Bills, resolutions and memorials may be introduced by a member or a committee by presenting the original and three copies of such bill, resolution or memorial, unless additional copies are ordered by the President, to the office of the Secretary prior to 3:00 p.m. of the day immediately preceding the day of actual introduction. The name of the sponsor or sponsors shall be on the attached signature page of the bill. Introductions "by request" shall be so designated.

B. A bill introduced in the Senate may be cosponsored by House members.

C. Bills, resolutions and memorials may be introduced during the first 22 days of a regular session and during the first 10 days of a special session. Thereafter, with the exception of death resolutions, introduction may be allowed only with the permission of the Rules Committee.

Bills, resolutions and memorials may be prefiled for introduction in the second regular session during the period from November 15 next preceding the second regular session until the first day of the second regular session. Bills, resolutions and memorials may be prefiled for introduction in any special session during the period following the Governor's Proclamation until the first day of the special session, provided the bill, resolution or memorial is germane to the call. A bill, resolution or memorial shall be prefiled in the same manner prescribed for introduction. Bills, resolutions and memorials prefiled for introduction pursuant to this rule may be first read on the first day of the session. The name of the sponsor or sponsors shall be on the attached signature page of the bill, resolution or memorial at the time of prefiling.

E. The original of a bill, resolution or memorial introduced in the Senate shall be designated by brown backing, endorsed "original" and shall remain in the possession of the Secretary. The original and two copies of each engrossed measure shall be on paper of durable quality and each page of the original and two copies shall be stamped with the blind embossed stamp of the Senate. All engrossed pages not having a full complement of typed lines shall be marked from the end of the typed page to within one inch of the end of such page. The original Senate engrossed copy shall have a red backing. An engrossed measure ready for the third or final reading shall not be subject to amendment.

I. Unless otherwise ordered by the President, the Senate shall provide the House and the Legislative Council with a sufficient number of copies of each amended engrossed Senate measure with a cover page or pages showing the page and line number of each adopted Senate amendment thereto. For Senate amendments to House measures the same number of copies shall be provided but may consist only of those pages containing the adopted Senate amendments and cover page or pages showing the page and line number of such Senate amendment. For unamended Senate measures the same number of cover pages shall be provided stating that the measure passed as introduced, which will be identical to the original and printed copies.

J. All bills, resolutions, memorials and engrossed measures shall be line-numbered and such numbering shall begin with the enacting clause. Uniform sized paper, 8 1/2" x 11" shall be used.

K. Amendments shall have uniform headings and shall read "amendments to" and shall be in the same form as the original bill. The amendment shall refer to page and line number only and when referring to more than one line shall read "lines . . . through . . .". If everything after the enacting clause is stricken the amendment shall read "strike everything after the enacting clause".

## RULE 15 Voting

A. When the Ayes and Noes are ordered, the names of Senators shall be called alphabetically, and each Senator shall without debate, declare the Senator's assent or dissent to the question, unless the Senator declares a personal financial interest in the question or is excused by the Senate, and no Senator shall be permitted to vote after the decision shall have been announced by the Presiding Officer, but may for sufficient reason change the Senator's vote prior to such announcement. No motion to suspend this rule shall be in order, nor shall the Presiding Officer entertain any request to suspend by unanimous consent.

B. When a Senator declines to vote on the second call of the Senator's name, the Senator shall be required to assign the Senator's reasons therefor. If the reason assigned is other than a personal financial interest in the question or a substantial interest as defined in the statutory code which is not a personal financial interest in the question, the Presiding Officer shall submit the question to the Senate: "Shall the Senator for the reasons assigned by the Senator, be excused from voting?" which shall be decided without debate; and these proceedings shall be had after the roll call and before the result is announced and any further proceedings in reference thereto shall be after such announcement.

C. When a vote is being taken using the electronic roll call system, the provisions of Rule 15.1 shall supersede any provision of this rule which is inconsistent therewith.

## RULE 15.1 Electronic Roll Call System

A. In all cases where a rule of the Senate refers to "roll call", "roll call vote" or "recorded vote", such reference shall be understood to refer also to the taking of the vote by an electronic roll call system.

B. When taking attendance or recording the Ayes and Noes on any question to be voted upon, the electronic roll call system shall be used, unless it is inoperative, and when so used shall have the same force and effect as a roll call taken as otherwise provided in the Senate Rules. This rule may be suspended by a majority of the members present in which case the roll shall be called in accordance with Rule 10.

C. When the Senate is ready to vote upon any question requiring a roll call and the vote is to be taken by the electronic roll call system, the Presiding Officer shall announce: "You have heard the (motion or third or final reading) of (the matter to be voted upon). Those in favor will vote aye. Those opposed will vote no. The system is now open. The Senate will now proceed to vote."

D. If a Senator declines to vote, the Senator shall state the reasons therefor as required by Rule 15-B and the system shall not be closed until every Senator who is present has voted, explained the reason for not voting or been excused from voting.

E. When sufficient time has been allowed the members to vote, the Presiding Officer shall announce: "Have all the Senators voted? The system will now be closed. The system is now closed. The Secretary will now record the vote."

F. A Senator may change his vote after the roll call system has been closed and before announcement of the result, and not thereafter.

G. The Secretary of the Senate shall immediately start the recording equipment and, when completely recorded, shall confirm the result to the Presiding Officer, who shall announce the same to the Senate. The Secretary shall enter the vote in the Journal.

H. No member shall be permitted to vote unless present in person to cast his vote. No member shall vote for another, nor shall any person not a member cast a vote for a member.

I. When a vote is being taken by the electronic roll call system, this rule supersedes any provision in the Senate Rules inconsistent therewith.

All questions relating to the order of business shall be decided by a majority of the members present without debate.

D. Every bill shall be read by sections on three different days, unless two-thirds of the Senate deem it expedient to dispense with this rule. The vote on the final passage of any bill or joint resolution shall be taken by Ayes and Noes on roll call. Final passage shall be the final disposition of a bill by the Senate.

The calendar of the Committee of the Whole shall be taken up in regular order, or in such order as the committee may determine by a suspension of the rules, unless the order of the bill to be considered was determined by the Senate at the time of going into committee, but bills for raising revenue and the general appropriations bill shall have precedence.

C. A majority of the members of the Senate shall constitute a quorum to do business in Committee of the Whole.

D. The rules of the Senate shall be observed in the Committee of the Whole so far as applicable.

E. In the Committee of the Whole, bills and resolutions shall be read by the Secretary and considered item by item, unless otherwise ordered by the committee, leaving preambles or titles to be last considered. If the nomination is referred to the Rules Committee, the committee, upon consideration, may recommend to the President that the nomination be further referred to another standing committee or may place the nomination on a list of nominations awaiting confirmation by the Senate. If the Rules Committee recommends that the nomination shall be placed on a list of nominations awaiting confirmation by the Senate, the Rules Committee recommendation shall be dated and placed on each member's desk. If a member wishes during the first seven calendar days after action by the Rules Committee to object to the inclusion of the nomination without a hearing by a standing committee other than the Rules Committee, the member may do so by filing a protest in writing to the Secretary of the Senate during the seven day period. If a protest is filed, the President shall remove the nomination from the list and assign the nomination to an appropriate standing committee other than the Rules Committee. No nomination placed upon the list of nominations awaiting confirmation by the Senate shall be considered by the Senate until said nomination has remained on the list for seven calendar days. When a nomination is brought before the Senate, the final question on every nomination shall be, "Will the Senate advise and consent to this nomination?" which question shall not be put on the same day on which the nomination is received nor on the day on which it may be reported by a committee, unless by unanimous consent.

The presentation of reports of committees of conference shall always be in order, except when the Journal is being read or a question of order or a motion to adjourn is pending, or while the Senate is dividing; and when received the question of proceedings to the consideration of the report, if raised, shall be immediately put, and shall be determined without debate.

2. The resulting bill is a major revision of a program or agency and each of the provisions relates to the revision.
3. The bill offers only technical or conforming changes to the statutes.

4. The bill is an omnibus taxation or appropriation measure and each provision relates to the same general purpose of the bill.
